

## Transfer Requirements Guide for Architecture – College of DuPage

The four-year Bachelor of Science in Architecture Program provides a pre-professional education in Architecture within the broader context of liberal arts courses provided by the University. The pre-professional degree is useful for those who want a foundation in the field of architecture as preparation for either continued education in a professional degree program or for employment options in architecturally related areas.

### Transfer Admission Guidelines

**UIC general education requirements changed beginning in Fall 2007. Transfer students who enroll at UIC through Spring 2009 will be allowed to follow either the GE pattern used prior to Fall 2007 or the new GE pattern adopted for Fall 2007. Transfer students who enroll at UIC in Fall 2009 or later will be required to follow the GE pattern adopted for Fall 2007.**

Use the following tables to estimate how UIC might accept any general education courses you may have already completed. Acceptable courses and credit hours may vary by institution. UIC recommends that students contact a pre-admission counselor in Undergraduate Admissions at (312) 996-4350 before choosing any courses. Only lower-division, introductory courses will be accepted for general education. **If a course is listed in more than one category, that course may only fulfill the requirement in one category.**
