

## UIC College Diversity Profile 2007

### Nursing

The UIC College of Nursing mission is aligned with the University and UIC campus missions related to providing access to excellent education for a diverse range of students, particularly health science professions; research; and a Great Cities commitment. Our mission in the UIC College of Nursing is to educate highly competent nurse leaders for direct nursing practice as well as for administrative leadership in academic and healthcare systems. To do so, we utilize faculty-driven local and global innovations in learning, knowledge discovery and practice.
