

UIC Course Outline

2007-2008 application cycle

Physical Therapy Admissions (M/C 516)
 University of Illinois at Chicago
 1919 W. Taylor, Chicago, Illinois 60612 - 7251

| | | | - | | | - | | | | |

Last Name First Middle Former Social Security Number

Courses Completed Five semesters of science prerequisites, or four semesters of sciences plus calculus, must be completed at the time of application. Listing a course on this summary does not guarantee that it satisfies the prerequisite.					
Prerequisite	School at which course was taken	Course rubric and number	Term/year	Grade	Credit hours
<i>Example:</i>	<i>Univ of Illinois at Chicago</i>	<i>Math 123</i>	<i>Fall 06</i>	<i>A</i>	<i>4</i>
General Biology					
General Biology lab, if separate					
Anatomy					
Anatomy lab, if separate					
Physiology					
Physiology lab, if separate					
General Chemistry I					
General Chemistry I lab, if separate					
General Chemistry II					
General Chemistry II lab, if separate					
General Chemistry III, if quarter term *					
General Chemistry III lab, if separate and quarter term *					
General Physics I					
General Physics I lab, if separate					
General Physics II					
General Physics II lab, if separate					
Gen Physics III, if quarter term *					
Gen Physics III lab, if separate and quarter term *					
Applied Statistics					
Calculus					
Introductory Psychology					
Developmental or Abnormal Psychology					

*Three quarter courses are equivalent to two semester courses.

Additional Courses					
Report all courses taken that may satisfy a prerequisite, by using the table below to list: a) a first attempt at a course that was repeated and is listed above, or b) courses that may satisfy prerequisites that are not listed above. Use additional paper if necessary.					
Prerequisite (ex. General Biology)	School at which course was taken	Course rubric and number	Term/year	Grade	Credit hours

Courses to be Completed			
List prerequisite courses to be taken in Fall 2007 through Summer 2008.			
Prerequisite	School at which course will be taken	Course rubric and number	Term/year
<i>Example:</i>	<i>Univ of Illinois at Chicago</i>	<i>Math 123</i>	<i>Summer 08</i>
General Biology			
General Biology lab, if separate			
Anatomy			
Anatomy lab if separate			
Physiology			
Physiology lab, if separate			
General Chemistry			
General Chemistry lab, if separate			
General Physics			
General Physics lab, if separate			
Applied Statistics			
Calculus			
Introductory Psychology			
Developmental or Abnormal Psychology
