Graduate Application

A message from the Dean of the Graduate College

The Graduate College at the University of Illinois at Chicago is dedicated to a simple idea: bringing together superb students with outstanding research faculty in a diverse and stimulating urban environment.

There has never been a more exciting time to pursue advanced study. New fields of learning and new approaches in traditional fields are providing today's graduate students with ideas, skills, and disciplines to shape the world around them.

UIC's 6000 graduate students are enrolled in nearly fifty PhD programs and over eighty masters programs, spanning the range of Arts, Humanities, Social Sciences, Life Sciences, Physical Sciences and Engineering. UIC has many advantages to offer: nationally ranked programs, award-winning faculty, and the most diverse graduate student body among the nation's leading research universities - all within the heart of metropolitan Chicago. UIC may justly claim to be a model for the research universities of the new century.

I invite you to make it your home.

Clark Hulse
Dean, Graduate College

GRADUATE COLLEGE APPLICATION INSTRUCTIONS

University of Illinois at Chicago

Office of Graduate Admissions (MC 018) • Box 5220 • Chicago, Illinois 60680-5220 • (312) 996-4350

Graduate Funding

Each academic department is the primary unit for distribution of fellowships, assistantships, and tuition waivers. All information about the availability of funding and deadlines should be requested directly from the academic department of interest. Contact information for each department is listed in this application. Non-degree applicants are ineligible for financial aid.

Applicants With Disabilities

Services, access, and reasonable accommodations can be arranged for applicants with varied types of documented disabilities. Applicants with questions may contact the Office of Disability Services at (312) 413-2183 (voice) or (312) 413-0123 (for hearing-impaired callers only).

THE APPLICATION PROCESS

- 1) This application is valid only for the term for which you are applying.
- 2) This is a self-managed application. Submit your Basic Admission Credentials (see page 2) in one envelope – application, application fee, application checklist, and official sealed transcripts – to the Office of Graduate Admissions. All other required materials must be sent to the department of interest (see pages 16-21). **If you must submit transcripts or any other documentation separately, be sure to include your name and address as it appears on your application, and your date of birth (and Social Security Number or UIN, if possible) on each document.**
- 3) All documents submitted to UIC become the property of the University. Documents will not be released to the applicant or forwarded to other institutions or agencies.
- 4) Applicants to a UIC graduate program must meet both the requirements of the UIC Graduate College **and** the UIC academic department offering the graduate program they seek. Academic departments will evaluate applications and send admissions recommendations to the Graduate College.
- 5) Each academic department establishes its application deadline and the additional application materials the department must receive before an application will be reviewed for admission. It is **the responsibility of the applicant** to be aware of additional application materials and/or credentials required, as well as the application deadlines established by the department of interest. Deadlines and additional admission requirements are listed by program on pages 14-21.
- 6) U.S. citizens or permanent residents who have attended universities outside of the U.S. should refer to pages 3 and 4 in this booklet for additional instructions regarding their international academic credentials.
- 7) International applicants have earlier application deadlines than domestic applicants and have additional instructions regarding their application process described in “Instructions for International Applicants” on page 3 and 4.

Special Note: We are requesting your Social Security Number (SSN) pursuant to Public Law 93-579 for the University's system of student records as well as for compliance with federal and state reporting requirements. A SSN is required if you are applying for financial aid but is not required for admission to the University. The University is committed to ensuring the privacy and confidentiality of student records and will not disclose your SSN without your consent for any purpose except as allowed by law.

REQUIREMENTS FOR ALL DEGREE APPLICANTS

Where to Submit Your Application Materials

Submit your “Basic Admission Credentials” (this application, application fee, application checklist, and unopened transcripts) to the UIC Office of Graduate Admissions. All other required materials must be sent directly to the department of interest. Contact information for each department is listed on pages 16-21.

