

		NUMBER 1
MANUAL Student Employment Office Career Services	SECTION Hiring of Student Employees	PAGE 1 / 1
SUBJECT <i>Placing Job Orders</i>		REVISED 08/05

Departments that wish to hire student employees can submit a job order via the Internet at www.uiccareers.com.

Departments should choose from the list of available jobs to advertise a position with the UIC Job Center. A special procedure has been created to accommodate requests from departments that believe their student job does not fit into one of the listed job descriptions. (See Finding Student Employees)
