

## Curriculum Vitae

**Charlotte Enns Joslin, O.D., Ph.D.**

Assistant Professor  
Department of Ophthalmology and Vision Sciences  
College of Medicine  
University of Illinois at Chicago

**Date** April 30, 2009

### Contact Information

Business Address: University of Illinois at Chicago  
Eye and Ear Infirmary  
UIC Eye Center (MC648)  
1855 West Taylor Street, Suite 3.164  
Chicago, IL 60612-7243  
312-996-5410  
312-996-4255 fax

### Education and Training

#### Undergraduate Education

Illinois Wesleyan University, Bachelor of Arts in Biology, May 1993

#### Professional Education

The Ohio State University College of Optometry  
Doctor of Optometry, June 1997

Clinical Externship:

Cleveland VA Medical Center, Brecksville and Wade Park Divisions

#### Residency

Jesse Brown (formerly West Side) VA Medical Center, Chicago, Illinois  
July 1997 – June 1998

Blind Rehabilitation Center, Hines VA Hospital, and Hines, Illinois  
July 1997 – June 1998

#### Graduate Education

School of Public Health, University of Illinois at Chicago, Chicago, Illinois  
Doctor of Philosophy, Division of Epidemiology  
August 2004 – May 2009  
Dissertation: The association between *Acanthamoeba* keratitis and domestic water exposure in the Chicago area  
Dissertation Advisor: Faith G. Davis, PhD

## **Licensure and Certification**

Illinois, DPA and TPA certification, 1998 - present

National Board of Examiners in Optometry, Parts I-III and TMOD, 1996 – 1997

## **Employment History**

### **Academic Appointments**

Clinical Instructor, Illinois College of Optometry

Primary Care, Contact Lens and Low Vision Clinics, Illinois Eye Institute

August 1998 – June 1999

Visiting Assistant Professor of Optometry in Ophthalmology, Dept. of Ophthalmology and

Visual Sciences, University of Illinois at Chicago

July 1999 – July 2001

Associate Professor of Ophthalmology, Department of Ophthalmology and Visual

Sciences, University of Illinois at Chicago

July 2001 – present

Teaching Assistant, Division of Epidemiology and Biostatistics, School of Public Health,  
University of Illinois at Chicago, Spring 2008

Advanced Quantitative Methods in Epidemiology, EPID501

### **Hospital Appointments**

Attending Staff, Department of Ophthalmology and Visual Sciences, University of Illinois  
at Chicago, July 1999 – present

Consulting Staff, Department of Surgery, Division of Optometry, Jesse Brown (formerly  
West Side) VA Medical Center, Chicago, Illinois, May 2000 - present

Attending Staff, UIC Department of Ophthalmology, Michael Reese Hospital, Chicago,  
Illinois, May 2001 – 2005

(Expired due to decreasing clinic availability with K23 award FTE requirements)

### **Private Practice Experience**

North Suburban Vision Consultants, Deerfield, Illinois, August 1998 - February 2000

## **Professional Society Memberships**

Association for Research in Vision and Ophthalmology

American College of Epidemiology

Society for Epidemiologic Research

International Society for Environmental Epidemiology

International Society of Exposure Science

American Public Health Association

American Academy of Optometry

Illinois Chapter of the American Academy of Optometry

Beta Sigma Kappa Honorary Society

Chicago Area Contact Lens Society

## **Honors and Awards**

Beta Sigma Kappa Honor Society

The Ohio State University, College of Optometry, 1995

Vistakon American Academy of Optometry Travel Fellowship Award

December, 1996

Alcon Award of Excellence in Clinical Contact Lens Care

The Ohio State University, College of Optometry, 1997

Fellow, American Academy of Optometry

December 1999 – present

Summer Invitational Research Institute, 2000 and 2002

American Academy of Optometry and American Optometric Association

Mentored Patient-Oriented Research Career Development Award, 2004

National Eye Institute

Campus Research Board, 2005

University of Illinois at Chicago

Award for Outstanding Research at the Doctoral Level, 2006

UIC School of Public Health

Delta Omega Honor Society National Poster Competition

Poster selected for presentation as 1 of 19 posters at the Delta Omega Poster Session  
American Public Health Association Annual Meeting, November 2006

