The Steering Committee meets at 9:00 tomorrow morning in 1-210 Daley, where we will have a good view of the snow falling outside. If you can't make the journey we'll expect to hear from you at 312-413-2004.

Agenda items will include:

- 1) Warehousing discussion (with all Bibs as guests) -- document sent on 1/29 and attached here again for your convenience
- 2) Strategic plan objectives and hurdles for calendar 2008 -- objectives document coming from Bob Sandusky
- 3) Updates on equipment requests for FY2008 and budget planning for FYY2009

Please let me know if you do not expect to attend.
