### MSDN Academic Alliance --Student Use Guidelines

As a member of the MSDN Academic Alliance, the department in which you take credit courses is authorized to provide you with program software for use on your personal computers. To be in compliance with the MSDN Academic Alliance program requirements, you must follow these usage guidelines when using the program software on your computer. You must also agree to the terms of the MSDN End User License Agreement (EULA), the Amendment to Master End-User License Agreement, and any conditions required by your department.

The MSDNAA Site Administrator at your school will be responsible for maintaining records of student use and ensuring there is full compliance with the program among all department users, including students, faculty and systems administration staff. Please see your Site Administrator for any questions that you may have about the program, or refer to [www.msdnaa.net](http://www.msdnaa.net).

**By installing, copying, or otherwise using the Product, you agree to be bound by the terms of the EULA and the License Amendment. If you do not agree to be bound, do not install, copy or use the Product.**
