

# MA and PhD Program

## Academics:

- Study with one of the **BEST** research faculty in the country. We are ranked **THIRD** in the nation for our scholarship ([The Chronicle of Higher Education](#)).
- Work toward an interdepartmental concentration in Central and Eastern European Studies, Gender and Women's Studies, Jewish Studies, or Second Language Teaching.
- Participate in our exchange program with the Humboldt University in Berlin.

## Funding:

- Take advantage of **FULL SUPPORT** for almost all students accepted into our program - including three \$15,000 graduate student fellowships, nine teaching assistantships, and several research assistantships (all include tuition waivers).
- Apply for departmental prizes for scholarship and teaching.

## Professional Mentoring:

- Participate in teaching **INTERNSHIPS** in General Education and major courses.
- Receive individual academic mentoring from your advisor.
- Attend workshops that focus on the professional development of teaching skills.

## Our Students:

- Become part of an international student body. Our students come from ten different countries.
- Join a **SUCCESSFUL** cohort of students: last year our students received **AWARDS** from the DAAD, the Max Kade Foundation, the Holocaust Museum, and the Chicago Jewish Historical Society.

## Our City:

- Take advantage of an intellectually stimulating, urban environment. Our students utilize the resources of many nearby cultural institutions: the Goethe Institute, Newberry Library, the Art Institute, Facets Multimedia, etc.
- Discover our **CAMPUS** located minutes ways from the **CENTER** of one of America's most vibrant cities.
