

## Clinical Pharmacology On-Hand How to Download Off-Campus between October 1, 2007 and Sept 30, 2008

Clinical Pharmacology On-Hand can be downloaded to both Palm and Pocket PC devices. Users who want to install the PDA version from an off-campus location have the following options to obtain a promotional code in order to download the software:

- Stop by the UIC Library of the Health Sciences to obtain a promotional code. A valid UIC I-Card must be presented in order to obtain a promotional code.
  - Library of the Health Sciences Chicago - Reference Desk
  - Library of the Health Sciences Peoria - Reference Staff Offices
  - Library of the Health Sciences Rockford - Circulation or Reference
  - Library of the Health Sciences Urbana - Reference Office
- Send an Email through **Ask a Librarian** requesting a promotional code.  
<http://www.uic.edu/depts/lib/digital/emailform.shtml>
  - To verify your affiliation with UIC, you must either use your UIC email address as the contact email or provide your UIC Library ID. Your UIC Library ID is found on your UIC I-Card and begins with numbers 28198.

Once you have received a promotional code please point your browser to <http://www.cponhand.gsm.com.proxy.cc.uic.edu/>.

Take the following steps to create an account and use your promotional code:

- Click Purchase Product on the left hand side of your screen
- Click please log in at the top of your screen
- Create a new account. See -- First time user? Click here to register.
- Once you have created your account click on "enter promotional code" found on the left hand side of the screen.
- Once you have entered your promotional code - you will be prompted to log in again. Next click to log in to download software.
- If you missed the log in to download the software, after you have logged in, click on Manage Your Account and next click View Subscriptions. Here you will see a list of software available for you to download.
- Follow the instructions to download the content to your PDA.

<http://www.cponhand.gsm.com.proxy.cc.uic.edu/download.asp>

Clinical Pharmacology is updated regularly. It is recommended that you hotsync your PDA regularly to obtain the latest update.

After 9/30/08 - you will need to return to the library to request a new promotional code. Note: On Campus users do not need a promotional code.
