

ALLEN M. PUTTERMAN, MD

CURRICULUM VITAE

BORN: May 19, 1938
Beloit, Wisconsin

MARRIED: Wife: Lynett
Daughter: Jill

EDUCATION: University of Wisconsin B.S. 1960
Madison, Wisconsin

University of Wisconsin M.D. 1963
Medical School
Madison, Wisconsin

Website Address: www.drputterman.com
Email Address: puttermanmd@hotmail.com

POSTGRADUATE TRAINING: Rotating Internship 1963-1964
Cook County Hospital
Chicago, Illinois

Ophthalmology Residency 1966-1969
Michael Reese Hospital and Medical Center
Chicago, Illinois

Focus Ophthalmic 1969
Surgery Program,
supervision of Dr. J. Robert Fitzgerald
Port DuPaix, Haiti

Fellowship Ophthalmic June-Oct. 1969
Plastic and Reconstruction Surgery under direction of Dr. Byron Smith
Manhattan Eye, Ear and Throat Hospital

MILITARY SERVICE: Captain, United States Air Force 1964-1966
Honorable Discharge

FACULTY POSITIONS: Professor of Clinical Ophthalmology 1970-Present
Chief, Oculoplastic Surgery Service
University of Illinois
Chicago, Illinois

Senior Attending and Director 1969-Present
Ophthalmic Plastic Surgery

Michael Reese Hospital and & Medical Center Chicago, Illinois	
Chief of Ophthalmology Michael Reese Hospital Chicago, Illinois	1995-Present
Consultant Ophthalmic Plastic and Reconstructive Surgery Cook County Hospital Chicago, Illinois	1969-Present
Consultant Oculoplastic Surgery Columbus Hospital Chicago, Illinois	1971-1985
Orbit Society	1976-Present
Consultant Oculoplastic Surgery, West Side VA Hospital Chicago, Illinois	1978-Present
American Board of Ophthalmology	1982-Present
Blepharoplasty Society	1985-Present
Attending Illinois Masonic Hospital	1985-Present
Professor of Maxillofacial Surgery Northwestern Hospital	July 1995-Present
PROFESSIONAL SOCIETIES:	
Executive Secretary, American Society of Ophthalmic Plastic and Reconstructive Surgery	Jan. 1978-1980
President American Society of Ophthalmic and Plastic and Reconstructive Surgery	Jan. 1981-1982
Chairman, Advisory Board	Jan. 1982-1983
Vice President Chicago Ophthalmological Society	May 1991-1992
American Society of Ophthalmic Plastic and Reconstructive Surgery Fellowship Preceptor	1977-Present
Fellow, American College of Surgeons	1975-Present
Fellow American Society of Ocularists	1973-Present

Fellow, American Academy of Ophthalmology	1971-Present
Fellow, American Society of Aesthetic Surgery	1973-1980
American Medical Association	1969-Present
Illinois Medical Society Chicago Medical Society	1969-Present
Chicago Ophthalmological Society	1971-Present
President, Chicago Ophthalmologic Society	1993-1994
American Academy of Cosmetic Surgery 1975-present	
American Society of Ophthalmic Plastic and Reconstructive Surgery Fellowship Preceptor	1977-Present
Aesthetic Society 1997-present	
Life Membership in American Academy Of Ophthalmology 2007.	

COMMITTEES:

Member, American Academy of Ophthalmology CETV Committee	1978-1984
Member, American Academy of Ophthalmology Recertification	1978-Present
American Society of Ophthalmic Plastic and Reconstructive Surgery Preceptor Committee	1980-Present
Member, Certification Committee - American College of Surgeons	1986-Present
Member, Advisory Board of The Foundation for the Facially Disfigured	1992
Wendell Hughes Lecture Committee	1992-Present
Northern Illinois Chairman of the Bruce Spivey Educational Trust Campaign of the American Academy of Ophthalmology.	1994
Board Member, Illinois Society for the Prevention of Blindness	1995

Member Metropolitan Chicago District #1 Committee
In Applicants of the American College of Surgeons
1987-Present

JOURNAL ASSIGNMENTS:	Editorial Board American Journal of Ophthalmology	1985-Present
	Editorial Board Ophthalmic Surgery	1979-Present
	Oculoplastic Surgery Scientific Reviewer, Ophthalmology	1982-Present
	Oculoplastic Surgery Reviewer, Archives of Ophthalmology	1985-Present
	Editorial Board- Ophthalmic Plastic and Reconstructive Surgery	1983-Present
	Editorial Board Oculosurgery News	1995-Present
LICENCES:	Practice Medicine Illinois, Wisconsin, New York and California	
BOARD CERTIFIED:	Ophthalmology	1971

PUBLICATIONS:

PRESENTATIONS OF PAPERS AND MAJOR LECTURES

1. Isolation of the Facial Nerve in the Treatment of Essential Blepharospasm. Chicago Ophthalmological Society, Feb., 1970. Hong Kong Ophthalmological Society April, 1970. American Society of Ophthalmic Plastic and Reconstructive Surgery, Sept., 1970. Chicago Otolaryngology Society, 1972.
2. Surgical Treatment of Upper Eyelid Retraction. American Medical Association Meeting, June, 1971. American Society of Ophthalmic Plastic and Reconstructive Surgery Meeting, Sept., 1971. Chicago Ophthalmological Society Meeting, Feb., 1972.
3. Course: Radiology in Ophthalmology and Otolaryngology, Sponsored by University of Illinois.
 1. Dacryocystography 1971, 1972, 1973, 1974, 1975.
 2. Evaluation of orbital tumors 1972, 1973, 1974, 1975.
4. Ophthalmological and Radiological Findings in Sphenoidal Mucoceles. American Academy of Ophthalmology and Otolaryngology, Sept. 1972.
5. Treatment of Absent Lacrimal Puncta. Byron Smith Study Club, Sept., 1972.
6. Course: Aging face, sponsored by American Academy Facial and Plastic Surgery and University of Illinois.
 1. Complications of cosmetic blepharoplasty 1972, 1974.
 2. Teaching of blepharoplasty technique on live-closed-circuit TV. 1972, 1974.
7. Manhattan Eye, Ear, Nose and Throat Hospital Oculoplastic Surgery Meeting, March 1972.
 1. Baggy eyelids--a true hernia.
 2. Surgical treatment of upper eyelid retraction.

3. Anatomy of orbital septum.

8. American Academy of Facial Plastic and Reconstructive Surgery Meeting, April 1973.
 1. Enophthalmos
 2. Eyelid Tumors

9. Transconjunctival Isolation and Transcutaneous Resection of Levator Muscle. Chicago Ophthalmological Society, Jan. 1973. American Society of Ophthalmic Plastic and Reconstructive Surgery, Sept., 1973.

10. Non-surgical Management of Blow-out Fractures of Orbital Floor. Chicago Oral Surgery Society, 1972. North American Medical-Dental Association, Feb., 1974. Plastic and Reconstructive Surgery Meeting on Orbital Surgery, March 1974.

11. A Simplified Levator Recession. Byron Smith Study Club, Sept. 1973. American College of Surgeon's Meeting. Oct. 1973.

12. A Clamp for Strengthening Müller's Muscle in the Treatment of Ptosis. American Society of Ophthalmic Plastic and Reconstructive Surgery. Sept. 1972.

13. A Clamp of the Transconjunctival Isolation and Transcutaneous Resection of Levator Muscle. American Society of Ophthalmic Plastic and Reconstructive Surgery, Sept. 1973.

14. Use of the Retinal Cryoprobe in the Surgical Management of Orbital Tumors. Byron Smith Study Club, Sept. 1974.

15. Fixation of Pyrex Tubes in Conjunctival-dacryocystorhinostomy. Byron Smith Study Club, Sept. 1974.

16. Müller's Muscle-Conjunctival Resection in the Treatment of Blepharoptosis. American Society of Ophthalmic Plastic and Reconstructive Surgery Meeting, Sept. 1974.

17. Surgical Treatment of Ocular Manifestations of Thyroid Disease. North American Medical-Dental Association Meeting, Feb. 1975.

18. Management of Patients With Essential Blepharospasm. Second International Meeting of Plastic and Reconstructive Surgery of the Head and Neck, June 1975.

19. Radiology in Ophthalmology. American Academy of Ophthalmology and Otolaryngology Meeting, Sept. 1975.

20. Acquired Blepharoptosis. American Academy of Ophthalmology and Otolaryngology Meeting, Sept. 1975.

21. Temporary Blindness after Cosmetic Blepharoplasty. American Society of Ophthalmic Plastic and Reconstructive Surgery Meeting, Dallas, TX, Sept. 1975.

22. Deep Ocular Fornix Reconstruction in Total Socket Contracture. American Society of Ocularists, Dallas, TX. Sept. 1975.

23. Lutheran General Hospital: Plastic Surgery meeting, Jan. 1975.
 1. Complications of cosmetic blepharoplasty.
 2. Surgical treatment of eyelid tumors.

