Office Hours: M-W-F 1:00- 2:00
Class: 11:00 - 11:50 LC D2
Class: 12:00 - 12:50 LC C3

Teaching Assistant

Raluca Chiorean
E-mail: rchior2@uic.edu
Office: 2308 University Hall
TA office hours: 3:00-6:00 Wednesdays

Prerequisite

Accounting 210, sophomore standing, and enrollment in the College of Business Administration or approval of the Department of Accounting is required.

Course Objective

The main objective of this course is to provide students with a conceptual understanding of managerial accounting and with the skills for applying the knowledge to decision making.

Catalog Description

Management planning and control; cost concepts and measurement; cost accounting systems; analysis of cost and volume-profit relationships; standard costs and variances; and budget preparation.

Required Text

Managerial Accounting: 13th ed. by Garrison, Noreen and Brewer, McGraw-Hill 2009 (ISBN # 978-0-07-337961-6). The online learning center (OLC) included with the text should be used for practice quizzes and power point slides discussed in class. The url link is: <http://www.com/garrison> 13e. This requires a student code bundled with the new textbook or purchased separately on the course web site.

Course Website

UIC Blackboard lecture notes and solutions will be posted as required.

Course Success

It is your responsibility to: (1) read the assigned chapters; (2) bring power point lecture notes and assigned homework problems to class; (3) submit assigned homework problems when due; and (4) take scheduled class quizzes. No quiz make ups or late homework assignments will be accepted. Class lectures and problem solving will be directly related to quizzes and exams. Class attendance and personal effort is essential to success in this course.

Grading

Course grades will be determined based upon the following criteria:

First Examination	100 points	25%
Second Examination	100 points	25%
Third Examination	100 points	25%
Quizzes	40 points	15%
Homework	<u>60 points</u>	<u>10%</u>
Total	400 points	100%

Exams

Exams will consist of both theory and problems that closely follow the lectures, homework problems and class quizzes. Exams are not cumulative and are to be taken as scheduled in the course calendar.

Academic Integrity

You are expected to conduct yourselves in a manner that is consistent with the university standards of academic honesty. Any student who cheats on an assignment or exam will receive a grade of "E" for the course and may also be dismissed from the university.

COURSE CALENDAR

#	Date	Day	Study the End of Chapter Review Problems Exclude the Appendices Assignments
1	Jan 11	M	Course Introduction, Policies, and Resources
