

CURRICULUM VITAE

DEBRA A. GOLDSTEIN, MD, FRCSC

Department of Ophthalmology and Visual Sciences
Eye and Ear Infirmary
University of Illinois at Chicago

Office Address:

Lions of Illinois Eye Research Institute
1905 West Taylor Street
Chicago, Illinois 60612-7243
debrgold@yahoo.com

(312) 996-6660 - Office

Date of Birth: September 6, 1961

Citizenship: American

Languages: English, French

Certification and Licensure

2007	American Board of Ophthalmology Maintenance of Certification
1996	Diplomate of the American Board of Ophthalmology
1994	State of Illinois Medical Licence
1993	Permis de pratique de la Corporation des Médecins, Province de Québec
1992	Fellow of the Royal College of Surgeons of Canada (Ophthalmology)
1989	L.M.C.C. Licentiate of the Medical Council of Canada (number 69252)

Academic Appointments

2003	University of Illinois at Chicago Department of Ophthalmology and Visual Sciences Associate Professor of Ophthalmology
1997-2003	University of Illinois at Chicago Department of Ophthalmology and Visual Sciences Assistant Professor of Ophthalmology
1995-1997	University of Illinois at Chicago Department of Ophthalmology and Visual Sciences Visiting Assistant Professor of Ophthalmology

- 1995-2004 University of Illinois at Chicago Department of Ophthalmology and Visual Sciences
Director Ocular HIV/AIDS Clinic
Associate Director Uveitis Service
- 2004-present University of Illinois at Chicago Department of Ophthalmology and Visual Sciences
Director Ocular HIV/AIDS Clinic
Director Uveitis Service

Sponsored Research Studies

- 2006 - Co-Investigator. Posurdex in DME. A 3-Year, Phase 3, Multicenter, Masked, Randomized, Sham-Controlled Trial to Assess the Safety and Efficacy of 700 ug and 350 ug Dexamethasone Posterior Segment Drug Delivery System (DEX PS DDS) Applicator System in the Treatment of Patients with Diabetic Macular Edema (Allergan Pharmaceuticals).
- 2006 - Co-Investigator. Posurdex in RVO. A 3-Year, Phase 3, Multicenter, Masked, Randomized, Sham-Controlled Trial to Assess the Safety and Efficacy of 700 ug and 350 ug Dexamethasone Posterior Segment Drug Delivery System (DEX PS DDS) Applicator System in the Treatment of Patients with Retinal Vascular Occlusions (Allergan Pharmaceuticals).
- 2006 - Co-Investigator. Posurdex in Anterior Uveitis. – A 6-week, Phase 3, Multicenter, Masked, Randomized Trial (with a 20-week Masked Safety Extension) to Assess the Safety and Efficacy of 700 ug and 350 ug Dexamethasone Posterior Segment Drug Delivery System (DEX PS DDS) Applicator System Compared with Sham DEX PS DDS Applicator System in the Treatment of Non-Infectious Ocular Inflammation of the Anterior Segment in Patients with Anterior Uveitis
- 2005- Principal Investigator. MUST trial: Multicenter Uveitis Steroid Treatment Trial. A randomized comparison of the fluocinolone steroid implant (Retisert) compared to standard of care for non-infectious intermediate, posterior and panuveitis. NEI sponsored
- 2004-2005 Principal Investigator. Anti-microbial activity of methotrexate in an experimental endophthalmitis model (Abraham J. and Phyllis Katz Foundation, \$9,500, Illinois Society for the Prevention of Blindness, \$3,100, Awarded First Place Beem-Fisher award by Chicago Ophthalmological Society 2005, Awarded best senior resident research project UIC June 2005)
- 2003 – 2004. Principal Investigator. Intravitreal methotrexate as a treatment for experimental autoimmune uveitis in a rabbit model (Illinois Society for the Prevention of Blindness, \$3,000)