24. American Academy of Facial Plastic Surgery Meeting, Jan. 1975.

1. Complications of cosmetic blepharoplasty.
25. Presbyterian St. Luke's Hospital: Plastic surgery conference, June 1975.
 1. Complications of cosmetic blepharoplasty
 2. Surgical treatment of eyelid tumors.
26. American Academy of Facial Plastic Surgery Workshop Facial Flaps and Grafts, April, 1975.
27. American Society of Plastic and Reconstructive Surgery Convention on Plastic Surgery in the Orbital Region, March, 1974.
 1. Nonsurgical management of blow-out fractures of the orbital floor.
28. Second International Meeting of Plastic and Reconstructive Surgery of the Head and Neck.
 1. Eyelid surgery in enophthalmos after blow-out fractures and exophthalmos after thyroid disease. June 1975.
29. Loyola Medical School Ophthalmology Meeting, July, 1975.
 1. Surgical treatment of eyelid tumors.
30. North American Medical-Dental Association Meeting, Colorado, Feb. 1976.
 1. Surgical treatment of eyelid tumors.
31. Bicentennial Congress of Ophthalmic Surgery, Scheie Institute, May, 1976.
 1. Ptosis surgery.
32. Reconstruction of deep ocular socket and late management of blow-out orbit fractures. American Academy of Ophthalmology and Otolaryngology. Las Vegas, Oct. 1976, courses:
 1. Ptosis
 2. Socket Surgery
 3. Orbital Evaluation
33. Rush-Presbyterian Plastic Surgery Conferences, May and June 1977.
 1. Reconstruction of eyelids after cancer surgery.
 2. Surgical treatment of ocular manifestations of thyroid disease.
 3. Deep ocular socket reconstruction.
34. National American Medical-Dental Association Meeting, Feb. 1977, Snowmass, CO.
 1. Late management of orbital fractures.

 2. Müller's muscle conjunctival resection ptosis procedure
 3. Reconstruction of contracted ocular socket
68. The First Ophthalmology Society Meeting, Mexico City, Mexico, February, 1982.
1. Reconstruction of the eyelid after tumor resection
 2. Müller's muscle conjunctival resection ptosis procedure
 3. Treatment of thyroid upper eyelid retraction
 4. Reconstruction of the contracted ocular socket
69. Connecticut Society of Eye Physicians, October, 1982.
1. Reconstruction of defects caused by eyelid lacerations and traumatic avulsions
 2. Cicatricial ectropions caused by trauma or burns and then repair with z-plasties and skin grafts
 3. Conservative management of blow-out fractures of the orbital floor
 4. Treatment of traumatic ptosis with the Müller's muscle conjunctival resection and levator advancement and tuck ptosis procedure
70. American Academy of Ophthalmology, San Francisco, CA, November, 1982.
1. Simultaneous treatment of dermatochalasis and eyelid pigmentation
 2. Complications of eyebrow ptosis surgery
 3. Ophthalmic radiology
 4. Treatment of failed lacrimal probings
 5. Super-maximum levator resection
71. Basic Ophthalmology Review Course, Wayne State University, Detroit, MI, 1983.
1. Basic oculoplastic surgery and orbital tumors. 4 hour presentation
72. North American Medical Dental Association Meeting, Colorado, March 1983.
1. Müller's muscle surgery
73. Kresge Eye Institute, Detroit, MI, May, 1983.
1. Orbital fractures
 2. Cosmetic blepharoplasty
74. The University of Kansas, May, 1983.
1. Upper lid blepharoplasty
 2. Evaluation of blepharoplasty patients
 3. Conservative management of orbital fractures
 4. Treatment and evaluation of thyroid ophthalmopathy and upper lid retraction
 5. Single tie reconstruction of eyelids

6. Reconstruction of contracted ocular socket
75. Orbit Society Meeting, Bath, England, July, 1983.
 1. Pseudorheumotoid orbital nodule
 2. CT scan tumors without proptosis
76. University of Maryland, Baltimore, MD, September 1983.
 1. Blepharoplasty - Evaluation and treatment
 2. Reconstruction of eyelid after exusion of eyelid tumors
77. Pediatric Ophthalmology, Chicago, September 1983.
 1. Ptosis - evaluation and treatment.
78. American Academy of Ophthalmology, Chicago, IL, November, 1983.
 1. Satellite CT scans - orbit society meeting
 2. Meibomian gland carcinoma masquerading as carcinoma-in-situ Byron Smith study club
 3. Complications of ptosis surgery - ptosis one hour Academy course
 4. Basic orbit radiology - two hour course with Galdino Valvassori, M.D.
79. Basic Science Course, Wayne State University, Detroit, MI, November, 1983.
 1. Oculoplastic surgery and orbital tumors - four hour lecture
80. Methodist Hospital - Oculoplastic surgery update, Indiana, March, 1984.
 1. Ptosis
 2. Orbital fractures
 3. Cosmetic surgery - brow lift and blepharoplasty
81. North Central American Academy of Ophthalmology Regional Update Course. St. Louis, MO, March 1984.
 1. Blepharoplasty
 2. Lower eyelid reconstruction
82. North American Medical Dental Association Meeting, Snowmass, CO, March, 1984.
 1. Evaluation of Cosmetic Oculoplastic Surgery patients and brow lift.
83. Long Island Jewish Hospital, New Hyde Park, NY, March 1984.
 1. Cosmetic Oculoplastic Surgery
84. North Shore University Hospital, Manhasset, NY, March 1984.
 1. The excision of Müller's muscle & levator recession in the upper lid to treat thyroid ophthalmopathy.
 2. Müller's muscle conjunctival resection ptosis procedure.
 3. Reconstruction of the eyelid with a viable composite graft-temporal semicircular skin flap.
85. American Society of Ophthalmic Plastic and Reconstructive Surgery, Inc. Pinehurst, NC, March, 1984.
86. University of Illinois, Chicago, IL, Basic Oculoplastic Surgery. May 10-11, 1984.
87. Orbital Society Meeting, Dayton, OH, June 23, 1984.
 1. Treatment of metastatic hemangiopericytoma.
 2. Orbital osteoblastoma.
88. Facial cosmetic surgery, East Bank Club, Chicago, IL, Sept. 1984, Course Director of 3 one hour lectures.

1. Cosmetic Oculoplastic Surgery lecture.
89. Sixteenth Annual Scientific Congress of the Royal Academy of Australian Ophthalmologists & the Ophthalmological Society of New Zealand, Sydney, Australia, October 1984.
 1. Reconstruction of the contracted socket
 2. Müller's muscle-conjunctival resection procedure for ptosis.
90. Sydney Eye Hospital, Sydney, Australia, Oct. 1984.
 1. Reconstruction of the eyelids after excision of eyelid tumors.
91. Illinois Society of Ophthalmology and Otolaryngology, Chicago, IL, Oct. 1984.
 1. Simplistic reconstruction of the eyelid after removal of eyelid tumors.
 2. Cosmetic Oculoplastic Surgery.
92. American Society of Ophthalmic and Reconstructive Surgery, Inc., Atlanta, GA, Nov. 1984.
 1. Congenital lower eyelid retraction with Jim Karesh, M.D.
 2. Combined viable composite graft - temporal semicircular skin flap procedure. ASOPRS
 3. Soft tissue implants & camouflage techniques in treatment of enophthalmic. ASOPRS
 4. Reconstruction of contracted ocular socket with Jim Karesh, M.D.
93. AAO Ocularist Meeting.
 1. Basic Orbit radiology course with Galdino Valvassori, M.D.
 2. Ptosis Course - Complications of ptosis with Lawrence Katzen, M.D.
 3. Ocular socket surgery course- with Jim Karesh, M.D.
 4. Müller's muscle in the treatment of ptosis - Wendell Hughes Lecture.
 5. Amyloid of eyelid - case report - Byron Smith Study Club.
 6. Dacryoadenitis of the lower eyelid - case report - orbital society meeting.
94. Pittsburgh Ophthalmological Society, Pittsburgh, PA, Dec. 1984.
 1. Reconstruction of the eyelid after removal of eyelid tumors.
 2. Cosmetic Oculoplastic Surgery.
95. Michael Reese Hospital Woman's Board, Chicago, IL, Dec. 1984.
 1. Cosmetic Oculoplastic Surgery.
96. Contact Lens Association, Jan, 1985.
 1. Nuances in lower eyelid blepharoplasty.
 2. Chairman and discussor of the ocular adnexa and anterior chamber.
97. American Society of Ophthalmic Plastic and Reconstructive Surgery, Sarasota, Florida, Mar. 1985.
 1. Interstitial keratopathy following levator resection surgery.
98. Basic Ophthalmology Review Course, University of Illinois Eye and Ear Infirmary, Chicago, IL, April 1985.
 1. Basic oculoplastic surgery.
 2. Orbital tumors. (3 hour presentation).
99. University of Western Ontario, London, ON, Canada, May 1985.
 1. Cosmetic Oculoplastic Surgery. (London, Wendell Hughes Honorary Lecture).
 2. Eyelid anatomy.
 3. Biopsy of eyelid tumors.
 4. Müller's muscle in the treatment of ptosis and eyelid retraction.
 5. Do's and Don'ts of eyelid surgery.
 6. Combined composite graft - temporal semicircular skin flap.

