

Course Worksheet

This worksheet is meant to help you with the course approval process to make sure that all courses taken abroad will satisfy UIC graduation requirements. To prepare for your upcoming advising appointment with a Study Abroad Advisor, please complete this worksheet before your appointment. Consult:

- Your DARS report (or equivalent) from your college. Please schedule an appointment with your academic advisor or go online to obtain and go over your most recent DARS report.
- The website or brochure for your program including the latest course offerings and descriptions (links are provided to programs via the SAO website at <http://studvabroad.uic.edu>)

SAMPLE:
