### Staff Development

Reaching Forward South is Friday September 21, 2007, it will be held in Springfield, Ill. Attending will be Chris Wadle from Peoria and Robin Beck, and Jessica Lecrone from Urbana.

The Survey is up and running, so far 74 out of 110 staff has completed the survey. Staff Development is proud that so far there have been no paper copies.

A Calendar of Events was recommended by Staff Development.

Staff Development day will be in January instead of December.

### SOCC

The Fall Harvest is being postponed until next year because the Morton Pumpkin Festival was Wednesday September 12, 2007-Saturday September 15, 2007.

Staff Development committee members wanted to know why they were not included in Survey Monkey responses. Brown and DeKowperlandth informed them that it was because library staff said the turn around time was slow for Survey responses. Staff Development stated they wanted to see the survey responses before they are posted, Brown assured them they would.

SOCC is anticipating the upcoming Christmas/Holiday to be held in the Daley Library in December after finals. The SOCC is going to review comments made from last year's party to make this year's event more fantastic than it has been in the past.

SOCC is going to contact those from the Ice Cream social who put their names on sign in sheets to form outside groups such as a Book Club and Movie Club. SOCC members will host one meeting, and then leave it up to the group as to how to continue.

### Other Agenda Items

The next All Staff meeting will be in November. Case wants all LSSAC and SOCC members to attend and to come prepared to speak on their groups.

Collections Development is the next Department of the Month, which will be in October. Acquisitions will be in November.

Case also reminded the group that their first responsibility was to their jobs then any other committees they are on.