100. Jewish Community Center - May 1984
 1. Chairman 4 lectures on cosmetic surgery.
 2. Lecture - cosmetic blepharoplasty.

101. Bethesda Eye Institute, St. Louis, MO, May, 1985.
 1. Müller's muscle in the treatment of ptosis and eyelid retraction.
 2. Contracted ocular socket.
 3. Cosmetic blepharoplasty.
 4. Reconstruction of the eyelid.

102. University of Illinois Eye and Ear Infirmery Alumni Day, Chicago, IL, May 1985.
 1. Blepharo pigmentation.
 2. Müller's muscle in the treatment of ptosis and retraction of the upper lid.
 3. Facial neurectomy to treat essential blepharospasm. (With Dr. Fett.)

103. Orbit Update - hosted meeting Chicago, IL, July 1985
Lectured on:
 1. Cryosurgical extraction of orbital tumors.
 2. Angiomas.
 3. Thyroid ophthalmopathy.
 4. Orbital fractures.

104. Orbit Society Meeting hosted meeting in Chicago, July 1985.
Presented cases on:
 1. Orbital papillomas.
 2. Necrobiotic xanthogranuloma.

105. American Academy of Ophthalmology Meeting, San Francisco, CA, October, 1985
Lectured on:
 1. Müller's muscle resection in the treatment of enophthalmic ptosis with Karesh, J., ophthalmologist meeting.
 2. Treatment of ocular pain by blepharoplasty at the Blepharoplasty Society Meeting.
 3. A new dacryocystorhinostomy tube - Byron Smith Study Club.
Gave courses in:
 1. Ocular socket surgery with J. Karesh, M.D.
 2. Blepharoptosis surgery with Katzen.
 3. Orbital radiology with Valvassori.
 4. Ocular and orbital trauma.
 5. Cosmetic blepharoplasty with Katzen.

106. American Society of Ophthalmic Plastic and Reconstructive Surgery Meeting, San Francisco, CA, October 1985.
Lectured on:
 1. Spontaneous granulation in orbital exenteration.

107. Oculoplastic Surgery Dissection Course, University of South Florida, February 27, 28 and March 1, 1986.
Lectured on:
 1. Blepharoplasty.
 2. Ptosis surgery.
 3. Osteology.
 4. Orbital fractures and supervised orbital and eyelid cadaver dissections.

108. American Society of Contemporary Ophthalmology, Ft. Lauderdale, FL, March 14, 1986.
Lectured on:
 1. Upper eyelid blepharoplasty - current trends and shared symposium on complications of blepharoplasty.
109. Orbit Society Meeting, Philadelphia, PA, March 15, 16, 1986.
Presented cases:
 1. Recurrent orbital histiocytoma.
 2. Orbital osteoblastoma.
110. Chicago Curriculum, Chicago, IL, March 1986.
Lectured on:
 1. Eyelid anatomy.
 2. Ptosis.
 3. Lacrimal evaluation and surgery.
 4. Reconstruction of the eyelid after excision of eyelid tumors.
111. Alumni Day, University of Illinois at Chicago, Chicago, IL, May 21, 1986.
 1. Fine needle aspiration for diagnosis of orbital tumors.
 2. Orbital osteoblastoma.
112. ASOPRS Meeting, Tucson, AZ, May 1986
Case presentation on patient with abnormal appearing blood vessels after cosmetic blepharoplasty.
113. Consultant, American Academy of Ophthalmology Focal Points 1986: Clinical Modules for Ophthalmologists. Vol. IV Module 11: Diagnosis and Management of Blunt Orbital Trauma.
114. University of South Florida oculoplastic surgery cadaver dissection course, Feb. 1986, Tampa lectures.
 1. Blepharoplasty
 2. Ptosis surgery
 3. Osteology
 4. Orbital fractures
 5. Supervised orbital and eyelid cadaver dissections.
115. Contemporary Ophthalmology Meeting. Florida lecture, March 1986.
 1. Current trends in upper blepharoplasty
 2. Complications of cosmetic eyelid plastic surgery.
116. Orbital Society Meeting, Philadelphia, PA, March 1986. Cases presented:
 1. Orbital osteoblastoma
 2. Recurrent fibrous nistiocytoma
117. Mount Sinai 100th Annual Ophthalmology Meeting, Minneapolis, MN, Sept. 1986.
Guest lecturer:
Current trends in Ophthalmology
 1. Complications of Cosmetic Oculoplastic Surgery
 2. Basic oculoplastic surgery
118. American Academy of Ophthalmology meeting, New Orleans, LA, Nov., 1986.
ASOPRS Meeting: Conjunctival map biopsy to determine pagetoid spread. Blepharoplasty Society

Byron Smith Study Club: Modified conjunctival dacryocystorhinostomy tube

Discussion of Wojno's paper on the incidence of extraocular muscle and nerve palsy in orbital floor fractures.

Courses:

1. Radiology in Ophthalmology
2. Ptosis
3. Cosmetic Oculoplastic Surgery

119. Orbit Society xanthogranuloma of the orbit, New Orleans, LA, Nov., 1986.
120. XXIX Congress of the Society of Portugal Ophthalmologists, Dec. 1986. Guest lecturer:
 1. Müller's muscle in the treatment of upper eyelid ptosis and retraction
 2. Combined composite graft semicircular flap technique
 3. Cosmetic Oculoplastic Surgery
121. Lecture Meeting, University of Texas-Galveston, March 1987.
 1. Ptosis
 2. Cosmetic oculoplastic
122. Acapulco, Mexico, Feb, 1987
Lectured on:
 1. Cosmetic Oculoplastic Surgery and live ptosis and cosmetic surgery under tape display,
123. Alumni Day, University of Illinois Eye and Ear Infirmary, Chicago, IL, May 1987.
 1. Conjunctival map biopsy to determine pagetoid spread co-presenter
 2. Recurrent Jones tube extrusions treated with modified glass tube
 3. Thyroid ocular myopathy characteristics
124. American Academy of Ophthalmology Regional Update Course, April 1987.
Lectures:
 1. Chalazia, pterygia, pinguecula
 2. Conjunctival tumors
125. Illinois Eye and Ear Infirmary Lectures 1987-1988.
July - Evaluation and treatments of ptosis
Jan & Feb - MR & CT imaging in orbital tumors
April - Cosmetic Oculoplastic Surgery
126. Illinois Eye and Ear Infirmary Research Presentation
 1. Surgical lasers
 2. Chalazia surgical- steroid treatment
 3. Dilemmas in treatment of benign mixed cell tumors of lacrimal gland
127. Orbit Society Meeting, Mayo Clinic, Rochester, MN, June, 1987.
Presented cases:
 1. Dilemmas in the diagnosis and treatment of lacrimal gland benign mixed cell tumors
128. American Academy of Ophthalmology Regional Update Course, Chicago, Sept. 1987.
Chairman Oculoplastic and orbit section lectured
 1. Surgical management of thyroid ophthalmopathy
 2. Evaluation of the Cosmetic Oculoplastic Surgery patient.
129. Visiting Professor, Manhattan Eye and Ear Infirmary, Chicago, IL, Sept. 1987.
 1. Cosmetic Oculoplastic Surgery
 2. Evaluation and treatment of upper eyelid ptosis

130. Noon Conference, Oculoplastic Surgery Innovations, University of Illinois, Chicago, IL, July 17, 1987.
 1. Laser oculoplastic surgery.
 2. Silastic lacrimal intubation
 3. Chalazia surgery and steroids
 4. Benign mixed cell tumors of the lacrimal glands.

131. American Academy of Ophthalmology Meeting, Dallas, TX. Nov. 1987.
Epstein, Putterman: Combined chalazion excision and steroid injection.
 1. Millman, Putterman: Steroid treatment of blowout fractures
 2. Migliori, Putterman: Modified tube results in CDCR.
 3. Migliori, Putterman: Six weeks silicone intubation in nasolacrimal duct probing
 4. Putterman: Upper eyelid margin in cosmetic blepharoplasty.
 5. Byron Smith Study Club: AIDS Blepharoplasty - operate or not?

132. Annual Board and MRI Meeting, Michael Reese Hospital, Chicago, IL, Feb., 1988
Lectures:
 1. Chalazions
 2. Scalpel Laser
 3. Reconstruction of eyelid and socket in cryptophthalmos
 4. Orbital tumor needle biopsy
 5. Sebaceous adenoma

133. University of Colorado Ophthalmological Society Meeting, CO, Feb. 1988, Vail, CO lectures:
 1. Cosmetic Oculoplastic Surgery
 2. Evaluation and treatment of ptosis
 3. Pterygium, pingueculum and chalazion, conjunctival tumors
 4. Treatment of thyroid ophthalmopathy

134. Annual Meeting, Chicago Medical Society, Chicago, IL, March 1988.
 1. Surgical treatment of thyroid ophthalmopathy.

135. Alumni Day, University of Illinois, Chicago, IL, May, 1988.
 1. Fagien, Putterman: Update on Oculinum for essential blepharo-spasm, hemifacial spasm, and other related disorders.
 2. Folk, Putterman: The reverse Knapp operation for inferior rectus paresis.

