

The UIC Accounting Club's primary interest is to help companies, firms, and student interact. The club is dedicated to giving students the chance to explore opportunities in both public and private accounting. The Accounting Club accomplishes this by having activities where recruiters give information necessary for being successful. The important thing is to have FUN and be professional. For more information contact the Accounting Club by stopping by 1115 UH or calling 996-0553. <http://acctclub.n3.net/>

Beta Alpha Psi Pledge Beta Alpha Psi and find out how this nationally recognized accounting, finance and information and decision sciences honor fraternity can open doors for you.

The Honor Society for AACSB Accredited Business Programs

Business Honor Society For more information: Call John Anderson, 996-2700. <http://www.betagammasigma.org/>

The Undergraduate Economics Club Participating in the Club is an excellent way for students to learn more about economics and what one can do with an economics degree after graduation. The Club also provides a good opportunity to meet other students with similar interests and to interact with members of the Economics faculty informally outside of the classroom.
