Survey Monkey for January 2008

1. I think next year's Staff Development Day should focus on the following topic, "How to Boost Morale in Tough Economic Times." In particular since it has been I over two years since the technical and clerical workers have gotten a cost of living raise. Anonymous Mon, 1/14/08 8:46 AM

Dear Anonymous

Thank you for your suggestion. We will take your suggestion into consideration for the next Staff Development Day.

2. What are they going to do about National Library Worker's Week? During their tour, I was told that we would be having special events all week in April.

Dear Anonymous,

LSSAC along with the SOCC is working on National Library Worker's Week. Keep checking the ULIB or check with any member of LSSAC or the SOCC for upcoming events. Do you have anything in mind you would like to see or do for that week?