- 2003 - 2005 Principal Investigator/Multi-center Trial: A phase I/IIa, Double-masked, Placebo-controlled, Multicenter Study Evaluating the Safety, Pharmacokinetics, Immunogenicity, and Clinical Response to Multiple Subcutaneous Administration of the Human Monoclonal Antibody to Human TNF Alpha (CNTO 148) in Patients with Intermediate Uveitis, Posterior Uveitis or Panuveitis. Centocor (\$71,488.00)
- 2002 – 2004 Principal Investigator/Multi-center Trial: Intravitreal fluocinolone acetonide implant in patients with non-infectious Uveitis. Bausch and Lomb Pharmaceutical. (\$251,848.00)
- 1999 – 2000 Efficacy of Pred Forte vs. Ioteprednol and generic prednisolone acetate in endotoxin induced uveitis (Illinois Society to Prevent Blindness, \$3,000)
- 1998 – 2005 Pregabalin BID Double-Blind Add-On Trial: A Randomized, Double-Blind, Placebo-controlled, Parallel Group, Multicenter Study in Patients with Partial Seizures (Warner- Lambert Protocol 1008-034-025). Subinvestigator
- 1998 –2005 Pregabalin BID Open-Label Add-On Trial: An Open-Label, Multicenter Follow-On Study to Determine Long-Term Safety and Efficacy in Patients with Partial Seizures (Warner- Lambert Protocol 1008-035-025). Subinvestigator
- 1997 – 2000 Randomized controlled trial of Plaquenil vs placebo in patients with sarcoid uveitis (Illinois Society to Prevent Blindness, \$3,000)
- 1995 –1999 Principal Investigator ISIS Pharmaceuticals Clinical Trials of Fomivirsen (total funding: \$63,560.00):
- Randomized Controlled Clinical Trial of Intravitreal Fomivirsen for Treatment of Newly Diagnosed Peripheral Cytomegalovirus in Patients with AIDS.
- Safety of Intravitreal Fomivirsen for Treatment of Cytomegalovirus in Patients with AIDS
- Randomized Dose-Comparison Studies of Intravitreal Fomivirsen for Treatment of Cytomegalovirus that has Reactivated or is Persistently Active Despite Other Therapies in Patients with AIDS.

Current Unfunded research Projects

JA. Smith, F Mackensen, N. Sen, J. Friedlin, A. S. Watkins, H. Tessler, D. Pyatetsky, R. Nussenblatt¹, JT Rosenbaum, G. Reed, J.R. Smith, D.A Goldstein.
Epidemiology and course of disease in childhood uveitis. Submitted to Ophthalmology.

B. Meghpara, G. Sulkowski, MR. Kesen, HH. Tessler, DA. Goldstein. Long-term follow-up of patients with acute retinal necrosis and progressive outer retinal necrosis.
Manuscript In preparation

Outcome of fluocinolone acetonide implant in Birdshot Retinochoroidopathy. Joint study with Bascom Palmer (Janet Davis).

O. Sahin, V Setlur, FS. Oh, G. Sulkowski, MR. Kesen, DA. Goldstein. Long term follow up of patients treated with high-dose, short-term chlorambucil for sight-threatening ocular inflammation: A follow-up study. Data collection in progress

FS. Oh, HH. Tessler, DA Goldstein. Etiologies of pediatric uveitis. Contemporary Ophthalmology. Manuscript in preparation.

A Birnbaum, O Sahin, W Huang, HH Tessler, DA Goldstein. Sarcoid uveitis masquerading as primary intraocular lymphoma. Manuscript in preparation

R Kapur, A Birnbaum, M Shapiro, M Blair, DA Goldstein, HH Tessler. Silicone oil in the management of uveitic hypotony. Submitted to AJO

F Oh, D Choi, A Birnbaum, HH Tesler, DA Goldstein. Clinical diagnosis of ocular sarcoidosis. Data being collected.

. A Birnbaum, HH Tessler, DA Goldstein. Chronic iridocyclitis: Has 30 years of medical knowledge decreased the percentage of disease that is idiopathic? Manuscript in preparation.

