The UIC Center for Clinical and Translational  
Science is pleased to announce our Fall 2010  
Distinguished Lecture

**Evidence-Based Transformation:  
Keeping the Patient at the Center of  
Care**

Dr. Carolyn M. Clancy,  
Director of the US Department of Health and  
Human Services Agency for Healthcare  
Research and Quality (AHRQ).

Dr Clancy is a general internist and health services  
researcher whose major research interests  
include improving health care quality and patient  
safety and reducing disparities in care associated  
with patients' race, ethnicity, gender, income, and  
education. As Director of AHRQ, she launched the  
first annual report to Congress on health care  
disparities and health care quality. Please join us!