136. University of Illinois Eye and Ear Infirmary, Chicago, IL, June 8, 1988.
Lectures Presented:
 1. Laser oculoplastic surgery
 2. Orbital needle biopsies
 3. MR versus CT scan imaging in optic nerve gliomas
 4. Treatment of cryophthalmos (hidden eyes).

137. Orbital Society Meeting, Vancouver, BC, Canada, June 17, 1988.
Lectures presented:
 1. MR versus CT scanning in optic nerve glioma evaluation
 2. Unusual presentations and treatment of mixed cell lacrimal gland tumors

138. First International Symposium on Orbital Plastic Surgery,
San Francisco, CA, June 20-24, 1988.
Lectures Presented:
 1. Current philosophy of surgical and non-surgical treatment blow-out fractures.

2. Surgical management of thyroid ophthalmopathy
 3. External conjunctivodacryocystorhinostomy
139. Annual Meeting, American Academy of Ophthalmology, Las Vegas, NV, October 2-12, 1988.
Lectures Presented:
1. Treatment of cicatricial entropion with anophthalmic socket constructure.
 2. Management of orbital blow out fractures.
- Courses Presented:
1. MR & CT imaging in diagnosis of orbital tumors and fractures
 2. Cosmetic Oculoplastic Surgery
 3. Management of ocular socket problems
 4. Treatment of eyelid ptosis complications
 5. Late management of orbital blow out fractures
140. Wills Eye Hospital, Philadelphia, PA, October 20, 1988.
Lectures:
1. Cosmetic Oculoplastic Surgery
Guest of honor at the Wills Eye Hospital Annual Ptosis Society dinner.
141. American College of Surgeons, Chicago, IL, October 24, 1988.
Videotapes presented:
1. Excision of Müller's muscle and recession of the levator aponeurosis in the treatment of thyroid lid retraction
 2. The Müller's conjunctival resection ptosis procedure
 3. Botulinum toxin injections in the treatment of blepharospasm
 4. Facial neurectomy in the treatment of essential blepharospasm
142. Otolaryngology Department Meeting, University of Illinois at Chicago, Chicago, IL, November 2, 1988.
1. Basic Oculoplastic Surgery
143. American Anaplastology Association, November 5, 1988.
1. Reconstruction of the contracted ocular socket and granulation of the exenterated orbit.
144. Plastic Surgery Meeting, Rush-Presbyterian-St. Luke Hospital, Chicago, IL, November 28, 1988.
1. Surgical management of thyroid ophthalmopathy.
 2. Current management of blow-out fractures of the orbital floor.
145. University of Illinois Eye and Ear Infirmary, Chicago, IL.
1. Evaluation and treatment of lacrimal problems and epiphora.
146. Michael Reese Hospital and Medical Center, Chicago, IL, January 16, 1989.
1. Management of thyroid ophthalmopathy.
147. University of Illinois Eye and Ear Infirmary, Chicago, IL, February 22, 1989.
1. Surgical management of thyroid ophthalmopathy
 2. Current management of orbital blow-out fractures.
148. Manhattan Eye Ear & Throat Hospital, New York, NY, March 10-11, 1989.
The Masters of Ophthalmic Plastic Surgery.
1. Performed surgery on live-video transmitted to TV sets in participants' classrooms. Surgery included 8 procedures on a patient with thyroid eye disease including Müller's muscle excision & levator recession developed by Dr. Putterman.
 2. Surgery performed on the second patient was upper lid ptosis

3. Lectured on the surgical treatment of thyroid ophthalmopathy and complications of Cosmetic Oculoplastic Surgery.
149. Annual Meeting, Indiana Academy of Ophthalmology, Indianapolis, IN, April 18, 1988.
Presented the following lectures:
 1. Current management of orbital blow-out fractures
 2. Surgical management of thyroid eye problems and cosmetic eyelid and brow surgery.
150. Chicago Ophthalmological Society Meeting, Chicago, IL, April 18, 1989.
 1. Three year experimentation on the contact YAG laser that cuts like a scalpel blade as it simultaneously coagulates blood vessels.
151. Alumni Day Meeting, The University of Illinois, Chicago, IL, May 24, 1989.
 1. Presented "The Conjunctival Flap-Cosmetic Shell Ptosis Procedure Treatment of Ptosis in the Patient with Severe Keratopathy.
 2. Co-authored "Müller's Muscle Conjunctival Resection Procedure in the Treatment of Ptosis in Horner's Syndrome. Presented by Herbert Glatt, M.D.
152. Orbital Society Meeting, Baltimore, MD, July 14-15, 1989.
 1. Malignant tear sac tumor that presented differently on CT scanning compared to surgically.
 2. Benign bone tumor that occurred following cosmetic surgery on the nose.
153. Ophthalmic Trauma Meeting, the University of Illinois Eye and Ear Infirmary, Chicago, IL, July 22, 1989.
Presented the following lectures:
 1. Eyelid and canalicular lacerations
 2. Management of orbital floor fractures.
154. Mount Sinai of Cleveland and University Hospitals, Cleveland, OH, August 26, 1989.
Presented two lectures:
 1. Müller's muscle resection ptosis procedure and management of ptosis complications.
 2. Management of blowout orbital fractures.
155. The University of Illinois Eye and Ear Infirmary, Chicago, IL, August 26, 1989.
Presented the following lectures:
 1. Müller's muscle resection ptosis procedure and management of ptosis complications.
 2. Management of blowout orbital fractures.
 3. Evaluation and treatment of lacrimal disorders.
156. The University of Illinois Eye and Ear Infirmary, Chicago, IL, September 20, 1989.
Presented the following lecture:
 1. Evaluation, treatment and complications of ptosis.
157. The American Academy of Ophthalmology, New Orleans, LA, October 27-November 1, 1989.
Presented the following papers:
 1. The conjunctival flap-cosmetic shell-ptosis procedure.
 2. Reconstruction on the eyelids after a doctor accidentally injected formaldehyde into the eyelids during cosmetic surgery.
 3. Co-presented: The use of steroids to help determine which orbital fractures to treat.
 - a. The late management of blow-out fractures
 - b. Cosmetic surgery of the brow and upper lid
 - c. MR and CT scans in orbital evaluation
158. Cosmetic Dermatological Surgery Seminar, Naples, FL, November 1-5, 1989.

Gave the following lectures:

1. Cosmetic blepharoplasty
 2. Reconstruction of the eyelids after excision of eyelid tumors.
159. Practical Diagnosis and Therapy of Thyroid Disease Meeting, Cook County Graduate School of Medicine, Chicago, IL, November 20, 1989. Presented the following lecture:
1. Thyroid Ophthalmopathy.
160. Plastic Surgery Conference, Rush-Presbyterian-St. Luke Hospital and Medical Center, Chicago, IL, November 20, 1989.
Presented the following lecture:
1. Cosmetic Oculoplastic Surgery
161. Canyon Ranch, Tucson, AZ, December, 1989
Presented the following lecture:
1. Cosmetic Surgery and Eyelid and Eye Brow
162. American Academy of Ophthalmology Clinical Module for Ophthalmologists. In Focal Points 1990.
1. Complications of Blepharoplasty
163. Visiting Professor, University of British Columbia, Vancouver, BC, Canada, Feb. 15-16, 1990.
Lectured on:
1. Ptosis
 2. Eyelid Tumors
 3. Chalazion Treatment
 4. Thyroid Ophthalmopathy
 5. Blow Out Orbital Floor Fractures
 6. Cosmetic Oculoplastic Surgery
164. Alumni Day, University of Illinois Eye and Ear Infirmary, Chicago, IL, May 1990.
Presented the following lectures:
1. Patient satisfaction in oculoplastic surgery
 2. Treatment of lower lid retraction in Graves ophthalmopathy.
165. University of Illinois Eye Trauma Symposium, Chicago, IL, July 1990.
Presented the following lectures:
1. Diagnosis and management of orbital fractures
 2. Potpourri of eye trauma.
166. University of Illinois Resident Lecture Series, Chicago, IL, July 1990.
Presented the following lecture:
1. Eye and orbital anatomy.
167. University of Illinois - Michael Reese Hospital Plastic Surgery Rounds, Chicago, IL, Sept. 1990.
Lectured on:
1. Cosmetic Oculoplastic Surgery.
168. Presentation at American Academy of Otolaryngology Meeting, San Diego, CA, Sept. 19, 1990.
1. Treatment of paralytic eyebrow ptosis and lagophthalmos with brow lift, tarsal strip and tarsorrhaphy.
169. Utah Ophthalmological Society Meeting, Salt Lake City, UT, October 18, 1990.
1. Blow-out Fractures

