- 1) Tuition and fees are subject to change without notice any time prior to the first day of instruction
- 2) An additional \$3.00 will be assessed for the Student-To-Student Assistance Program (refundable).
- 3) Full time undergraduates, full time students within the Graduate College, the College of Pharmacy, the School of Public Health, and the Doctor of Physical Therapy will be assessed a \$83 transportation fee per semester for the CTA U Pass.
- 4) The \$83 transportation fee will be assessed to degree and non-degree students in the categories above.
- 5) The non-resident surcharge is applied to non-Illinois residents who entered UIC in Summer 2003 or after as part of a multi-year plan to move the non-resident rate to three times the resident rate.
- 6) Undergraduate students entering the University in Summer 2004 or after are provided a four year tuition guarantee. The purpose of the undergraduate guaranteed tuition plan is to provide a high degree of certainty about tuition costs for students and families. The plan applies to all undergraduate students enrolled in a baccalaureate degree program on one of the three campuses of the University of Illinois. The plan treats every student as part of a cohort defined by the date of entry to the University. Each cohort is guaranteed an unchanged tuition schedule for four years. Please note that fees are subject to change annually. For details on guaranteed undergraduate tuition see http://www.vpaa.uillinois.edu/policies/tuition_guarantee.asp.

Refunds

After classes begin, students who officially withdraw from the University (by dropping all classes) on or before the tenth week will receive a pro-rata refund based upon the official date of withdrawal. Assessed tuition, the service and general fees are refunded on a pro-rata basis less 5% of the assessed amount or \$100, whichever is less.

2) The Health Service and Health Insurance Fees are nonrefundable.
