(<http://www.uic.edu/depts/ims/classschedule/S2009/AH.htm>) for Discussion Sections and CRNs

4 hrs. This interdisciplinary survey of world art since 1500 moves the UIC student imaginarily around the globe and across the plastic arts of painting, sculpture, architecture and new media. In addition to three weekly lectures, students participate in one weekly discussion section. There will be two exams, one short paper of two pages and a longer paper of five to seven pages.
