

The Ecology and Evolution Group presents

LuCinda Hohmann

Union of Concerned Scientists

Science in Action:

The impacts of climate change

LuCinda Hohmann is the Midwest Campaign Manager for the Union of Concerned Scientists (UCS). She manages policy and outreach on the topics of climate change and energy. Previously, she worked as the Midwest Field Organizer for Environment America where she developed and managed campaigns on climate change, energy, clean water, and clean air issues.

Tuesday, February 14th, 2012
