Applicant

Checklist for the

**Graduate Admissions Committee
Department of Biochemistry and Molecular Genetics, m/c 669
University of Illinois at Chicago
900 South Ashland Avenue
Chicago, Illinois 60607-7170**

These instructions supercede all other instructions.

All application materials should be sent directly to the above address. **Please do not send any materials to the Office of Graduate Admissions.** We will forward your packet to them. Please do not send any materials by registered mail as this may delay delivery and possibly cause your application materials to be returned to you. Mailing them by regular mail is sufficient to insure delivery.

You must include:

1. A completed application and the application fee.
2. A completed application cover sheet.
3. Scores from a Graduate Record Examination (GRE). Take this exam early, as it requires at least 2 months for the scores to become available. Scores from a Test of English as a Foreign Language (TOEFL) are required of all foreign students.
4. A statement of research interests and career goals.
5. Three letters of recommendation.
6. You must also arrange for a set of official transcripts to be mailed to the above address. Transcripts are considered official when they are sent from the University issuing the transcripts directly to our department and they arrive in a sealed envelope with the stamp of the issuing university on them.

Please note: The GRE institution code is: 1851 and the GRE department code is: 0210