Midwest Eye-Banks, Investigator Award, 2006

Midwest Eye-Banks

Prevent Blindness America, Investigator Award, 2006

Prevent Blindness America

Ezell Fellowship, 2006 – 2007

American Optometric Foundation

Diplomate, Contact Lens Section, American Academy of Optometry

December 2007 – present

Expert Group Corresponding Member, Vision and Hearing Loss Expert Group,

Global Burden of Diseases, Injuries and Risk Factors Study (GBD Study)

January 2008 – present

Award for Outstanding Research at the Doctoral Level, 2008

UIC School of Public Health

Prevent Blindness America, Investigator Award, 2008

Prevent Blindness America

Group Award for Public Health Epidemiology and Lab Research, CDC National Center for Zoonotic, Vector-Borne, and Enteric Diseases. Award acknowledging efforts made as part of the *Acanthamoeba* Keratitis Outbreak Investigation Team, 2008

International Society of Exposure Analysis and International Society for Environmental Epidemiology Joint Conference, 2008. Student Poster Award Winner in the area of Human Exposure Science, 2008.

Haenszel Research Award, 2009  
UIC School of Public Health

## **Administrative Service**

### **Institutional Service**

- 1999 - Faculty Advisory Committee  
Secretary, 2005 - 2008
- 2003- Oral Practice Examination Committee  
Chair, 2003 - 2006
- 2004 - Residency Education Committee, Member
- 2004 - Research Committee, Member
- 2004 - Chicago LIERI Lions Eye, Member
  
- 2007 Panelist, Career Development Panel. UIC, School of Public Health  
Presented experiences as a K-awardee in a campus-wide seminar targeted to junior faculty members interested in applying for career development awards

## **National Service**

### **Centers for Disease Control and Prevention, *Acanthamoeba* Keratitis Outbreak Investigation Team, Consultant**

Shared unpublished research data and UIC *Acanthamoeba* keratitis surveillance data with CDC officials that resulted in initiation of national outbreak investigation, and assisted in study design and survey development. Continue to provide UIC *Acanthamoeba* keratitis surveillance data.

Team awarded the Group Award for Public Health Epidemiology and Lab Research, CDC National Center for Zoonotic, Vector-Borne, and Enteric Diseases

### **Government Meetings and Presentations**

Ophthalmic Devices Panel, Food and Drug Administration (FDA), Center for Devices and Radiological Health Advisory Committee, "Comments pertaining to contact lens care systems" on behalf of the American Academy of Optometry. Washington, DC, June 10, 2008.

Contact Lens Microbiology Workshop. Co-sponsored by the Food and Drug Administration (FDA), Contact Lens Association of Ophthalmologists, American Optometric Association, the American Academy of Ophthalmology, and American Academy of Optometry. Invited on behalf of the FDA; the workshop purpose is to begin developing new testing methods and standards to evaluate disinfection efficacy of contact lens care products. January 22 – 23, 2009.

2007 Panelist, Training/Career Development Awards for Junior Faculty Annual Meeting of the American College of Epidemiology, Ft. Lauderdale, FL. Provided perspectives as a successful K-awardee on the career development award application process including reviewer feedback.

