

Transfer Requirements Guide for Architecture – McHenry County College

The four-year Bachelor of Science in Architecture Program provides a pre-professional education in Architecture within the broader context of liberal arts courses provided by the University. The pre-professional degree is useful for those who want a foundation in the field of architecture as preparation for either continued education in a professional degree program or for employment options in architecturally related areas.

Transfer Admission Guidelines

Architecture only admits students for the Fall semester. **Admission is selective and transfer students are encouraged to apply early.** In all transferrable course work applicants must earn a minimum cumulative grade point average of 2.75/4.00 (A=4.00) and at least 36 semester hours (54 quarter hours) at time of enrollment in order to be considered for admission. **Minimum transfer requirements at time of application/enrollment: University Writing Requirement (English Composition I & II), one Understanding the Creative Arts course, one Understanding the Past course, one Understanding the Individual and Society course, one Understanding U.S. Society course.** All transfer applicants are required to submit a portfolio of creative work as part of their application to the program. Portfolios submitted by January 31st will be given priority consideration. For more information regarding the portfolio requirement, please refer to the School of Architecture website at www.arch.uic.edu/admissions/ug_transfer.php. In addition students are recommended to complete a calculus course designed for math, engineering and science majors if they wish to pursue a professional degree in architecture. **This guide is based on McHenry’s 2009-10 catalog and UIC’s 2009-11 catalog and is valid for students who enroll through Fall 2010.**

UIC general education requirements changed beginning in Fall 2007. Transfer students who enroll at UIC through Spring 2009 will be allowed to follow either the GE pattern used prior to Fall 2007 or the new GE pattern adopted for Fall 2007. Transfer students who enroll at UIC in Fall 2009 or later will be required to follow the GE pattern adopted for Fall 2007.

Use the following tables to estimate how UIC might accept any general education courses you may have already completed. Acceptable courses and credit hours may vary by institution. UIC recommends that students contact a pre-admission counselor in Undergraduate Admissions at (312) 996-4350 before choosing any courses. Only lower-division, introductory courses will be accepted for general education. **If a course is listed in more than one category, that course may only fulfill the requirement in one category.**
