

Workshops for Foreign Language Instructor Series Presents:

BB Wimba Voice Tools in Language Teaching

Enhance your teaching by providing students with additional opportunities to

- Develop listening skills, i.e.: create audio based activities, embed YouTube clips as prompts for discussion boards;
- Improve speaking skills, i.e.: set up audioblogs, student podcast projects, voice presentations.

No previous knowledge required! This workshop will provide hands on experience for beginners. We will provide individualized assistance for all participants.

Please RSVP at lclc@uic.edu

**When: Friday, March 4
2-3 PM**

Where: Grant Hall 304 (Computer Lab)