## Teaching Service

### Clinical Teaching

Illinois Eye Institute

Optometry students, third and fourth-year

1998 – 1999 Primary Care, Contact Lens and Low Vision Clinics,  
Attending  
4 – 5 students, 5 half days per week

University of Illinois at Chicago

Ophthalmology Resident Training

(Expired due to restricted clinic availability with K23 award FTE requirements)

1999 – 2004 Contact Lens Service, Attending  
1 resident, one half day per week

1999 – 2004 General Eye Clinic, Attending  
6 residents, two half day per week

2001 – 2004 UIC Eye Clinic at Michael Reese Hospital, Attending  
2 residents, two half day per week

Fellow Training: Contact Lens Service, Attending Physician  
2002 – 2003 Shelley Wu, OD; two half days per week  
2006 – 2007 Victoria Butcko, OD; two half days per week

Jesse Brown (formerly West Side) VA Medical Center  
VA optometry residents (WOC)

### Didactic Teaching

Illinois College of Optometry

Laboratory Instructor:

CLE 365.1 (Contact Lenses I). Fall 1998

CLE 262.1 (Accommodation and Binocular Assessment). Summer 1999

Laboratory Coordinator:

CLE 367 (Low Vision). Spring 1999

CLE 262.2 (Clinical Techniques). Winter 1998

University of Illinois at Chicago

Department of Ophthalmology and Vision Sciences

Resident Refraction Course, 1999 - present

6 residents, ~6 medical students

12 hours lecture/lab annually

Oral Practice Examination Committee

Chair, July 2003 – 2006

Developed an annual oral practice examination administered to all  
UIC ophthalmology residents and interested fellows

First Oral Practice Examination administered January, 2005

School of Public Health

Illinois Math and Science Academy presentation. Designed to teach basic epidemiologic principles and public health awareness. "Acanthamoeba keratitis: Why in the eye?" January 8, 2008.

Northwestern University's Center for Talent Development for gifted high school students. Designed to teach basic epidemiologic principles and public health awareness. "Acanthamoeba keratitis: Contributing factors." March 28, 2008.

Teaching Assistant, Division of Epidemiology and Biostatistics  
Advanced Quantitative Methods in Epidemiology, EPID501 (restricted to epidemiology doctoral students). Spring 2008

Jesse Brown (formerly West Side) VA Medical Center  
VA Optometry Residents, 2000 – present  
3 residents, 2 – 3 lecture hours annually

### Invited Presentations

1. Corneal Refractive Therapy. Illinois College of Optometry. September 10-13, 2002.
2. Scientific Session Moderator: Optics and Refraction. Annual Meeting of the American Academy of Optometry, December 4, 2003.
3. Higher Order Wavefront Aberrations in Corneal Refractive Therapy. Special World Summit Symposium on Corneal Refractive Therapy by Overnight Contact Lens Wear. Sponsored by Contact Lens Association of Ophthalmologists through an educational grant from Paragon Vision Sciences, in conjunction with the Annual Meeting of the Association for Research in Vision and Ophthalmology. April 29 – May 1, 2004.
4. Is “whole eye” wavefront analysis helpful to Corneal Refractive Therapy? Global Orthokeratology Symposium, Toronto, Canada, July 23, 2004.
5. Determining corneal power for IOL calculation in post-refractive surgery patients. Loyola University Chicago, Department of Ophthalmology, Chicago Subspecialty Guest Lecture Series, Maywood, IL, August 11, 2004.
6. Scientific Session Moderator: Contact lenses - design/fitting, complications, visual performance, aberrations. Annual Meeting of the American Academy of Optometry, December 12, 2004.
7. IOL Calculations following LASIK. Optometric Council on Refractive Therapy; pre-meeting to the American Academy of Optometry, December 6, 2006.
8. Panelist, Career Development Panel. University of Illinois at Chicago, School of Public Health, February 27, 2007.
9. Panelist, Training/Career Development Awards for Pre-Docs, Post-Docs and Junior Faculty. Annual Meeting of the American College of Epidemiology, September 17, 2007, Ft. Lauderdale, FL.

