The Steering Committee meets at 9:00 tomorrow morning in 1-210 Daley, or at 312-413-2004. Agenda items will include:

- 1) An update from WOC on progress toward having a new Web site in place by August 1. Krystal Lewis will join us.
- 2) The discussion on textbooks that we did not have time for in March.
- 3) Brief and informal reports from the three Council chairs on the current focus of their groups.
- 4) Brief updates on impending photocopier removal from Daley, LHS-C, and Science, on the proposed Library and Information Technology Assessment, etc.

If you have other agenda items to propose, please get them to me by the end of today.