Send Basic Admission Credentials to: Basic Admission Credentials, Office of Graduate Admissions (MC 018), University of Illinois at Chicago, Box 5220, Chicago, Illinois 60680-5220

Application Deadline Policies

Deadlines vary by academic program and are listed in the “Application and Credentials Deadlines” section on pages 14 and 15. Some programs may close earlier than the stated deadline (**it is to your advantage to apply well before the deadline**). Applications are processed in the order they are received. Applications postmarked after the stated deadline will be returned to the applicant (international applications will be kept and processed for the next available term). Applications not completed by the stated deadline are subject to cancellation. **Deadlines are subject to change without notice.**

Graduate College Minimum Admissions Requirements for All Degree Applicants

- 1) Completion of a bachelor’s, baccalaureate, undergraduate or first university degree or an acceptable equivalent from an approved institution. International students refer to www.uic.edu/depts/oar/apply/international-graduate.html. Some programs will require a professional school degree or certification. See the Graduate Program Summary, pages 16-21.
- 2) For **U.S. citizens**, undergraduate grade point average (GPA) of at least 2.75 (A=4.00) for the final 60 semester (90 quarter) hours of undergraduate degree study, including all of the work taken in the term in which the applicant began the final 60 hours of study. For **International students**, a grade point average (GPA) of at least 2.75 (A=4.00) for the last two years of the university degree which is deemed bachelor’s equivalent from each specific country. Some programs may require a higher GPA. A cumulative GPA for all work completed beyond the bachelor’s degree will be considered, if applicable.
- 3) Recommendation for admission to the UIC Graduate College by the graduate program to which application is made. All recommendations are subject to final approval by the Graduate College. Official admission decisions will be sent by the Office of Graduate Admissions.

Department Requirements for Additional Admission Credentials

- 1) Many academic departments require additional admission credentials beyond the “Basic Admissions Credentials” (completed application, official transcripts, application fee, and application checklist). The additional credentials required vary by department and may include some of the following: personal statement, portfolio, letters of recommendation, standardized test scores such as the Graduate Record Exam (GRE), the Graduate Management Admissions Test (GMAT), or Miller Analogies Test (MAT). See the Graduate Program Summary section of this booklet (pages 16-21) and consult your intended department for your specific requirements.
- 2) If your department requires additional application materials beyond the basic credentials, send those materials directly to the department, using the department address supplied in this booklet (pages 16-21).
- 3) If your department requires standardized test scores, have the testing agency send official scores to UIC. UIC test codes are listed on the back cover of this booklet.

BASIC ADMISSION CREDENTIALS REQUIRED OF ALL DEGREE APPLICANTS

Basic admission credentials required of all applicants to UIC graduate programs include the following:

- 1) Completed application form in this booklet.
- 2) Application fee.
- 3) Official academic credentials — transcripts and/or yearly marksheets as well as degree certificates.
- 4) Application Checklist.

The Application Fee

A nonrefundable application fee must be submitted with this application, unless you have previously been enrolled as a graduate student at UIC.

- The fee for U.S. citizen, permanent resident and other non-citizen applicants is \$50.
- The fee for international applicants is \$60. (Refer to the “International Applicants” section for the UIC definition of an international applicant)

Attach a bank draft or money order in U.S. currency, or personal check drawn on a U.S. bank to the top of your application payable to the “University of Illinois.” Your name as it appears on your application **must** be on your check along with your date of birth or U.S. social security number, if possible. Fee waivers are available only for applicants meeting the specific criteria listed in Question 24 in this application. University of Illinois employees requesting application fee waivers based on their employment should fill out Question 24 in this application. **Payment by credit card is only available when applying on-line.**

Transcripts/Marksheets

Official academic transcripts or official marksheets are required from those universities where (a) the applicant earned the last 60 semester (90 quarter) hours of credit toward the bachelor’s degree and (b) from all institutions attended after the bachelor’s degree institution.

Options for submitting your official transcripts or official marksheets:

- 1) Preferred option: have all required official transcripts/marksheets sent **directly to you**. DO NOT OPEN THE ENVELOPE(S). Submit your sealed transcripts/marksheets, with this application and application fee.
- 2) Request all required official transcripts/marksheets to be sent directly to UIC. Provide each registrar with a transcript cover sheet from this application to be attached to your transcripts or marksheets before mailing them to UIC.

Applicants who have academic credentials from universities outside the United States, including U.S. applicants who have participated in semester, year or summer abroad programs, should refer to the “International Applicants” section for special instructions.

