Subject: College of Engineering EXPO Information

To all 397 (and MIE 396, 445) Engineering Students:

As announced by your 396, 397 or 445 instructor, you are required to participate in the 2008 Engineering EXPO on April 22. This event is a showcase of senior design projects from every engineering department. It gives students an opportunity to display the fruits of their design effort, meet industry representatives and compete for prizes.

For Phase 1 of the registration process, each student is requested to visit the web page [http://www.uic.edu/depts/enga/expo/expo2008\\_Phase1.htm](http://www.uic.edu/depts/enga/expo/expo2008_Phase1.htm) to submit some basic information by the Monday, February 11 deadline.

ALL EXPO PARTICIPANTS - Mark your calendars!
