

Engineering Career Prep Day

Be one of 75 UIC COE juniors and seniors to participate in a special, free workshop to help you be better prepared for a successful job search during this tough market.

Engineering Career Prep Day is a special day of workshops and panel discussions that will prepare you for your job search and interviews. It includes advising and resumes reviews by expert COE alumni mentors from the engineering industry.

How to Register for Engineering Career Prep-Day:

- Submit a polished resume that you are prepared to hand to a recruiter.
- Email that resume as a WORD document to enrjobs@uic.edu. Please put ENGR CAREER PREP DAY REGISTRATION in the email subject line.

Your registration confirmation will be emailed to you.

Registration is limited. Last date for acceptance is January 18th, 2010. It may be filled prior to that date. Register now!
