☪ PROFESSOR SOMNATH DAS.

Office: 2313 University Hall

F (312)-996-4482 **J** email to: sdas@uic.edu

Class Lectures: Tuesday: 6:00-9:00 PM in Room LC C4

Office Hours: Thursday: 3:30-4:30 PM; and by appointment.
Prerequisites: A grade of C or higher in Accounting 500, OR a passing grade in the Departmental Accounting Qualifying examination.
Credit: 4 credit hours

Course Objectives:

This course emphasizes the use of accounting data for management decision making, planning and control. The focus is on the internal use of and generation of cost data by management as opposed to external reporting. The course will be broadly divided into the following three sections:

1. Accounting for Planning & Control including performance evaluation
2. Accounting for Management of Costs and identification of actual product costs.
3. Accounting for non-routine managerial decision making with particular emphasis on pricing decisions.

Course Materials:

Required Text: Horngren, Datar, Foster, Rajan & Ittner, Cost Accounting: A Managerial Emphasis, **Thirteenth Edition**, 2008. Prentice Hall.

Recommended:

1. Student Guide by John K. Harris, Prentice Hall..
2. Student Solutions Manual by C. T. Horngren, S. M. Datar, G. Foster, and R. Sarkar.

Course Website: <http://blackboard.uic.edu/>

All materials pertaining to the course can be found at the above WEB site. You must be enrolled in the class to access the course site on Blackboard.

You should also visit the Publisher's website for the text at www.prenhall.com/horngren for additional support.

Course Requirements and Grading:

Midterm	40%
Final Exam	45%
Team Assignments	<u>15%</u>
TOTAL	<u>100%</u>

Make up exams will be given in exceptional circumstances only before the scheduled examination date and time, and only upon Instructor approval based upon appropriate documentary evidence.

All team assignments will have a portion of the grade assigned for 'Peer evaluation' which should be based upon effort, contribution and cooperation of team members. Any plagiarism from fellow students and or other sources will be penalized appropriately.

The final exam (which has a weight of 45% of the overall course grade) will *approximately* have 80-85% of the questions based upon material covered since the Midterm and the remaining 15-20% based on the cumulative material covered before the Midterm.

A grade of Incomplete (IN) will be assigned only under the conditions set forth in the university catalog. Please refer to the "General Course Policy" Statement of the Department of Accounting for additional information.

Course Policy and Procedures

This course is designed to develop students' analytical ability as well as verbal and written communication skills through lectures and discussions.

- There is a considerable amount of material covered in this course, and it is essential that you stay current with the readings and assignments. On average, more than one chapter is covered each week. It is crucial not to fall behind.
- Students are expected to attend all lectures and are encouraged to participate in class discussions.
- Prior to each class, students are responsible for having completed the readings, problems, and cases before they are covered in class.