170. Ophthalmology-Guest and Lecturer, First Annual Clinical Faculty Day, University of Utah, October 19, 1990.
 1. Discussed patients at Grand Rounds
171. American Academy of Ophthalmology Meeting, October 1990.
 1. American Society of Ophthalmic Plastic and Reconstructive Surgery Meeting.
 - a. Paper on patient satisfaction in oculoplastic surgery.
 - b. Paper with Arthur Millman, MD on a new technique to treat congenital entropion.
 - c. Paper with Herb Glatt, MD. Treatment of basal cell cancers of eyelid with frozen section.
 2. Academy Courses:
 - a. Complication of ptosis surgery
 - b. Cosmetic surgery of eyebrows and upper lids.
 - c. Late management of blow-out fractures
 3. Orbit Society Meeting:
 - a. T1 and T2 MRI of optic nerve meningiomas
 4. Byron Smith Study Club:
 - a. Management of unusual meibomian gland eyelid cancer.
172. University of Illinois, Chicago, IL, January 23, 1991.
 1. Repair of Canalicular Lacerations
 2. Treatment of Chalazia
173. University of Illinois Eye Tumor Conference, Chicago, IL, Feb. 9, 1991.
 1. Simplistic Eyelid Reconstruction
174. Chicago Curriculum of Ophthalmology, Chicago, IL, 1991.
 1. Ptosis
 2. Blow-out fractures
 3. Thyroid ophthalmopathy
 4. Cosmetic Oculoplastic Surgery
175. Eighth Annual Symposium on Facial Plastic Surgery, New Brunswick, NJ, March 20, 1991.
 1. Cosmetic surgery of the eyelids and brows
 2. Surgical management of eyelid tumors
176. Scripps Clinic Pearls of Ocular Therapy, La Jolla, CA, March 23, 1991.
 1. Update on the management of orbital blow-out fractures.
 2. Current Cosmetic Oculoplastic Surgery techniques-including laser and internal blepharoplasty.
177. Facial Injury Management: State of the Art International Symposium. Chicago, IL, April 22, 1991.
 1. Ophthalmological and orbital evaluation of the trauma patient.
 2. Conservative and late management of blowout fractures.
178. Guest Lecturer, Practical Techniques in Ophthalmic Plastic Surgery, Beaumont Hospital, Detroit, MI, April 26, 1991.
 1. Treatment of upper eyelid retraction secondary to thyroid and over corrected ptosis.
 2. Avoiding complications in blepharoplasty.
179. Orbit Society Meeting, Atlanta, GA, May, 1991.
 1. A new technique to reconstruct orbit and orbital rim after treatment of adenoid cystic carcinoma of the lacrimal gland.

180. American Society of Ophthalmic Plastic and Reconstructive Surgery Meeting, Cape Cod, MA, June 18, 1991.
 1. Presented case of inferior nasal lower eyelid depression.
181. American Society of Contemporary Ophthalmology Meeting, Chicago, IL, June 27, 1991.
 1. Surgical Correction of thyroid related upper and lower eyelid retraction.
182. Annual Meeting, National Eye Trauma System, Chicago, IL, July 19, 1991.
 1. Moderator and organizer of oculoplastic and orbital trauma section.
 2. Orbital fracture lecture.
183. University of Illinois Eye and Ear Infirmary, Chicago, IL, August 28, 1991.

Lectured on:

 1. Evaluation of ptosis
 2. Müller's muscle-conjunctival resection.
184. American College of Surgeons, October 23, 1991.
 1. Frequently performed surgical procedures of the periocular and adnexal area of the eye.
185. University of Illinois Eye and Ear Infirmary, Chicago, IL, November 6, 1991.
 1. Cosmetic Oculoplastic Surgery Update.
186. Fall Meeting, New York Society for Clinical Ophthalmology.
 1. Cosmetic Oculoplastic Surgery Update.
187. American Academy of Dermatology, Dallas, TX, December 11, 1991.
 1. Cosmetic Oculoplastic Surgery
 2. Eyelid Tumors
 3. Eyelid and orbital anesthesia
188. International College of Surgeons Meeting, Chicago, IL, April 1992.
 1. Conservative management of orbital blow-out fractures.
 2. Update in cosmetic eyelid and brow surgery.
189. Orbit Society Meeting, Capri, Italy, June 1992.

Case Presentations:

 1. Optic nerve sarcoid.
 2. Congenital cerebral venous anomaly with 2o orbital vascular overflow.
190. Eyelid Rejuvenation Symposium, New York, NY, May 8-9, 1992.
 1. Coronal, hairline and eyelid approaches to the brow lifts.
 2. Müller's muscle resection ptosis procedures combined with upper blepharoplasties.
 3. External lower blepharoplasty.
 4. Laser blepharoplasty.
191. Annual Ophthalmic Classic Lecture, Royal Hawaiian Eye Meeting, Maui, HI, January 21, 1993.

Main lecturer:

 1. Simplified eyelid reconstruction techniques.
 2. Update on management of orbital blowout fractures.
 3. Cosmetic Oculoplastic Surgery.
 4. Müller's muscle conjunctival resection ptosis procedure.
 5. Treatment of canalicular lacerations.
 6. Excision - Kenalog chalazion procedure.
 7. Management of thyroid ophthalmopathy, including tarsal strip.

192. Aesthetic Surgery of the Aging Face, Indianapolis, IN, March 5, 1993.
Lectured on:
 1. Anatomy of eyelids.
 2. Combined blepharoplasty and eyelid ptosis surgery.
 3. Lower lid blepharoplasty with tarsal strip.
 4. Treatment of lower eyelid ectropion and retraction complicating blepharoplasty.
 5. Upper and lower blepharoplasty techniques.
 6. Complications of blepharoplasty.
 7. Complications of brow ptosis.
 8. Reconstruction of the eyelids following tumor surgery.

193. Visiting professor, Kresge Eye Institute, Detroit, MI, April 7, 1993.
Lectured on:
 1. Oculoplastic surgery
 2. Acquired blepharoptosis
 3. Management of orbital floor fractures.
 4. Commented on 14 orbital and oculoplastic patients presented at grand rounds.

194. Orbit Society Meeting, Snowbird, UT, April, 1993.
Presented a paper on MRI to distinguish orbital pseudotumors from lymphoma, and a case of adenocarcinoma of the lacrimal gland.

195. Visiting professor, Mount Sinai Hospital, New York, NY, April 28, 1993.
Lectured on:
 1. Cosmetic Oculoplastic Surgery
 2. Eyelid ptosis procedures
 3. Management of orbital blowout fractures
 4. Thyroid ophthalmopathy
 5. Simplified techniques of eyelid reconstruction
 6. The combined excision and Kenalog injection of chalazions

196. Franklin Eye Institute Spectrum Conference, Detroit, MI, October 16, 1993
 1. Update on Cosmetic Oculoplastic Surgery
 2. Current Management of Orbital Blowout Fractures

197. A.S.O.P.R.S. Meeting, Chicago, IL, November 1993.
Discussed paper on cross eyelid composite dermis-muscle-fat grafts.

198. Blepharoplasty Society, Chicago, IL, November 1993.
 1. Cicatricial diplopia following blepharoplasty
 2. New technique for internal brow lift.

199. Orbit Society, Chicago, IL, November 1993.
Presentation of case of congenital fibrosarcoma.

200. Washington Hospital Center, Washington, DC, January 29, 1994.
 1. Update Cosmetic Oculoplastic Surgery.
 2. Management of orbital blow-out fractures.
 3. Simplistic techniques to reconstruct the eyelid.

201. Symposium on Plastic Surgery of the Eyelids and Orbits, University of Texas, Galveston, TX, April, 1994.
 1. Müller's muscle: conjunctival resection ptosis procedure with upper blepharoplasty.

2. Lower eyelid reconstruction.
202. Guest lecturer, St. Louis Ophthalmological Society, St. Louis, MO, April 28, 1994.
 1. Current Management of Blowout Orbital Fractures.
203. St. Louis, MO, April 29, 1994.
Co-sponsor of a hands-on cadaver workshop on blepharoplasty and ptosis repair.
204. Alumni Day, University of Illinois, Chicago, IL, May 13, 1994.
 1. Treatment of Retracted Eyebrow through Eyelid Approach
205. ARVO, Florida, 1994.
Poster: Bodker F, Putterman AM, Milelich D, Vogel S. The Effect of Hyperthyroidism on Müller's Muscle Contractility in Rats.
206. University of Illinois Eye & Ear Infirmary, Chicago, IL, 08/25/04.
 1. Orbicularis flap in rejuvenation of lower eyelids and midface.
 2. Müller's muscle conjunctival resection ptosis procedure.
207. Michigan Ophthalmological Society Meeting, Detroit, MI, November, 1994.
Detroit Cosmetic Oculoplastic Surgery, Ophthalmologist's Last Arena for Fee for Service.
208. American Society of Ophthalmic Plastic and Reconstructive Surgery Meeting, San Francisco, CA, October, 1994.
Poster: Eyelid Incision Approach to Dacryocystorhinostomy Facilitated with a Mechanical Retraction System.
209. Blepharoplasty Society Meeting, San Francisco, CA, October, 1994.
 1. Treatment of Retracted Eyebrow through Eyelid Incision Approach.
 2. Treatment of Conjunctival Prolapse.
210. University of Illinois Eye and Ear Infirmary, Chicago, IL, December, 1994
Lectured on: Evaluation and Treatment of Epiphora.
211. Chicago Curriculum in Ophthalmology, January, 1995.
Lectured on:
 1. Cosmetic Oculoplastic Surgery.
 2. Management of Orbital Blowout Fractures.
 3. Simplistic Techniques to Reconstruct the Eyelids.
212. Alumni Day, University of Illinois, Chicago, Illinois, May 5, 1995.
Paper: Wedge Resection of Eyelid Margin in the Treatment of Abnormal Eyelid Margin.
213. Visiting Professor, Sinai Hospital, Baltimore, MD, June 15-16, 1995.
 1. Surgical Management of Thyroid Ophthalmopathy.
 2. Management of Orbital Blowout Fractures.
 3. Cosmetic Oculoplastic Surgery.
 4. Presided over Grand Rounds.
214. Endocrine Society Meeting, Washington, DC, June 16, 1995.
 1. Surgical Management of Thyroid Ophthalmopathy.
215. A.S.O.P.R.S. Meeting, Williamsburg, VA, June 26-28, 1995.
 1. Cases with diplopia following lower blepharoplasty and tarsal strip.

