

Web Oversight Committee

Meeting Minutes- June 15, 2006
3:30 to 5:00 pm, 1-360 Daley

Present: Wallis (Chair), Kayiwa, Lewis, Maene, Naru (minute taker), Shuler

Minutes

The minutes of the June 1 meeting were accepted with one addition – Lisa, Peter and John are drafting policies for changes to be used when the new site is up.

Update on Library staff meetings

John reported on meetings with staff about how they use the Library's Web site and how an intranet should work. He also submitted a written description of the discussions.

Home page revisions

Lisa sent a memo asking for staff comments on a new design for the current home page.

The WOC's suggestions for changes include one search box for a menu of search choices (UICCAT, Library pages, electronic resources/qUICsearch); substituting "Find books and more" for "search the Library catalog;" add "Find articles;" remove the large "ask a librarian;" remove "help us grow." The banner will be changed to use the new logo system.

Review drop-down menus

Discussion will continue at the next meeting.

Next meeting

The next meeting is scheduled for Thursday, June 29 at 3:30 pm.
