The next Access Services Council Meeting will be held July 5, Tuesday, 2:30-4:00 in 2-380 LIB -- the conf. rm. in the Catalog Dept.

We will finalize recommendations to the Steering Committee for name/charge/composition of working groups dealing with circulation, course reserves, and interlibrary loan.

We will also continue discussion of those elements for a working group to deal with access aspects of the Library's Web.

Bob D.