APPLICANTS APPLYING TO MULTIPLE GRADUATE PROGRAMS

UIC offers applicants the opportunity to pursue more than one graduate degree at the same time, either through one of our approved joint degree programs, or through concurrent enrollment in more than one UIC program. Approved joint degree programs share a certain number of courses that are used for both degrees. Joint degree programs currently offered are: MBA/MS Accounting; MBA/MA Economics; MBA/MS Management Information Systems; MBA/MS Nursing; MPH/MS Nursing; MS Nursing/MS Health Informatics; PharmD/PhD Pharmacy; MD/MPH; MD/MBA; MPA/MBA; and MD/PhD. Applicants to the MD/PhD program should not use this application form, but should request a special application from the UIC College of Medicine (312-996-5635).

Applicants who wish to apply to more than one degree program must submit a separate application for each department involved, even if applying to an approved joint degree program. Applicants applying to more than one program should indicate in Question 21 on all applications submitted if they intend to pursue more than one degree at a time. Only one application fee per term is required for applicants applying to more than one graduate program.

APPLICANTS APPLYING TO NON-DEGREE / AT LARGE PROGRAMS

Applicants for general, unassigned non-degree status (program code 20FS1780NDEG) must submit the application form in this booklet, application fee, and proof of a bachelor's degree or international equivalent from an accredited college or university (copies of original degree and an English translation, along with a valid TOEFL score are required for eligible international applicants). A copy of your diploma or transcript with degree conferred and date is acceptable. Although some graduate programs encourage non-degree registration, others restrict their courses to degree applicants only. **Individuals should consult the department offering the desired courses to see if they are available to non-degree applicants and for course prerequisites.** Applicants for non-degree status within a specific program should consult the program to determine if they require additional credentials. Additionally, if you later apply for and are admitted to a UIC graduate degree program, you may transfer no more than 12 UIC semester hours of acceptable credit from non-degree to degree status. Applicants requiring an F-1 or J-1 visa for full time study cannot apply as nondegree.

APPLICANT DEFINITIONS

International Applicants are citizens or permanent residents of a country or political area other than the United States who have a residence outside the United States to which they expect to return. They are, or propose to be, temporary residents in the United States for educational purposes. **Any applicant who holds a VISA or who is a citizen or resident of any country other than the United States falls under the International Applicant category and must apply by the international deadlines listed on pages 13 and 14.**

Permanent Residents are persons who have become official permanent residents of the United States.

Eligible non-citizen applicants are persons granted temporary residence in the U.S., conditional entrance into the U.S., parolee, refugee, or asylum status and who may be in the process of becoming permanent residents.

INSTRUCTIONS FOR U.S. CITIZEN AND PERMANENT RESIDENT APPLICANTS WHO STUDIED ABROAD

If you have studied outside of the U.S. and your international university work (including names of courses, credit hours, and grades) is listed on your U.S. transcript, we will use your U.S. university transcript to review your work.

If your international university work is not listed on your U.S. transcript, you must request that your international academic credentials be sent to the UIC Office of Graduate Admissions. Follow the instructions for international applicants.

The Office of Graduate Admissions must receive the application and supporting documents by the deadline date, to ensure adequate time for the additional processing required by the evaluation of foreign credentials. It is strongly recommended that you observe the early application deadline date for international applicants. Review of the application will begin after the UIC Office of Graduate Admissions has received all of the following materials:

- 1) Completed and signed application received by the deadline date.
- 2) Non-refundable \$50 application fee.
- 3) Evidence of English competency as described on page 4.
- 4) Required educational credentials:
 - (a) if your university education is from the U.S., follow instructions for domestic applicants;
 - (b) if your university education is from a country other than the U.S., follow instructions for international applicants.

INSTRUCTIONS FOR INTERNATIONAL APPLICANTS

Application Instructions and Requirements for International Applicants

Applicants requesting an F-1 or J-1 visa must apply for full-time degree-seeking status. Applicants admitted to UIC will receive written notification and an official document (I-20 or DS-2019) to be presented when requesting their visa to enter the United States.

The UIC Office of Graduate Admissions must receive this application and required documents by the listed deadline for International Applicants or the department deadline if it is earlier than the International Applicant deadline. See pages 13-14 for application deadlines.

