

Research assistants in the Methodology Research Core (MRC) will be working on various health-related research projects under the supervision of senior biostatisticians. Their responsibilities will include the data management, various statistical designs and analyses, consulting with health scientists, computing, programming, reporting the research results, and so on. If you want to see more information, please visit the Methodology Research Core (MRC) website:

<http://www.ihrp.uic.edu/center/methodology-research-core>

Websites of members in the MRC are:

<http://www.ihrp.uic.edu/researcher/michael-l-berbaum-phd>

<http://www.ihrp.uic.edu/researcher/donald-hedeker-phd>

<http://www.ihrp.uic.edu/researcher/richard-t-campbell-phd>

<http://www.ihrp.uic.edu/researcher/young-ku-choi-phd>

More general information about the research we are working on is shown in the Institute for Health Research and Policy (IHRP) website:

<http://www.ihrp.uic.edu/>

If you are interested in working with MRC, please contact us.

Young Ku Choi, Ph.D,
1747 W. Roosevelt Rd. (M/C 275)
Chicago, IL 60608.