. J Abassian, M Wong, M Kesen, F Oh, HH Tessler, DA Goldstein. Serologic markers in patients with uveitis and a family history of inflammatory bowel disease. Data being collected

L Hyunh, B Megbara, M Wong, A Birnbaum, D. Choi, DA Goldstein. Pars planitis: Presentation, clinical course, and outcome in younger vs. older children and young adults. In preparation.

A Birnbaum, F Oh, D Choi, HH Tessler, DA Goldstein. Pediatric ocular sarcoidosis. Manuscript in preparation

Committees

Panel Chair for Uveitis. AAO COMPASS committee. 2007 - present

Member, Ophthalmic Knowledge Base panel for Uveitis, American Academy of Ophthalmology, 2003 – present

Member, Resident Education Committee, Department of Ophthalmology, University of Illinois at Chicago, 2004 – present

Member, American Academy of Ophthalmology Focal Points Editorial Review Board, 2001 – 2005

Member, Resident Selection Committee, Department of Ophthalmology, University of Illinois at Chicago, 1995-2000, 2002-present

Member Senate, University of Illinois at Chicago, 1998- 2001

Member, Resident Education Committee, Department of Ophthalmology, University of Illinois at Chicago, 1998- 2001

Member, American Academy of Ophthalmology, Committee for the Medically Underserved, 1997- 2000

Member, Public and Professional Activities Committee, Department of Ophthalmology, University of Illinois at Chicago, 1997-1999

Member, Marketing Subcommittee, External Relations Committee, Department of Ophthalmology, University of Illinois at Chicago,

Chair, Departmental Credentials Committee, Department of Ophthalmology, University of Illinois at Chicago, 1995-Present

Chairman, Quality Assurance Liaison Committee, Department of Ophthalmology, University of Illinois, 1999-2000

Other Activities

Planning Group AAO Annual meeting uveitis subspecialty day, 2008

Chair and session organizer. Pediatric uveitis symposium. World Ophthalmology Congress, Hong Kong, June 30, 2008

Session Moderator. Sociedad Panamericana de Enfermedades Inflammatorias Oculares (SPEIO). Special Clinical Cases: Diagnosis and Treatment. .XXVII Pan-American Congress of Ophthalmology, Cancun, Mexico. June 1, 2007

Symposium organizer. Posterior uveitis: diagnosis and management. University of Illinois at Chicago. April 21, 2007

Session Moderator. Sociedad Panamericana de Enfermedades Inflammatorias Oculares (SPEIO). AAO. Las Vegas, Nevada, November 12, 2006

Faculty Advisor for medical students at the University of Illinois at Chicago, 1996 – 2002, 2005-present

American Academy of Ophthalmology 2003 Uveitis Subspecialty Day. Chair, Section IV: Infectious and Pediatric Uveitis and the Spondyloarthropathies, Anaheim, California, November 15, 2003

Program Chair, Clinical Challenges Day, University of Illinois at Chicago, Department of Ophthalmology, March 13, 2002

Program Chair, Clinical Challenges Day, University of Illinois at Chicago, Department of Ophthalmology, March 14, 2001

Director, Resident's General Eye Clinic, Department of Ophthalmology, University of Illinois, 1999-2001

Ad Hoc reviewer for Ophthalmology, American Journal of Ophthalmology, Archives of Ophthalmology, British Journal of Ophthalmology, Canadian Journal of Ophthalmology, Current Eye Research, Ocular Immunology and Inflammation, Journal of the American Association for Pediatric Ophthalmology and Strabismus, Retina, Journal of Ocular Pharmacology and Therapeutics, Ophthalmic Epidemiology, Retinal Cases and Brief Reports

Reviewing Editor: Ocular Immunology and Inflammation. 2006-

Public Service

Chicago Access Network Television (CAN-TV), Public Television for the City of Chicago. Illinois Society for the Prevention of Blindness. 25 minute, live, call-in public service program.