Your application will be reviewed after the Office of Graduate Admissions has received the following:

- 1) Completed and signed application received by the deadline date
- 2) Non-refundable \$60 application fee
- 3) Evidence of English competency
- 4) Required educational credentials

Non-refundable \$60 Application Fee

You may send a bank draft or money order in U.S. currency, or personal check drawn on a U.S. bank made payable to the "University of Illinois." Your name, as it appears on your application, must be written on the draft, money order or check. Foreign money orders should include full routing information for processing to the correct account. The application fee cannot be waived or deferred regardless of the currency restrictions imposed by some countries.

Evidence of English Competency

All international applicants are required to submit official scores from the Test of English as a Foreign Language (TOEFL), unless they meet the TOEFL exemptions listed below. The TOEFL must have been taken within the last two years. Minimum score required: paper-based TOEFL = 550, computer based TOEFL = 213, TOEFL iBT = Reading =19, Listening = 17, Speaking = 20, Writing = 21 and Total = 80. Individual UIC departments and programs may require higher scores.

TOEFL contact information

Visit www.toefl.org or write to The Educational Testing Service, Princeton, New Jersey 80540. Call 1-800-GO-TOEFL (toll-free within the U.S. only). UIC's test code is 1851.

TOEFL Exemptions

- 1) Native English speakers.
- 2) Non-native English speakers who have completed two consecutive years of full-time high school or university study in the U.S. or another country where the only official language of the country is English.
- 3) Non-native English speakers who have a minimum of one year full-time employment in the U.S. or other country where the only official language of the country is English. Applicants must submit a letter from their employer verifying at least 12 consecutive months of employment and describing their English language ability.

Special note: Applicants from countries where the official language of the country is not English, but who attended a university where English was the language of instruction, are not exempt from submitting TOEFL scores.

Evidence of Financial Support

Evidence of financial support for the first year of study must be submitted before an I-20 or DS-2019 will be sent to the admitted student.

Applicants **MUST** submit the following:

- 1) **An original bank statement signed by a bank official.**

Date of statement must be no more than six months old from the start of the semester. Proof of sufficient funds for tuition and fees, books and supplies and living expenses for the first year must be shown. The funds must be in a savings, money market or certificate of deposit account and displayed in U.S. dollars. A maturity date must be provided on all certificates of deposit and other time deposits. Maturity dates must be no later than the first day of the semester and no earlier than 6 months prior to the start of the term. Checking (current) accounts are not acceptable.

- 2) **The UIC Declaration and Certification of Finances Form.**

This form is available online at http://www.uic.edu/depts/oar/forms/declaration_finances_grad.pdf. It must be signed by both the student and the sponsor.

In addition to the UIC declaration and Certification of Finances, students may wish to provide a separate Affidavit of Support executed by the sponsor or a U.S. Citizenship and Immigration Services Affidavit of Support. Additional affidavits of support may be used in conjunction with the official UIC Declaration and Certification of Finances, but will not be accepted in its place.

Special note: U.S. Citizenship and Immigration Services (CIS) requirements for I-20 and DS-2019 issuance are subject to change. Additional documentation not listed here may be required before we can issue you a form I-20 or DS-2019. We will notify you if additional information is required. For current CIS regulations and requirements, visit www.uscis.gov.

Required Educational Credentials

For a listing of required documents from all countries, please visit our web site: <http://www.uic.edu/depts/oar/apply/international-graduate.html>

If you have studied outside the United States, you must submit all required official academic credentials from all universities attended, including:

- A list of all subjects/courses studied for each year.
- Grades or examination results received (failing as well as passing) in each subject/course.
- Maximum and minimum grades obtainable for each course.
- Degree certificates/diplomas awarded.

These credentials should be submitted in the same packet with your application and application fee. If you must submit transcripts or any other documentation separately, be sure to include your name and address as it appears on your application, and your date of birth (and Social Security Number, if possible) on each document.

Transcripts: International applicants who have attended universities that issue official transcripts on request should submit their transcripts. A certified English translation should be attached if the transcript is not in English. Official transcripts bear the seal and/or stamp of the university as well as the signature of the appropriate University official, such as the Registrar.