10. Scientific Session Moderator: Silicone hydrogel issues. Annual Meeting of the American Academy of Optometry, October 25, 2007.
11. Chicago-area Acanthamoeba Keratitis Outbreak. 25th Biennial Cornea Conference, Schepens Eye Research Institute, Harvard Medical School, Boston, Massachusetts. Sponsored by Schepens Eye Research Institute, Harvard Medical School; Mass Eye and Ear Infirmary; Tufts University Center for Eye Research and Boston University School of Medicine. October 12-13, 2007.
12. *Acanthamoeba* keratitis: Why in the eye? UIC School of Public Health Intersession presentation to Illinois Math and Science Academy. January 8, 2008.
13. *Acanthamoeba* keratitis: Contributing factors. Presentation to Northwestern University's Center for Talent Development for gifted high school students. UIC School of Public Health, March 28, 2008.
14. *Acanthamoeba* keratitis: Why the eye? Illinois Eye Fund Board of Directors Meeting, University of Illinois at Chicago, May 28, 2008.
15. Comments pertaining to contact lens care systems. Presented position statement on behalf of the American Academy of Optometry. Food and Drug Administration (FDA) Ophthalmic Devices Advisory Panel, Center for Devices and Radiological Health Advisory Committee, Washington, DC, June 10, 2008.
16. Scientific Session Moderator: Corneal Disease/Contact Lenses. Annual Meeting of the American Academy of Optometry, October 24, 2008.
17. Chicago-area Acanthamoeba Keratitis Outbreak. University of Houston College of Optometry, Periopsia Seminar Series, Houston, TX, December 2, 2008.
18. Chicago Area Acanthamoeba Keratitis Case-Control Study Update. Contact Lens Microbiology Workshop. Co-sponsored by the Food and Drug Administration (FDA) and professional organizations. January 22 – 23, 2009.
19. Acanthamoeba Keratitis: Challenges, Epidemiology and Risk Factors. Bausch & Lomb Scientific Advisory Board Meeting. January 29, 2009
20. Joslin CE. The epidemiology of *Acanthamoeba* keratitis. International Society of Contact Lens Researchers (ISCLR): invited speaker. Crete, Greece. August 2009.

#### **Invited Speaker for Continuing Medical Education**

21. Orthokeratology: A New Millennium? UIC Cornea Symposium, University of Illinois at Chicago, September 26, 2001.
22. Orthokeratology: How Good is it Today? UIC Cornea Symposium, University of Illinois at Chicago, March 5, 2003.
23. Higher Order Wavefront Aberrations in Corneal Refractive Therapy. UIC Resident-Alumni Day, University of Illinois at Chicago. June 11, 2003.
24. Corneal reshaping – good, bad, or other? Ophthalmology Update, Punta Cana, Dominican Republic. Sponsored by University of Illinois at Chicago, University of Iowa and Washington University St. Louis. April 1, 2005.

25. Determining corneal power and IOL calculation in post-refractive surgery patients. Ophthalmology Update, Punta Cana, Dominican Republic. Sponsored by University of Illinois at Chicago, University of Iowa and Washington University St. Louis. April 2, 2005.
26. Corneal power and IOL calculation in post-refractive surgery patients. UIC Resident-Alumni Day, University of Illinois at Chicago. June 8, 2005.
27. Chicago-area Acanthamoeba Keratitis Outbreak. UIC Resident-Alumni Day, University of Illinois at Chicago. June 7, 2006.
28. An update on the Chicago-area Acanthamoeba Keratitis Outbreak. UIC Cornea and Refractive Surgery Symposium. October 20, 2006.
29. *Acanthamoeba* keratitis – where do we stand now? UIC Alumni Day, University of Illinois at Chicago. June 22, 2007.
30. Chicago-area Acanthamoeba Keratitis Outbreak. UIC Cornea and Refractive Surgery Symposium. October 19, 2007.
31. An update on the Chicago area *Acanthamoeba* keratitis investigation. UIC Alumni Day, University of Illinois at Chicago. June 20, 2008.
32. *Acanthamoeba* keratitis – when will the outbreak end? UIC Cornea and Refractive Surgery Symposium. October 17, 2008.
