### Course Organizers

Dimitri Azar, MD  
Sandeep Jain, MD  
Jacob Wilensky, MD  
Nathalie Azar, MD  
Nalin Kumar D.Phil

### Purpose of the activity:

The purpose of the Illinois Eye Review is concomitantly to: 1) provide participants with the fundamentals of ophthalmology research and practice; 2) provide intensive sessions that explicate cutting edge treatments and advances within the field; and 3) offer a variety of topical lectures by eminent ophthalmologists that will provide an opportunity for participants to apply what they have learnt to real-world clinical problems.

The seven day intensive ophthalmology review will take place from March 17<sup>th</sup> -23<sup>rd</sup>, 2012 and will feature guest lecturers discussing important concepts and clinical applications in various subspecialties of ophthalmology.

### General Objectives:

By the end of the course participants should be able to:

1. Describe basic tenets of the fundamentals of clinical ophthalmology covering all subspecialties
2. Demonstrate by review and conceptualization through case discussions, the epidemiology, clinical presentation, and management of ophthalmological diseases.
3. Distinguish, interpret and improve their expertise on the pathophysiology of ophthalmic diseases.

Specific objectives are listed on the website for the course: <http://www.illinoiseyereview.org>

### Intended Audience:

This course has been organized for ophthalmologists, general physicians, and optometrists encompassing all levels of experience and knowledge.

### CME Credit and Accreditation:

The University of Illinois at Chicago (UIC) College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Illinois at Chicago (UIC) College of Medicine designates this Live activity for a maximum of 82 *AMA PRA Category 1 Credit(s)*<sup>TM</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### Faculty Disclosure

The University of Illinois, in an effort to comply with the Standards and Policies set forth by the Accreditation Council for Continuing Medical Education (ACCME) requires that all faculty members demonstrate balance, independence, objectivity, and scientific rigor in their presentations. All faculty members will disclose significant financial interests or relationships with organizations that provide products, services, or equipment being discussed during a presentation. Faculty members are also required to inform the audience of any presentation of a medical device, product, or pharmaceutical that has not been approved for such purpose by the FDA. Financial and "off-label" disclosure statements by the faculty will be made at the outset of each presentation so participants may form their own opinion about each presentation.