Marksheets: Applicants from countries, such as India, that issue marksheets should submit attested or certified marksheets showing the detailed results of all exams taken. Marksheets should be attested by the Controller of Examinations, Registrar, or Attestations Officer. A certified English translation should be attached to any credential not issued in English. Consolidated marks will not be accepted.

Please note: Degree certificates/diplomas are mandatory items. These are separate documents that state the type of degree, the fact that it was awarded or granted, and the date of conferment. Final Degree Exam Certificates are not sufficient.

English Translations of Academic Credentials:

Official English translations must accompany all academic credentials originally issued in a language other than English. Official credentials should be sent in the original language and accompanied by a verbatim (word for word) English translation, in the identical format of the original credential. Interpretive translations are not acceptable. All academic credentials must be certified by the original signature of an authorized representative (Registrar or equivalent) of the school and must bear the school's official seal or stamp.

Options for submitting your official transcripts or official marksheets:

- 1) Preferred option: have all required official transcripts/marksheets, final diplomas, degrees or graduation certificates sent **directly to you**. DO NOT OPEN THE ENVELOPE(S). Submit your sealed transcripts/marksheets with this application and application fee. **OR**
- 2) Request all required official transcripts/marksheets, final diplomas, degrees or graduation certificates to be sent directly to UIC. Provide each registrar with a transcript cover sheet from this application to be attached to your transcripts or marksheets before mailing them to UIC.

INSTRUCTIONS FOR REMOVING YOUR APPLICATION FORMS

- Lift the staples in the middle of this booklet to remove your application forms
- Keep the Application pages together
- Complete the Application form and the Application Checklist and return both with your transcripts in the enclosed envelope to the UIC Office of Graduate Admissions
- If you have requested that transcripts be sent to UIC, follow the directions on the Transcript Cover Sheets

25 THIS CERTIFICATION MUST BE SIGNED AND DATED BY THE APPLICANT BEFORE ACTION CAN BE TAKEN ON THIS APPLICATION

UIC reserves the right to accept only credentials or documents deemed authentic. If admission is granted, authentic or certified copies of the original academic documents in the original language and English translations must be submitted to the UIC Office of Graduate Admissions. UIC also reserves the right to request a professional credential evaluation from the student if necessary. **All documents submitted become the property of UIC.**

Applicants are responsible for ensuring that all documents and test scores are forwarded to UIC under their name as it appears on the UIC application and on their passport. Whenever possible, a U.S. social security number or a UIC assigned identification number should appear on each document.

I understand that withholding information requested on this application, including attendance at any other institution, or giving false information may make me ineligible for admission to the University or subject to dismissal if admitted. I have read this application and certify that the statements I have made on this application are correct and complete.

**University of Illinois at Chicago
Nondiscrimination Statement**

The commitment of the University of Illinois to the most fundamental principles of academic freedom, equality of opportunity, and human dignity requires that decisions involving students and employees be based on individual merit and be free from invidious discrimination in all its forms. The University of Illinois will not engage in discrimination or harassment against any person because of race, color, religion, national origin, ancestry, age, marital status, disability, sexual orientation including gender identity, unfavorable discharge from the military or status as a protected veteran and will comply with all federal and state nondiscrimination, equal opportunity and affirmative action laws, orders and regulations. This nondiscrimination policy applies to admissions, employment, access to and treatment in the University programs and activities.

University complaint and grievance procedures provide employees and students with the means for the resolution of complaints that allege a violation of this Statement. Members of the public should direct their inquiries or complaints to the appropriate equal opportunity office.

GRADUATE COLLEGE APPLICATION AND CREDENTIALS DEADLINES

Your application, application fee, academic credentials and any additional materials required by your program must be received by the deadline stated. Deadlines may change without notice and many programs will close before the stated deadline because of the large volume of applications they receive. It is to your advantage to apply well before the deadline. Applications and materials received after the deadlines will not be considered. International applicants have earlier deadlines than domestic applicants. All applicants should use the General Graduate Deadlines listed below unless your intended program of study is listed under Graduate Programs with Earlier Deadlines.
