

CONTINUING MEDICAL EDUCATION INFORMATION

CME CREDIT

The University of Illinois at Chicago (UIC) College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The University of Illinois at Chicago (UIC) College of Medicine designates this educational activity for a maximum of *7 AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

PURPOSE

The purpose of our 3rd Annual Retina Symposium is to present the latest research developments and clinical advancements for emerging and established treatment therapies for Retinal Vascular and Hereditary Diseases to practicing ophthalmologists.

INTENDED AUDIENCE

This course has been organized for:

- retina specialists and general ophthalmologists
- ophthalmic fellows
- residents
- technicians.
- Clinical trials coordinators

LEARNING OBJECTIVES

By the end of this continuing medical education activity, participations should be able to:

1. Utilize an evidence-based medical approach to management of retinal vascular diseases;
2. Understand newly emerging therapies for retinal vascular diseases and identify ways to incorporate them into their practice;
3. Demonstrate knowledge of established treatments for retinal vascular diseases;
4. Identify and articulate the role of ophthalmic genetics in hereditary retinal diseases.

Educational Grants

We gratefully acknowledge medical education funding from Alcon Laboratory, Allergan and Genentech in support of this program.