2. Case with loss of eyelid following chalazion surgery secondary to psoriasis or gangrenosa dermatitis.
216. Orbit Society Meeting, Cleveland, OH, July 1995.
 1. Mechanical Retraction System to Facilitate Orbital Surgery.
 2. Orbital Vaseline Granulomatosis Secondary to Endoscopic Nasal Surgery.
 3. Merkel Cell Eyelid Tumor.
217. Purnell Lecturer, University of Cleveland, Cleveland, OH, October 6, 1995.
 1. Cosmetics Oculoplastic Surgery. Ophthalmologist's last arena for fee-for-service.
 2. Management of orbital blowout fractures.
218. University of Illinois, Chicago, IL, October 11, 1995.
 1. Management of orbital blowout fractures.
219. A.S.O.P.R.S. Annual Meeting, Atlanta, GA, October, 1995.
 1. Poster on Wedge Resection to Treat Abnormal Eyelid Margin
 2. Copresenter of paper with Dr. Albert Cytryn on MRI Differentiation of Orbital Inflammatory Syndrome from Lymphoma
220. Blepharoplasty Society Meeting, Atlanta, GA, October, 1995.
 1. Case Presentation on Unilateral Endoscopic Forehead Lift
221. Orbit Society Meeting, Atlanta, GA, October, 1995.
 1. Case Presentation of Complicated Orbital Varix.
222. University of Illinois Eye and Ear Infirmary, Chicago, IL, Nov. 29, 1995.

Lecture: Surgical Management of Thyroid Ophthalmopathy.
223. Alumni Meeting, Manhattan Eye Ear and Throat Hospital, New York, NY, January 1996.

Update on Cosmetic Oculoplastic Surgery, Ophthalmologist's last arena for fee for service.

 - A. Endoscopic Forehead and Brow Lift
 - B. Mid Face Lift
 - C. Müller's Muscle Resection with Upper Blepharoplasty
 - D. Transconjunctival Blepharoplasty
224. CO2 Laser work for cosmetic skin resurfacing, Chicago, May 18, 1996.

Lecture on initial experience with Luxar laser in resurfacing lower eyelids and lips.
225. Maxillofacial Department Meeting, Northwestern University, June 10, 1996.

Lectures:

 1. Management of Orbital Blowout Fractures
 2. Cheek and Midface Lift through Lower Eyelid Incision
226. Ophthalmology Alumni Meeting, University of Illinois, June 19, 1996.
 1. Presented a paper on Intraoperatively Controlled Small Incision Forehead and Brow Lift.
227. Twentieth Anniversary, Orbit Society Meeting, Hidden Valley, PA, June 21, 1996.
 1. 20 Year Evolution of Radiological Techniques in the Evaluation of Orbital Pathology.
228. National Medical Association Meeting, Chicago, IL, July 29, 1996.

Oculoplastic Surgery Update
229. University of Illinois Eye and Ear Infirmary, Chicago, IL, July 31, 1996.

Reconstruction of the Eyelids After Tumor Resection.

230. Advances in Cosmetic Blepharoplasty and Browlift, St. Louis, MO, Sept. 20-21, 1996.
Lectured and demonstrated on cadaver.
 1. Müller's muscle Conjunctival Resection Ptosis Procedure with Upper Blepharoplasty
 2. Small Incision Endoscopic Forehead and Brow Lift
 3. Subperiosteal Cheek Lift
231. ASOPRS meeting, Chicago, IL, Oct. 26, 1996.
Paper on Small Incision Endoscopic Assisted Forehead Lift with Intraoperative Adjustment.
232. American Academy of Ophthalmology, Oculoplastic section, Chicago, IL, Oct. 27, 1996.
Reconstruction of the Anophthalmic Socket.
233. University of Illinois, Lecture to Residents, Chicago, IL, November 13, 1996.
What you can expect from cosmetic facial surgery.
234. Presentation to an event at Bliss Beauty Salon, November 17, 1996.
What you can expect from cosmetic facial surgery.
235. Dystonia Medical Research Foundation, Chicago Chapter Meeting, November 23, 1996.
Panel on Dystonia answering questions on treatment of blepharospasms, hemifacial spasms and Botox.
236. Snowbird, Utah, January 15-19, 1997.
Advances in Aesthetic Plastic and Reconstructive Surgery. Dr. Putterman lectured on:
 1. Small incision endoscopic assisted forehead and brow lifts.
 2. Cheek and midface lifts via lower eyelid blepharoplasty approach.
 3. Complications of cosmetic blepharoplasty.
237. New York Eye and Ear Infirmary, New York, April 18-19, 1997.
Lectures:
 1. Update in Cosmetic Oculoplastic Surgery.
 2. Management of Thyroid Ophthalmopathy.
 3. Current Management of Orbital blowout Fractures.
238. Alumni Day, June 10, 1997.
Fascia Lata Graft Patching for Extruding Retinal Implants. Presented by co-author Michael Burnstine, MD.
239. National Center for Advanced Medical Education, Chicago, IL - August 7, 1997
Comprehensive Review in Otolaryngology
 1. Eyelid and Orbit Anatomy
240. Northwestern University Plastic Surgery Dept., Evanston, IL Sept. 10, 1997
 1. Update on Cosmetic Oculoplastic Surgery.
241. Dystonia Medical Research Foundation, Chicago, Chapter meeting. Rush
Northshore Medical Center panel discussion on Dystonia Blepharospasm and Hemifacial Spasm.
Sept. 14, 1997
242. University of Illinois Endocrinology Conference, Chicago, IL Sept. 23, 1997
 1. Lectured on surgical treatment of thyroid ophthalmopathy
 2. Update in Cosmetic Oculoplastic Surgery in relation to Laser Surgery.

243. University of Chicago, Chicago, IL - October 16, 1997
 1. Update in Cosmetic Oculoplastic Surgery
 2. Cheek Lifts
 3. Endo-brow Lift
 4. Tarsal Strips
 5. Bleph and Mullers Resection
244. Blepharoplasty Society Meeting, San Francisco, CA, October 26, 1997.
Presentation of patient with lagophthalmos secondary to upper lid scarring to superior orbital rim.
245. Chicago Luxar Laser Course with Arthur Millman, MD - Nov. 15, 1997
Update in Cosmetic Oculoplastic Surgery in relation to Laser Surgery
246. Bliss Day Spa - Nov. 23, 1997
Lectured on Cosmetic Eyelid and Facial Surgery
247. New Orleans 1/30/98 American Academy of Cosmetic Surgery Meeting.
 1. Cheek-Mid Face lifts through lower blepharoplasty approach.
248. 03/04/98 University of Illinois-Participation Debate on Technique for Enucleation.
249. De Backer, C., Putterman, A., Zhou, L., Holck, D., Dutton, J., Age-Related Type Changes in Type-1 Collagen Synthesis in Human Eyelid Skin. Ophthal Plastic and Reconst. Surg. J. 14: 13-16, 1998.
250. 03/29/98 Illinois Blepharospasm Support Group Lecture.
 1. Blepharospasm types and treatment. Oak Park, IL
251. April 1998 - New York Eye and Ear Infirmary Course-Aesthetic Rejuvenation of the Upper Face.
 1. Oculoplastic perspective to surgery of the aging brow and mid-face.
 2. Taught endoscopic brow and forehead lift in cadaver dissection course.
252. 04/29/98 lectured at Northwestern Hospital Plastic Surgery Department.
 1. Management of Orbital Blow-out Fractures.
 2. Surgical Management of Thyroid Ophthalmology.
253. Cosmetic Ocular Plastic Surgery Presentation-Olga's Health Spa, May 4, 1998
254. Cosmetic Ocular Plastic Surgery Presentation-Olga's Health Spa, June 2, 1998
255. Michigan Ophthalmological Society Annual Meeting-Aug 13-16, 1998, Mickinac Island, MI
 1. Update in cosmetic oculoplastic and facial surgery - Part 1
 2. Update in cosmetic oculoplastic and facial surgery - Part 2
 3. Surgical Management of Thyroid ophthalmology.
256. Visiting Professor at Yale University-October 8, 1998.
 1. Update in Cosmetic Oculoplasty Surgery.
 2. Surgical Management of Thyroid Ophthalmology.
 3. Management of Orbital Blow-Out Fractures.
257. Olga's Spa, November 2, 1998, Cosmetic Oculoplastic Surgery.
258. American Society of Ophthalmic Plastic and Reconstructive Surgery Meeting-November 7, 1998, New Orleans.

