

Minutes: UIC Library Institutional Repository Task Force, February 22, 2005

Present: Ann Weller, David Austin, Sara Blaszcak, John Cullars, Lisa Zhao, Mircea Stefanu

---

On April 21st there will be a meeting at SIU in Edwardsville, IL if some of the members can attend.

Ann will contact Beth Sandore about UIUC proposal for an IR.

Steering committee on Wed. 2/16 gave enthusiastic response to our proposal. Questioned staff time for programming. Daniel Enoch is loading Dspace. Once it's installed, see if he can be available for the next meeting.

Pilot projects added to the proposed list: GMR set of articles. The proposed UICOR is for faculty and beyond, mostly for those digital objects that were created by UIC staff, faculty, or at UIC.

Yearbooks: Not viable, not yet available in digital format

Bring instructions for loading Dspace to the next meeting (Blaszcak)

Bring Dublin Core at UIC documentation to the next meeting (Zhao)

Next meeting: March 7, Daley at 9 AM.

Approved 3/15/2005
