

## CURRICULUM VITAE

Donald Hedeker  
hedeker@uic.edu

(312) 996-4896

University of Illinois at Chicago  
School of Public Health (M/C 923)  
Division of Epidemiology and Biostatistics  
1603 West Taylor Street, Room 955  
Chicago, Illinois 60612-4394

### EDUCATION:

Ph.D., University of Chicago, 1989, Department of Behavioral Sciences, Committee on Research Methodology and Quantitative Psychology, *Random Regression Models with Autocorrelated Errors: Investigating Drug Plasma Levels and Clinical Response* (Advisor: R. Darrell Bock).

B.A., University of Chicago, 1980, Economics.

### HONORS:

- L. L. Thurstone Predoctoral Fellowship, University of Chicago, 1981-1984.
- Fellow, American Statistical Association, 2000.
- University Scholar, University of Illinois, 2000-2003.
- President, Chicago Chapter of the American Statistical Association, 2000-2001.

### ACADEMIC APPOINTMENTS:

[2001-present] **Professor of Biostatistics**, Division of Epidemiology and Biostatistics, School of Public Health, University of Illinois at Chicago.

[2002-2003] **Interim Division Director**, Division of Epidemiology and Biostatistics, School of Public Health, University of Illinois at Chicago.

[1996-2001] **Associate Professor of Biostatistics**, Division of Epidemiology and Biostatistics, School of Public Health, University of Illinois at Chicago.

[1993-1996] **Assistant Professor of Biostatistics**, Division of Epidemiology and Biostatistics, School of Public Health, University of Illinois at Chicago.

[1991-1993] **Adjunct Assistant Professor of Biostatistics**, Department of Psychiatry, University of Illinois at Chicago.

[1991-1993] **Associate Director of Statistics and Methods Core**, Prevention Research Center, School of Public Health, University of Illinois at Chicago.

[1989-1991] **Senior Research Specialist**, Department of Psychiatry, University of Illinois at Chicago.

Courses Taught - University of Illinois at Chicago

*Department of Sociology* : Multilevel Analysis of Social Data (Spring 1992).

*Department of Psychology* : Advanced Statistics II (Spring 1993).

*School of Public Health* : Biostatistics II (Spring 1994, Fall 1994-99, Spring 2003-05),  
Longitudinal Data Analysis (Spring 1995,1997,1999, Fall 2000-04).

Doctoral Dissertation Advisor (Biostatistics)

- Weichun Xu, 1995, *Mixtures in Random-effects Regression Models*.
- Ohidul Siddiqui, 1996, *Modeling Clustered Count and Survival Data with an Application to a School-based Smoking Prevention Study*.
- Kwan Hur, 1999, *A Random-effects Zero-inflated Poisson Regression Model for Clustered Extra-zero Count Data*.
- Rema Raman, 2002, *Mixed-effects Regression Models for Three-level Ordinal Response Data with Heterogeneous Variances*.
- Li Qi, 2003, *A Mixed-Effects Model for Longitudinal Multivariate Ordinal Data*.

Doctoral Dissertation Committee Member

- Lester M. Arguelles, Epidemiology, 2005
- Suna Barlas, Biostatistics, 1998
- Jerrilyn Cambron, Epidemiology, 2005
- Mehul R. Dalal, Pharmacy, 2004
- Sonia Duffy, Community Health Sciences, 1999
- Mary Fischer, Epidemiology, 2002
- Kirsty Forsyth, Community Health Sciences, 2000
- Anthony Garcy, Sociology, 2002
- Alyson Henry, Psychology, 1996
- Frank Bingchang Hu, Epidemiology, 1996
- Dezheng Huo, Epidemiology, 2004
- Varant Kupelian, Epidemiology, 2004
- Steven Lacey, Environmental and Occupational Health Sciences, 2002
- Hak-Myung Lee, Biostatistics, 1998
- Gang Li, Statistics, 2005
- Trudy Mallinson, Community Health Sciences, 2000

- Amy Pelka Mucha, Environmental and Occupational Health Sciences, 2003
- Mary Pabst, Health Policy and Administration, 1998
- Eisuke Segawa, Department of Behavioral Sciences, University of Chicago, 1998
- Gigi Thomas, Health Policy and Administration, 2000
- James Thomas, Kinesiology, 2000
- Lindsey Turner, Psychology, 2002

