

Transfer Requirements Guide for Nutrition – Kennedy-King College

Undergraduate Programs

The Department of Kinesiology and Nutrition offers two major tracks (the *coordinated program* track and the *nutrition science* track) that lead to the Bachelor of Science degree. The coordinated program is accredited by the Commission on Accreditation for Dietetics Education (CADE) and is focused on the practice of nutrition (i.e. dietetics) and, upon successful completion students are eligible to take the Registration Examination administered by the Commission on Dietetic Registration, and become a Registered Dietitian (RD). The nutrition science track emphasizes intensive study in biological and physical sciences as a basis for understanding the science of nutrition and the relationships between nutrients and human health. The nutrition science program is currently granted initial accreditation by the Commission on Accreditation for Dietetics Education. Students enrolled in the nutrition science track have the choice of completing didactic requirements to apply for a Commission on Accreditation for Dietetics Education (CADE) accredited internship.

Transfer Admission Guidelines

Nutrition admits students only in the Fall semester. **The application and credentials deadline is January 15th.** To be considered for the program applicants must complete all of the following pre-human nutrition course work prior to the Fall semester with a minimum GPA of 2.5/4.0 (A=4.0). Application is competitive and requires supplemental application materials available from the admissions office and the Kinesiology and Nutrition Department. **For on-line application materials, please refer to the Nutrition website at www.ahs.uic.edu/kn/programs/nutrition.php.** Nutrition offers an information session for prospective students on the first Monday of the month at 5:30 p.m. (except when UIC is closed) at 1919 W. Taylor, Room 607. For more information, call (312) 996-7890. Students may enter during any term to complete any of the following prerequisites in the pre-nutrition program in the College of Liberal Arts and Sciences. **This guide is based on the City Colleges of Chicago's 2011 catalog and UIC's 2011-13 catalog and is valid for students who enroll through Fall 2012.**

Course Substitution Table

Use the following tables to estimate how UIC might accept any general education courses you may have already completed. Acceptable courses and credit hours may vary by institution. UIC recommends that students contact a pre-admission counselor in Undergraduate Admissions at (312) 996-4350 before choosing any courses. Only lower-division, introductory courses will be accepted for general education. **If a course is listed in more than one category, that course may only fulfill the requirement in one category.**

UIC general education requirements changed beginning in Fall 2007. Transfer students who enroll at UIC through Spring 2009 will be allowed to follow either the GE pattern used prior to Fall 2007 or the new GE pattern adopted for Fall 2007. Transfer students who enroll at UIC in Fall 2009 or later will be required to follow the GE pattern adopted for Fall 2007.
