

**Southeast Chicago Diabetes Community Action Coalition
Form C.1**

Agency/Membership Profile

The Chicago Southeast Diabetes Community Action Coalition is updating and compiling a resource directory and database. This database has the following purposes: 1) improve communication among its members; 2) assess the services/resources brought to the coalition; and, 3) evaluate members development and participation, and impact of the Coalition. This Membership Profile and Database is divided into two parts: 1) Organizational and 2) Individual.

Please fill out additional profiles for each staff member, board member, or volunteer participating in the Coalition or its activities. Please FAX to: 312-996-3212 Attn: REACH Membership
