Steering meets at 9:00 next Wednesday, September 5, in 1-210 Daley or at 312-413-2004. Tomorrow is my last day in the office until that morning, so the draft agenda is going out early:

-- Review of strategic planning initiatives for FY08 based on the results of our August 1 discussion as compiled at <http://www.uic.edu/depts/lib/staff/strategic/> with focus on top priorities and initiatives that might have fallen between departmental cracks.

-- Brief WOC update

-- Budget update (assuming that the campus has produced a Library budget)

-- Library/IT Assessment Task Force

-- Global Campus library support update

If you have other agenda items, please get them to me by the middle of tomorrow afternoon or bring them to the meeting.