Feb. 13, 2002, AIDS/ Uveitis
Aug. 28, 2002, AIDS/ Uveitis
July 23, 2003, Ocular manifestations of AIDS
July 14, 2004, Uveitis
March 9, 2005, Uveitis
Jan. 25, 2006, Uveitis
August 30, 2006 Uveitis

Postgraduate Training

- 1994-1995 Fellowship in Ocular Immunology, University of Illinois at Chicago, Chicago, Illinois
Preceptors: Dr. Howard H. Tessler and Dr. J. Chandler
- 1993-1994 Fellowship in Uveitis and External Disease, Royal Victoria Hospital, McGill University, Montreal, Quebec
Preceptor: Dr. Jean Deschênes
- 1989-1993 Resident in Ophthalmology
McGill University, Montreal, Quebec
- 1988-1989 Resident in Internal Medicine
Jewish General Hospital, McGill University, Montreal, Quebec

Education

- 1984-1988 McGill University, Montreal, Quebec
Medical Doctor, Master of Surgery (MD, CM)
- 1980-1984 McGill University, Montreal, Quebec
Bachelor of Science with Great Distinction in Biology

Scholarships and Awards

- 2008 DUAG (Deutsche Uveitis-Arbeitsgemeinschaft) Uveitis Award for one of 3 best papers in clinical uveitis in previous year for DA Goldstein, DG Godfrey, A Hall, DG Callanan, GJ Jaffe, PA Pearson, DW Usner, TL Comstock.
Intraocular Pressure in Uveitis Patients Treated with Fluocinolone Acetonide Implants. Arch Ophthalmol (Archives Express) 2007 Nov;125(11):1478-85
- American Academy of Ophthalmology Senior Achievement Award
- Elected AOA as faculty member, UIC
- AAO Liaison for Education, American Uveitis Society. Ten uveitis papers in 2007 of most relevance to ophthalmic residents, May 5, 2008:
Goldstein DA, Godfrey DG, Hall A, Callanan DG, Jaffe GJ, Pearson PA, Usner DW, Comstock TL. Intraocular pressure in patients with uveitis treated with fluocinolone acetonide implants. Arch Ophthalmol 2007;125(11):1478-85.

Birnbaum AD, Tessler HH, Schultz KL, Farber MD, Gao W, Lin P, Oh F, Goldstein DA. Epidemiologic relationship between fuchs heterochromic iridocyclitis and the United States rubella vaccination program. *Am J Ophthalmol* 2007;144(3):424-8.

2007 Best poster. Epidemiology of Childhood Uveitis. 2007 Annual Meeting of the American Academy of Ophthalmology in New Orleans, Louisiana, November 10-13, 2007

2001-2008 Listed in Best Doctors in America

2001 American Academy of Ophthalmology Achievement Award

1997-1998 Golden Apple Award for Best Teacher in Ophthalmology

1985-1986 Faculty Scholar, Medicine
Awarded for Academic Excellence, top 10% of the Faculty

McConnell Award, Medicine
Awarded for Outstanding Academic Achievement, top 5% of the Faculty

1984-1985 McConnell Entrance Award, Medicine
Awarded for Outstanding Academic Achievement, top 5% of Entering Students

National Science and Engineering Research Council Summer Undergraduate Research Award

1983-1984 University Scholar
Awarded for Academic Excellence, top 10% of McGill Students

Muriel Roscoe Prize
Awarded to a graduating student of High Academic Merit in Biology

McGill Alumnae Society Prize
Awarded to a graduating student for Excellence and High Academic Standing

1982-1983 Faculty Scholar
Awarded for Academic Excellence, top 10% of the Faculty of Science

McConnell Award
Awarded for Outstanding Academic Achievement, top 5% of the Faculty of Science

Anne Macintosh Prize
Awarded for Academic Excellence, Faculty of Science

Logan Scholarship
Awarded for Academic Excellence, Biology

Memberships

American Uveitis Society
International Ocular Inflammation Society
American Academy of Ophthalmology
Association for Research in Vision and Ophthalmology
Chicago Ophthalmologic Society
Illinois State Medical Society
American Medical Association
Canadian Medical Association
Royal College of Physicians and Surgeons of Canada

