

## Transfer Requirements Guide for Architecture – Kennedy-King College

The four-year Bachelor of Science in Architecture Program provides a pre-professional education in Architecture within the broader context of liberal arts courses provided by the University. The pre-professional degree is useful for those who want a foundation in the field of architecture as preparation for either continued education in a professional degree program or for employment options in architecturally related areas.

### Transfer Admission Guidelines

Architecture only admits students for the Fall semester. **Admission is selective and transfer students are encouraged to apply early.** In all transferrable course work applicants must earn a minimum cumulative grade point average of 2.75/4.00 (A=4.00) and at least 36 semester hours (54 quarter hours) at time of enrollment in order to be considered for admission. **Minimum transfer requirements at time of application/enrollment: University Writing Requirement (English Composition I & II), one Understanding the Creative Arts course, one Understanding the Past course, one Understanding the Individual and Society course, one Understanding U.S. Society course.** All transfer applicants are required to submit a portfolio of creative work as part of their application to the program.
