

## AMERICAN CANCER SOCIETY — Code 907-0000

Administrative and fund-raising costs for 2007 were 18.7%.  
For more information, (800) ACS-2345; [www.cancer.org](http://www.cancer.org).

### The American Cancer Society... At Work in Illinois

When you support the American Cancer Society in Illinois, you join a statewide network of people dedicated to eliminating cancer as a major health problem. You help fund pioneering cancer research that leads to lifesaving discoveries. (In fact, 42 Society-funded researchers have gone on to win the Nobel Prize for their achievements.) You also empower us to share cancer knowledge and resources with people in every community. You encourage our policymakers to pass laws that benefit the health of people across the state – and the nation. And you provide vital services that help cancer patients triumph over this disease.

#### We offer hope – and help – 24 hours a day, 7 days a week.

Anyone can call **1.800.ACS.2345** or visit **[www.cancer.org](http://www.cancer.org)** 24 hours a day, 7 days a week for free, comprehensive information and referrals to community programs. Last year alone, we served 10,000 Illinoisans through our Patient Navigation Services program, which offers a complete “circle of care” for newly diagnosed cancer patients. *Your donation will help us expand this program over the next two years to reach more than 30,000 cancer patients in our state.*

#### By donating to the American Cancer Society, you will give hope...

- To the patient who receives a free ride to her cancer treatments through the American Cancer Society’s Road to Recovery® program.
- To the prostate cancer survivor who found his support group by calling the American Cancer Society early one Saturday morning.
- To the woman who survived cancer thanks to the Society-funded research that created the cancer-fighting drug tamoxifen.
- To the thousands who will survive or avoid colon cancer because they learned about their screening options from the American Cancer Society.
- To the patients and others whose rights are championed by the Society in the Illinois legislature and the U.S. Congress every day.

**Your dollars will be carefully invested in people and programs that have the greatest impact.**

The American Cancer Society is honored to be among the few national charitable organizations recognized by the Better Business Bureau’s Wise Giving Alliance – a mark of our sound stewardship and organizational efficiency.