Academic Teaching Activities

- 1994- present Clinical teaching in uveitis to residents, University of Illinois at Chicago Eye and Ear Infirmary
- 1993-1994 Monthly clinical teaching in uveitis and external disease to McGill ophthalmology residents, at the Montreal General Hospital
- 1993-1994 Monthly clinical teaching in uveitis and external disease to McGill ophthalmology residents, at the Royal Victoria Hospital
- 1993 Introduction to Clinical Sciences Course for Second Year Medical Students, McGill University, Ophthalmology Tutorial
- 1993 Minor Surgery and Office Procedures Course, Ophthalmology Section. Postgraduate Board, Royal Victoria Hospital, a Division of McGill University Continuing Education
- 1992 Introductory Course for Beginning Ophthalmology Residents, McGill University

Instructional Courses

1. American Academy of Ophthalmology MOC Exam Review Course. Core Ophthalmic Knowledge. Chicago, Illinois, July 26, 2008
2. American Academy of Ophthalmology MOC Exam Review Course. Uveitis Chicago, Illinois, July 25, 2008
3. Anterior Uveitis. Cleveland Clinic Cole Eye Institute. Innovations in Ocular Inflammatory Diseases Course. Cleveland, Ohio, March 8, 2008
4. Cataract Surgery in Uveitis. Cleveland Clinic Cole Eye Institute. Innovations in Ocular Inflammatory Diseases Course. Cleveland, Ohio, March 8, 2008
5. Scleritis and Sclerouveitis. American Academy of Ophthalmology Annual Meeting, New Orleans, Louisiana, November 11, 2007
6. How to evaluate a patient with uveitis. American Academy of Ophthalmology Annual Meeting, New Orleans, Louisiana, November 12, 2007
7. American Academy of Ophthalmology MOC Exam Review Course. Uveitis Chicago, Illinois, July 27, 2007

8. American Academy of Ophthalmology MOC Exam Review Course. Core Ophthalmic Knowledge. Chicago, Illinois, July 28, 2007
9. Scleritis and Sclerouveitis. American Academy of Ophthalmology Annual Meeting, Las Vegas, Nevada, November 14, 2006
10. American Academy of Ophthalmology MOC Exam Review Course. Uveitis Chicago, Illinois, July 21, 2006
11. American Academy of Ophthalmology MOC Exam Review Course. Core Ophthalmic Knowledge. Chicago, Illinois, July 22, 2006
12. Scleritis and Sclerouveitis. American Academy of Ophthalmology Annual Meeting, Chicago, Illinois, October 17, 2005
13. Symposium: Uveitis for the (other) Sub-Specialist. Bascom Palmer Eye Institute, Miami, Florida, February 4 -5, 2005.
14. Scleritis. XXVI Congreso Mexicana de Oftalmologia. Veracruz, Mexico, August 8, 2004
15. Treatment of Toxoplasmosis. XXVI Congreso Mexicana de Oftalmologia. Veracruz, Mexico, August 9, 2004
16. American Academy of Ophthalmology Lifelong Education for the Ophthalmologist Clinical Update Course on Uveitis, American Academy of Ophthalmology Annual Meeting, Anaheim, California. November 17, 2003
17. A Practical Clinical Approach to Intraocular Inflammation and Infection. Moorfield's Eye Hospital, London, England, July 8 – 9, 2003
18. Scleritis and Sclerouveitis. American Academy of Ophthalmology Annual Meeting, New Orleans, November 13, 2001
19. Scleritis and Sclerouveitis. American Academy of Ophthalmology Annual Meeting, Dallas, October 23, 2000
20. Scleritis and Sclerouveitis. American Academy of Ophthalmology Annual Meeting, Orlando, October 26, 1999
21. Scleritis and Sclerouveitis. American Academy of Ophthalmology Annual Meeting, New Orleans, November 11, 1998

