Early move-in may be possible within the week of the contract start. Contact the Tutorium Office.

### COSTS

Costs vary depending on the residence hall. The cost is between \$7,000 and \$11,000 the 9-month academic year, Fall and Spring sessions and between \$1,500 and \$2,500 for the 12-week Summer Session. The price may change. For current costs, go to <http://www.housing.uic.edu/rates.html>. For descriptions, floor plans and photos of the residence halls, go to <http://www.housing.uic.edu/halls/index.html>

### ROOMS AND FACILITIES

The rooms are air-conditioned, carpeted, and furnished with a bed, closet space, desk, chair, wastebasket, window blinds, and drawers. You must provide your own linens (sheets for a twin extra long bed), pillow, towels, toiletry items, telephone, extension cords, power strip with surge protector, desk lamp, floor lamp, laundry detergent, alarm clock. Go to <http://www.housing.uic.edu/bring.php> for details. For most room assignments, you will have your own single bedroom and share a bathroom and kitchen with roommates. ### MEAL PLANS

Most rooms have kitchens, so the contracts do NOT include a meal plan. However, if you want to eat in campus cafeterias, meal plans are available. The costs of different plans depend on your needs. There is a small administrative fee.

### BILLING, PAYMENT AND REFUNDS

You will receive monthly bills by email after you have moved in and classes have started. Your bills will contain your housing charges and charges for other services you use, like telephone, cable TV and Internet. For refund payments, complete a change of address information at the Central Housing Office and the Tutorium Office to ensure you get the refund.

### CANCELLATION

If you notify the Tutorium by the beginning of the session that you cannot attend or that you wish to cancel your housing contract, you will receive the appropriate refund.