1. Presented a paper with Dr. Noel Saks on Glabella Frown Lines-a New Finding in Thyroid Ophthalmology.
 2. American Academy of Ophthalmology November 9, 1998, New Orleans, Presented a paper with Dr. Michael Burnstine on Upper Blepharoplasty to Treat External Ophthalmoplasia.
 3. Blepharoplasty Society Meeting November 8, 1998, New Orleans, Case Presentation on Deep Supratarsal Sulci.
 4. Orbit Society Meeting November 8, 1998, New Orleans, Case Presentation on Recurrent Hemangiopericytoma.
 5. November 9, 1998, Introduction of Mark Levine, Dr. Wendall Hughes Lecture.
259. Tucson December 1998, North American Academy of Cosmetic Surgery Meeting. Small Incision – Endoscopic Assisted Forehead and Brow Lift.
260. January 9, 1999 Chicago Curriculum in Ophthalmologist Resident’s Lecture Series.
Cosmetic Oculoplastic Surgery
Mullers Muscle Resection Ptosis Surgery
261. University of Chicago Plastic Surgery Conference April 23, 1999. Update in Cosmetic Eyelid and Facial Plastic Surgery.
262. University of Illinois Alumni Day June 9, 1999.
 1. Glabellar Rhytids in Thyroid Associated Ophthalmology-Noel Saks, Allen M. Putterman.
 2. Inferior limbus to Brow: A new measurement of eyebrow position-Eric Cole, Allen M.Putterman.
263. Orbital Society Meeting June 1999, Milwaukee.
 1. Case Report of patient with unusual optic nerve tumor.
264. Milwaukee Ophthalmological Society Meeting, March 23, 1999. Lectured-Cosmetic Eyelid and Facial Plastic Surgery.
265. American Academy of Cosmetic Surgery Fall Meeting. Chicago, October 7, 1999.
-Orbicularis flap to treat dermatocholasis and cheek bags.
266. March 4, 2000 Ill Assoc. of Ophthalmology annual meeting. What’s new and what has passed the test of time in Oculoplastic Surgery.
267. Olga’s Spa April 10, 2000-Cosmetic eyelid and facial plastic surgery lecture.
268. Case Western University’s 18th annual up-date for the comprehensive Ophthalmologist 2000 guest lecturer.
 1. Wat’s new and what has passed the test of time in Oculoplastic surgery.
 2. Surgial Management of Thyroid Ophthalmology.
269. Houston Society Plastic Surgeons, June 15, 2000.
 1. Cosmetic lower lid, cheek mid-face and lower lid malposition plastic surgery.
 2. First honorary lecture at the annual Baylor Plastic Surgeons Meeting, June 16, 2000. Cosmetic upper lid, ptosis, and brow-forehead plastic surgery.
 3. Visiting professor of Thyroid ophthalmopathy & management of orbital blowout fractures.
270. Guest lecturer for University of Chicago course on Endoscopic Forehead Brow Lift and Upper and Lower Eyelid Surgery, November 3rd – 5th, 2000. He lectured on
 - 1) Upper blepharoplasty and ptosis treatment
 - 2) Lower blepharoplasty
 - a) Skin fap

- b) Skin muscle flap
 - c) Transconjunctival approach
 - d) Treatment of complications of lower blepharoplasties
 - 3) Fat repositioning of lower lids
 - 4) Lasers in blepharoplasty
 - 5) Internal brow lift
 - 6) Orbicularis flap for cheek bags and mid face ptosis
 - 7) Treatment of lower lid varicose veins
271. Facial Paralysis lecture January 19, 2001, Cancun Mexico.
272. Rush-Presbyterian Plastic Surgery Grand Rounds-Anesthetic Plastic Surgery of the lower eyelids and midface, February 27, 2001.
273. 2001-University of Chicago course on Endoscopic forehead and brow lift and upper and lower eyelid surgery-Chicago, October 5th-7th, lectured on:
- 1) Skin-flap, skin-muscle flap and transconjunctival approaches to lower cosmetic eyelid surgery.
 - 2) Treatment of complications of lower eyelid cosmetic surgery.
 - 3) Upper eyelid cosmetic surgery.
 - 4) Treatment of upper eyelid ptosis with Mueller's resection.
 - 5) Mid-face and cheek lifting.
 - 6) Treatment of varicose veins.
 - 7) Laser and blepharopigmentation.
274. St. Louis, January 17th & 18th, 2002, Cosmetic Eyelid and Facial Course-lectured and demonstrated on cadavers six different techniques using Dr. Putterman's textbook *Cosmetic Oculoplastic Surgery* as a reference.
275. Illinois Asso. Acoustic Neuroma Support Group Chicago-March 2, 2002, Oculoplastic Surgery Approaches to Treat Facial Paralysis Eye, Eyelid and Facial Problems.
276. Mount Sinai Hospital Visiting Professor, 04/24/02, lectured on:
- 1) Cosmetic Oculoplastic Surgery of the Lower Eyelid and Midface.
 - 2) Cosmetic Oculoplastic Surgery of the Upper Eyelid and Forehead.
 - 3) Surgical Management of Thyroid Ophthalmopathy.
 - 4) Management of Facial Paresis.
277. September 18, 2002, CANTV Hotline 21, guest speaker of Illinois Society for the Prevention of Blindness. Topics
- 1) Thyroid ophthalmopathy
 - 2) Eyelid cancer
 - 3) Botox
 - 4) Cosmetic eyelid and facial surgery
278. November 12, 2002, Rush Presbyterian Plastic Surgery Grand Rounds.
- 1) Cosmetic Upper Lid Blepharoplasty.
 - 2) Cosmetic Brow and Forehead Lifts.
 - 3) Mueller's Muscle Conjunctival Resection Ptosis Procedure.
279. 1/11/03 Chicago Curriculum of Ophthalmology, University of Illinois Eye & Ear Infirmary-Lectured on Cosmetic Oculoplastic Surgery:
- 1) Blepharoplasty.
 - 2) Brow and cheek lifts.
 - 3) Muller's muscle resection for ptosis.

- 4) Complications of lower eyelid blepharoplasty.
280. Jan. 24-25, 2003, St. Louis, MO. Featured speaker Advances in Cosmetic Blepharoplasty, Brow and Mid-facelift. Lectured and cadaver demonstration on:
 - 1) Mullers muscle ptosis surgery
 - 2) Internal brow lift.
 - 3) Tarsal strip.
 - 4) Mid-face lift.
 - 5) Endoscopic forehead and brow lift.
 281. Feb. 19, 2003, CAN-TV Interviewed by Jim McKechnie, Jr., Executive Director of The Illinois Society for the Prevention of Blindness.
 282. Guest lecturer, Endoscopic, Face and Cheek Lift. Course, April 5th & 6th, Detroit.
 - 1) Lectured cheek midface lift.
 - 2) Did cadaver dissections, presentation of cheek midface lift.
 283. Seventh Annual Aesthetic Society Meeting – Sunday, November 16, 2003.
 284. Advances in Cosmetic Blepharoplasty Brow and Mid-Facelift. (Featured Speaker) January 23-24, 2004, St. Louis, MO. Lectures and cadaver presentations:
 - 1) Internal brow lift.
 - 2) Muller's muscle-conjunctival resection ptosis procedure.
 - 3) Cheek-midface lifts.
 285. UIC Eye & Ear Infirmary, Eye and ENT Residents and Staff Lectures.
 - 1) Cosmetic Upper Blepharoplasty.
 - 2) Mullers Muscle Resection Ptosis Procedure.
 - 3) Levator Resection Ptosis Procedure.
 - 4) Frontalis Sling Procedure.
 - 5) Tarsal Strips.
 286. 3/110/04 CAN-TV Oculoplastic presentation sponsored by Illinois Society for the Prevention of Blindness.
 287. Putterman, A.M. Unfavorable Results of Cosmetic and upper and lower blepharoplasty, Expert commentary, Book Chapter ed. Mauriello, J. A., Jr., Techniques of cosmetic eyelid surgery, Lippincott Williams & Wilkins, Philadelphia, pp. 101-106, 2004.
 288. 8th International Baltimore workshop May 20-22, 2004.
 1. Performed live surgery- transferred by satellite to meeting, cheek midface lift.
 2. Lectured on cheek midface lift.- Muellers muscle conjunctival resection ptosis procedure.
 3. Assisted in cadaver dissection.
 289. U of IL Eye and Ear Infirmary Sept. 2004.
 - 1) Surgical Management of thyroid ophthalmopathy.
 - 2) 2) Management of facial paralysis.
 290. CAN TV interview by Illinois Society for the Prevention of Blindness, Chicago, Sept. 29, 2004
 291. Cosmetic Blepharoplasty Brow & Mid Face Lift Course- 1/28 & 1/29, 2005, St. Louis. Guest lecturer, lectured & cadaver demonstration:
 - 1) Internal Brow Lift
 - 2) Mid face-Cheek Lift.