Presentations

1. Featured speaker. Cataract surgery in uveitis. Medical College of Georgia Annual Eye Center Symposium, McCormick, S. Carolina, June 20, 2008
2. Featured speaker. Anterior uveitis. Medical College of Georgia Annual Eye Center Symposium, McCormick, S. Carolina, June 20, 2008
3. Featured speaker. Posterior uveitis. Medical College of Georgia Annual Eye Center Symposium, McCormick, S. Carolina, June 21, 2008
4. Invited speaker. Scleritis for the non-ophthalmologist. Rheumatology conference. University of Illinois at Chicago, June 11, 2008
5. Invited speaker. Ogden Surgical Medical Conference, Ogden, Utah, May 15, 2008
6. Invited Speaker. St. Louis Ophthalmological Society, Update on Therapy for Uveitis: The Fluocinolone Acetonide Implant. St Louis, Missouri, March 20, 2008
7. Visiting Professor. Washington University Department of Ophthalmology. St Louis, Missouri, March 20, 2008
8. Keynote Speaker. Retisert steroid implant. Sociedad Panamericana de Enfermedades Inflamatorias Oculares (SPEIO), American Academy of Ophthalmology Annual Meeting, New Orleans, Louisiana, November 11, 2007
9. Invited speaker. New paradigms in immunosuppressive therapy for keratitis and scleritis. 5th Annual Corneal, Cataract and Refractive Surgery Symposium. Chicago, IL, October 19, 2007
10. Invited speaker. Pediatric Poster Uveitis. Pediatric Retina Symposium. University of Illinois, Chicago, Illinois, October 10, 2007.
11. Invited speaker. Retisert. Sociedad Panamericana de Enfermedades Inflamatorias Oculares/ International Ocular Inflammation Society. Subspecialty day joint symposium. XXVII Pan-American Congress of Ophthalmology, Cancun, Mexico. May 30, 2007
12. Invited speaker. Biologic drugs in uveitis. XXVII Pan-American Congress of Ophthalmology, Cancun, Mexico. May 31, 2007
13. Invited speaker. A case for retinal biopsy. Sociedad Panamericana de Enfermedades Inflamatorias Oculares. Special Clinical Cases: Diagnosis and Treatment. XXVII Pan-American Congress of Ophthalmology, Cancun, Mexico. June 1, 2007
14. Invited speaker. What's new in the diagnosis and treatment of uveitis. Clinical updates from the AAO and ICO practice guidelines and the AAO COMPASS curriculum. XXVII Pan-American Congress of Ophthalmology, Cancun, Mexico. May 31, 2007

15. Invited speaker. Pediatric Behcet's disease. XXVII Pan-American Congress of Ophthalmology, Cancun, Mexico. May 31, 2007
16. Speaker. Intravitreal therapy for posterior uveitis. 1st Annual Uveitis Symposium: Posterior uveitis diagnosis and management. University of Illinois at Chicago. April 21, 2007
17. Invited Speaker. Uveitis in Children. Department of Pediatrics. University of Chicago, March 29, 2007
18. Invited Speaker. Scleritis and Episcleritis. Department of Rheumatology, University of Illinois at Chicago, Chicago, February 28, 2007
19. Invited Speaker. Scleritis and Episcleritis. Department of Rheumatology, University of Chicago, November 21, 2006.
20. Visiting Professor. University of Colorado Department of Ophthalmology, Denver, October 28, 2006
21. Invited Speaker Cataract surgery in the uveitic patient. 4th Annual Corneal, Cataract and Refractive Surgery Symposium: Recent Advances in Anterior Segment Surgery. University of Illinois at Chicago, October 13, 2006
22. Invited Speaker Biologic therapy for the treatment of pediatric uveitis. UIC Pediatric Ophthalmology and Strabismus Symposium. University of Illinois at Chicago, September 27, 2006
23. Invited Speaker. Update on local therapy for uveitis. Proctor Foundation, University of California San Francisco. September 19, 2006
24. Invited Speaker Update on HIV and the eye. Department of Infectious Disease. University of Illinois at Chicago, September 15, 2006
25. Guest Speaker. Update on Immunosuppression in Uveitis: Biologic Therapies. Ocular Inflammation symposium, Minneapolis, September 9, 2006
26. Guest Speaker. Update on Immunosuppression in Uveitis: Steroid implants. Ocular Inflammation symposium, Minneapolis, September 9, 2006
27. Guest Speaker: Rosenbaum Lecture. Uveitis Update. Casey Eye Institute, Oregon Health and Science University, August 5, 2005
28. Visiting Professor. Cincinnati Society of Ophthalmology. March 8, 2006
29. Visiting Professor. Northwestern University School of Medicine, Department of Ophthalmology. March 3, 2006
30. Guest Speaker. Uveitis 2005. Milwaukee Ophthalmologic Society. November 22, 2005

