Online Tutoring Appointment Scheduler

How to schedule an appointment:

Step One: In order to schedule an appointment you will need to create a *GoogleApps@UIC* account. This is UIC's version of Gmail. This account will be the same as your UIC webmail account. In order to create a *GoogleApps@UIC* account [click here](#).

Step Two: Once you have created your *GoogleApps@UIC* account, click on the calendar of the tutor you would like to see. You will be asked to log in to your account. Once you have done so you will be able to click on a time slot in which you would like to meet with the tutor.

****Please make sure to select the privacy option when making your appointment.****