292. Detroit Cosmetic Blepharoplasty, endoscopic forehead lift and mid-face surgery course. April 9th & 10th, 2005. Lectured and cadaver demonstration of Dr. Putterman's techniques for cosmetic blepharoplasty and mid-face lift.
292. Chicago Ophthalmological Society Meeting 5/13/05- Moderator: Oculoplastic Surgery Panel.
293. ASOPRS- Featured presentation-Annual meeting- Power of cheek flap in treatment of lower eyelid dermatochalasis and midface lift, Chicago 10/14/05.
294. ASOPRS annual meeting Botox symposium- History of Botox in treatment of blepharospasm, ptosis and misdirected facial nerve- pain control and sites of injection, Chicago 10/14/05.
295. Pediatric Ophthalmology Subspecialty day, AAO meeting- Treatment of asymmetric blepharoptosis, MLD formula, Muller's resection and supermaximum levator resection with tarsectomy, Chicago 10/15/05.
296. Blepharoplasty Society- AAO meeting- Diplopia after cheek lift secondary to breakdown of fusion, Chicago 10/16/05.
297. ENT Grand Rounds visiting professor University of Chicago, Jan. 19, 2006.
1. The power of the orbicularis flap in the treatment of lower eyelid dermatochalasis and cheek mid face ptosis.
 2. Treatment of upper eyelid ptosis and excessive lid fold with the Muller's muscle-conjunctival resection procedure combined with an upper blepharoplasty. May 5, 2006.
298. Dr. Putterman was a Featured Speaker at Advances in Cosmetic Blepharoplasty, Brow and Midface lift, Practical Anatomy and Surgical Education, Saint Louis University, Feb 3rd and 4th, 2006. Presented and demonstrated on cadavers:
- 1) Upper Blepharoplasty.
 - 2) Upper lid internal brow lift.
 - 3) Lower blepharoplasty.
 - 4) Fat repositioning.
 - 5) Orbicularis flap- mid face lift.
299. May 5, 2006. Purdue University North Central. 2006 Nurses conference-Back to the future: Complimentary alternative medicine in healthcare. Presented explanation and demonstration of NIA related healing.
300. Introduction of Jill Foster- Baylis Cosmetic Surgery Award. ASOPRS meeting, Nov. 16, 2006, Las Vegas.
301. John Pak- Putterman presentation on treatment of lower eyelid retraction with mid-lower eyelid tarsoconjunctival flap-skin graft. ASOPRS Nov. 15th, 06, Las Vegas.
302. Feb. 17, 2007, Chicago, IL. Chicago Curriculum (lectured).
- 1) Orbicularis flap in LL blepharoplasties and cheek and mid face-lifts.
 - 2) Muller's muscle-conjunctival resection ptosis procedure.
 - 3) Surgical treatment of thyroid ophthalmopathy.
303. Feb. 23-24, 2007, St. Louis. Advances in cosmetic blepharoplasty, brow, and mid face-lift.
- 1) Lectured and cadaver demonstration on upper blepharoplasty and internal brow lift.
 - 2) Orbicularis flap in the treatment of lower blepharoplasty and mid face-lift.
 - a) Lecture

- b) Cadaver demonstration.
304. May 9, 2007, University of Chicago Plastic Surgery Grand Rounds.
1) Orbicularis flap in the treatment of lower eyelid dermatochalasis and mid face-lifts.
2) Mueller's muscle conjunctival resection ptosis procedure combined with upper blepharoplasty.
305. May 18, 2007, 25th Annual Case Western University Oculoplastic Surgery Meeting honoring Dr. Mark Levine, Cleveland, Ohio. Purnell Lecture.
1) Orbicularis flap in the treatment of lower eyelid dermatochalasis and mid face-lift.
2) Muller's muscle conjunctival resection in the treatment of congenital and acquired ptosis.
3) The superomaximum levator resection with tarsectotomy.
4) MLD.
5) Evening toast and roast of Dr. Mark Levine.
306. 31st Annual University of Illinois Ophthalmology Alumni Day Lecture. Treatment of Inferior Orbital Rim Hollows, June 22, 2007-Chicago.
307. Kapur R, Putterman AM, Sepahdari A, Setabutr P, Ahmad A, Wendel L, Mafee MF. Magnetic resonance imaging of orbital inflammatory syndrome, orbital cellulitis, and orbital lymphoma: the role of diffusion-weighted imaging. ASOPRS Fall Scientific Symposium Poster, New Orleans, November 2007.
308. Featured speaker, Advances in Cosmetic Blepharoplasty, brow and mid-face lift, Feb. 22-23, 2008 St. Louis. Lectured on and did cadaver demonstration on:
1) Tarsal strip & orbicularis flap
2) Blepharoplasty and mid-facelift
309. Illinois Eye Review Symposium- Conceptual 3 ½ hour review of pearls and tips of all oculoplastic surgery subjects. Tues. March 18 and repeated March 19th, 2008, Chicago, IL.
310. East Chicago, Indiana High School, lectured in two separate one hour classes on overview of oculofacial plastic surgery and my background, work experience and training.
- 311) 4. Voice-overs for DVD's on chapters for republication of Putterman's Cosmetic Oculoplastic Surgery, Ed.
a) upper blepharoplasty.
b) Transconjunctival blepharoplasty.
c) Upper eyelid retraction.
d) Muller's muscle- conjunctival resection ptosis procedure.
e) cheek- midface lift.
- 312) First Annual Oculofacial Plastic Surgery Neuroophthalmology Conference, May 16, 17, 2008
1) Surgical treatment of thyroid eyelid retraction.
2) Treatment of conjunctivalchalasis.
3) Peaceful Warrioring with unhappy cosmetic patients.
4) Treatment of eyelid circles and hollows with fat repositioning and midface lift.

VIDEOTAPES

1. Treatment of enophthalmic ectropion. Eye-Sat, Nov., 1983.
2. Reconstruction of the contracted inferior fornix, Eye-Sat, Nov., 1983.

3. Cosmetic Oculoplastic Surgery, American Academy of Ophthalmology, Videotape with Clinton McCord, M.D.

HONORS AND HONORARY LECTURES

1. Town and Country magazine's "Best Doctors in the United States", 1979.
2. American Academy of Ophthalmology meeting, Nov. 1984.
Wendell Hughes lecture: Müller's Muscle in the Treatment of Upper Eyelid Ptosis and Retraction.
3. American Academy of Ophthalmology meeting, May 1985.
Wendell Hughes lecture: Cosmetic Oculoplastic Surgery, London Ontario Canada
4. Associate Board Examiners, San Francisco, CA, Oct. 1986.
5. Town and Country magazine's "Outstanding Medical Specialists in the United States", 1990.
6. American Academy Senior Honor Award, Oct. 1990.
7. "The Best Doctors in America" listing of oculoplastic and orbital surgeons, Naifehis and Smith, G.W. Woodward/White Inc., South Carolina, p. 272, 1992-1993.
8. Hawaiian Eye Meeting, Best Lecturer Award, Maui, Hawaii, January 21, 1993.
9. "The Best Doctors in America" listing of oculoplastic and orbital surgeons, Naifehis and Smith, G.W. Woodward/White Inc., South Carolina, 1994-1995.
10. Doody's Rating Service: A Buyer's Guide to the 250 Best Health Books of 1993. Listing of Cosmetic Oculoplastic Surgery. Ed. Putterman AM. Selected out of 1,620 books.
11. "Best Ophthalmologists in America" listing in Ophthalmology Times, October 15, 1996.
12. "500 Top Doctors in Chicago" listing in Chicago magazine, January, 1997.
13. Recognition for Achievement in Ophthalmology. Ophthalmology Times, October 15, 1997. One of five Ophthalmologist and the only Oculoplastic surgery to receive this award
14. President's Appreciation Award. American Society of Ophthalmic Plastic and Reconstructive Surgery.
15. Dr. Allen Putterman was honored for 30 years of services at Michael Reese Hospital at the January 14, 1999 Michael Reese Staff Meeting.
16. American Board of Ophthalmology – Association Examiner – May 1999.
17. First Spira Honorary lecture, at the first annual meeting of the Baylor Plastic Surgeons. Cosmetic upper lid ptosis and brow forehead plastic surgery.
18. Cosmetic Surgery Times editorial by Steven Fagien honoring Dr. Putterman as a dedicated teacher.
19. "Landmark Concept that the Common Extraocular Muscle Pathology was a Contusion and that this Pathology Would Resolve Spontaneously". By Manson, P. et al Discussion Trap Door Fracture of the Orbit in Pediatric Population. Plastic & Reconstructive Surgery: 109(2), 490-495, 2002.

20. America's Top Doctors, a Castle Connolly Guide 2002. (only oculoplastic surgeon listed from the midwest)