31. Invited Speaker. Medical College of Wisconsin, department of Ophthalmology. Posterior Uveitis. White dot syndromes. November 23, 2005.
32. Invited Speaker. Chicago Curriculum in Ophthalmology. Posterior Uveitis. November 12, 2005.
33. Invited Speaker. Fuchs Iridocyclitis: A new look at an old disease. Uveitis Subspecialty Day Meeting. American Academy of Ophthalmology Annual Meeting. Chicago, Illinois. October 15, 2005
34. Invited Speaker. Los Angeles Society of ophthalmology. What's new in the treatment of uveitis. October 6, 2005
35. Invited Speaker. University of California San Francisco department of Ophthalmology. What's new in the treatment of uveitis. October 6, 2005
36. Invited Speaker. Oregon Health Sciences University, Department of Ophthalmology. Uveitis 2005, Masquerade Syndromes, HIV and the Retina. Portland, Oregon, August 5, 2005
37. Invited Speaker. XXVI Congreso Mexicana de Oftalmologia. Intermediate Uveitis. Veracruz, Mexico, August 7, 2004
38. Invited Speaker. XXVI Congreso Mexicana de Oftalmologia. Update on treatment of uveitis. Veracruz, Mexico, August 7, 2004
39. Invited Speaker. New Horizons in the Treatment of Uveitis. Women in Ophthalmology Meeting. Park City, Utah, July 30, 2004
40. The Effect of Intravitreal methotrexate In a Rabbit Model of Experimentally Induced Uveitis. Association for Research in Vision and Ophthalmology. Ft. Lauderdale, Florida. April 24, 2004
41. Visiting Professor University of Toronto, department of Ophthalmology, Toronto, Canada, September 18 – 19, 2003
42. Invited Speaker: CMV Retinitis: Forgotten but not gone. HIV Breakfast Club meeting, Chicago, Illinois, October 1, 2003
43. Invited Speaker: CMV Retinitis: Forgotten but not gone. Southside Providers network meeting, Chicago, Illinois, October 15, 2003
44. Invited Speaker: The eye and rheumatologic disease. University of Illinois at Chicago Rheumatology Series. March 19, 2003
45. Invited Guest Speaker: Annual Buffalo Ophthalmology Symposium. Buffalo, New York, June 8, 2001
46. Invited Guest Speaker: Resident Graduation, Department of Ophthalmology, Medical College of Georgia, June 2001

