

2010 CAMPUS-WIDE TA ORIENTATION

Nomination for Peer Facilitators

Campus-Wide TA Orientation is seeking nominations of experienced, returning TAs to serve as peer facilitators during sessions of TA Orientation and/or participate on a panel of experienced TAs. TAs who serve as peer facilitators will be compensated with a gift certificate to the University Bookstore (so as to avoid potential problems with adding an additional appointment to any graduate teaching or research assistantships that they might hold).

Participation will be afternoon of Tuesday, August 17 or Wednesday, August 18. In preparation for the orientation, peer facilitators will be asked to participate in a information session in August the week prior the orientations. The Teaching and learning Center will contact the nominees, explain the participation requested and the compensation offered, and set up the information session.

Peer facilitators should be TAs with at least one year of experience who have demonstrated superior performance in their teaching roles.