47. Invited Speaker: The Eye in Pregnancy. University of Chicago Department of Obstetrics and Gynecology, Division of Maternal-Fetal Medicine. Chicago, Illinois, April 12, 2001
48. Visiting Professor: McGill University, department of Ophthalmology, Montreal, Canada, March 28, 2001
49. Speaker: Update on Immunosuppression in Uveitis. University of Illinois at Chicago Clinical Challenges Day. March 14, 2001
50. Invited Speaker: Pigmented Hypopyon in a Child. Pan American Uveitis Society Meeting, Dallas, Texas, October 22, 2000
51. Invited Speaker: Update on CMV Retinitis: Association of Technical Personnel in Ophthalmology Annual Meeting Scientific Sessions and Workshop. Orlando, Florida, October 25, 1999
52. Invited Speaker: Pars Planitis. UIC Pediatric Ophthalmology and Adult Strabismus Symposium, University of Illinois at Chicago, September 18, 1999
53. Invited Speaker: The Eye in Pregnancy. University of Chicago Department of Obstetrics and Gynecology, Chicago, Illinois, July 9, 1999
54. Invited Guest Speaker: Retina Society of Guadalajara Posterior Uveitis Symposium, Guadalajara, Mexico, June 18, 1999
55. Invited Speaker: Long-term Follow-up of Patients Treated with High-Dose Short-Term Chlorambucil for Intractable Uveitis. American Uveitis Society Meeting, Aspen, Colorado, January 16, 1999
56. J. Shen, D. Goldstein, E. Torczynski. Aspergillus Retinitis. Hogan-Theobald Society, San Diego, California, 1999
57. Poster presentation: Long-term Follow-up of Patients Treated with High-Dose Short-Term Chlorambucil for Uveitis. American Academy of Ophthalmology Annual Meeting, New Orleans, November 8, 1998
58. Poster presentation: Phase Three Results of the Efficacy and Safety of Fomivirsen in the Treatment of CMV Retinitis. American Academy of Ophthalmology Annual Meeting, New Orleans, November 8, 1998
59. Invited Speaker: Update on CMV Retinitis. University of Illinois at Chicago College of Pharmacy: The Health of the Eye: Issues and Updates. Lisle, Illinois, March 21, 1997
60. Invited Speaker: American Academy of Ophthalmology Centennial meeting forum: Community-Based Outreach Programs for the Medically Underserved. Chicago, Illinois, October 28, 1996.

61. Invited Speaker: AIDS and the Eye: CMV Retinitis: 1996. Association of Technical Personnel in Ophthalmology Annual Meeting Scientific Sessions and Workshop. Chicago, Illinois, October 28, 1996.
62. J. Moy, E. Cole, H. Tessler, D. Goldstein. Incidence of Multiple Sclerosis in Patients with Pars Planitis. American Uveitis Society Annual Meeting . Chicago, Illinois, October 28, 1996.
63. Invited Speaker: Ophthalmologic Changes in Endocrine Disease. Endocrinology Conference. University of Illinois at Chicago, February 6, 1996
64. Invited Speaker: AIDS and the Eye. Department of Ophthalmology and Visual Sciences, University of Illinois at Chicago Immunology Seminar Series. Chicago, Illinois, January 10, 1996
65. Invited Speaker: Ocular Manifestations of AIDS. Society of Ophthalmic Medical Assistants in Chicago Lecture Series, Chicago, Illinois, December 12, 1995.
66. H. Tessler, J. Flores-Guevara, D. Goldstein. Retinal Vascular Occlusion and Scleroderma. American Uveitis Society, October 30, 1995.
67. Invited Speaker: Ocular complications of AIDS. Michael Reese Hospital, Department of Internal Medicine, Chicago, Illinois, October 20, 1995
68. Invited Speaker: AIDS and the Eye. Family Practice Faculty Development conference series. University of Illinois at Chicago, College of Medicine. August 15, 1995
69. Poster presentation: D.A. Goldstein, A.A. Mis, J.G. Deschênes, M.N. Burnier: Iris Atrophy in Herpes Simplex Uveitis. Association for Research in Vision and Ophthalmology Meeting, Fort Lauderdale, Florida, May 14, 1995
70. D. Goldstein, A. Duclos, M.G. Baines, M. Burnier, E. Anteck, J. Deschênes: Chemokinetic properties of ophthalmic drugs. International Congress of Ophthalmology 1994. Toronto, June 26-30, 1994
71. J. Deschênes, D. Goldstein, R. Lewandowski, A. Cabrera, M. Burnier: Multiple ocular infection in AIDS patients. International Congress of Ophthalmology 1994. Toronto, June 26-30, 1994
72. Invited Speaker: AIDS and the Eye. Ophthalmic Allied Health Personnel. International Congress of Ophthalmology 1994. Toronto, June 26-30, 1994
73. M.N. Burnier, Jr., R. Lewandowski, A. Cabrera, D. Goldstein, J. Deschênes: Multiple ocular infections in AIDS patients. Sixth International Symposium of the Immunology and Immunopathology of the Eye. Washington, D.C., June 24, 1994.