#### **RESEARCH SUPPORT:**

- 2004-2009 *Social-Emotional Contexts of Adolescent Smoking Patterns*. National Cancer Institute, program project PO1 CA098262, \$2,049,920 (annual direct costs), Mermelstein, R.J. (PI), **Hedeker, D. (PI of Data Management, Measurement and Statistics core)**.
- 2002-2005 *Mixed-Effects ZIP Models for Mental Health Research*. National Institute of Mental Health, grant R01 MH65556, \$150,000 (annual direct costs), Gibbons, R.D. (PI), **Hedeker, D. (co-I)**.
- 2000-2003 *Mentoring and Education of Services Research*. National Institute of Mental Health, grant R25 MH60250, Horwitz, S. (PI, Yale University), **Hedeker, D. (PI of subcontract)**.
- 1999-2005 *Statistical Models for Nested Services Utilization Data*. National Institute of Mental Health, competitive renewal of grant R01 MH56146, \$768,729 (Direct Costs), **Hedeker, D. (PI)**.
- 1999-2005 *Carbohydrate Craving: Behavioral and Psychobiological Features*. National Heart, Lung, and Blood Institute, grant R01 HL/DK63307, \$346,618 (annual direct costs), Spring B. (PI), **Hedeker, D. (co-I)**.
- 1998-2002 *Context and Subjective Experience of Early Smoking*. National Cancer Institute grant CA80266, \$1,256,886 (Direct Costs), Mermelstein, R.J. (PI), **Hedeker, D. (co-I)**.
- 1996-1999 *Statistical Models for Nested Services Utilization Data*. National Institute of Mental Health, grant R01 MH56146, \$218,048 (Direct Costs), **Hedeker, D. (PI)**.
- 1996-1999 *A Motor Test for Pediatric Rehabilitation*. National Institute of Child Health and Human Development grant R01 HD32567, Campbell, S.K. (PI), **Hedeker, D. (Statistician)**.
- 1994-1998 *Skin Cancer Prevention for Children and Adolescents*. National Cancer Institute, grant NCI 62964, \$656,256 (Direct Costs), Mermelstein, R.J. (PI), **Hedeker, D. (co-I)**.
- 1994-1997 *Random Regression Models for Longitudinal Psychiatric Data*. National Institute of Mental Health, grant R01 MH44826, \$473,081 (Direct Costs), Gibbons, R.G. (PI), **Hedeker, D. (co-PI)**.
- 1993-1998 *Recycling Attempters and Relapsers in Smoking Cessation*. National Heart, Lung, and Blood Institute, grant R01 HL42485, \$1,083,265 (Direct Costs), Mermelstein, R.J. (PI), **Hedeker, D. (co-I)**.

- 1993-1997 *Program Project: Strategies for Smoking Cessation among Low Educated Women, Core B: Methods and Statistics Core*. National Cancer Institute, grant PO1-CA-4270, \$4,807,918 (Direct Costs for entire program project), Warnecke, R. (PI), **Hedeker, D. (co-I)** and PI of developmental project.
- 1993-1998 *Health Promotion and Disease Prevention Research Center*. Centers for Disease Control, \$2,027,956 (Direct Costs for entire center), Levy, S. (PI), **Hedeker, D. (co-I)**.
- 1992-1993 *Ordinal Outcomes from Longitudinal Clustered Designs*. University of Illinois at Chicago Prevention Research Center Developmental Project, CDC grant R48/CCR505025, \$5,744 (Direct Costs), **Hedeker, D. (PI)**.
- 1992-1995 *Transition to Parenthood: Gender roles and Distress*. Health Resources and Service Administration, grant MCJ 170618, \$448,146 (Direct Costs), Kelley, M. (PI), **Hedeker, D. (co-I)**.
- 1992-1998 *Chicago African-American Health Behavior Project*. National Institute for Child Health and Human Development, grant HD30078, \$3,383,072 (Direct Costs), Flay, B.R. (PI), **Hedeker, D. (co-I)**.
- 1991-1993 *Random Regression Models for Longitudinal Psychiatric Data*. National Institute of Mental Health, grant R01 MH44826, \$318,997 (Direct Costs), Gibbons, R.D. (PI), **Hedeker, D. (co-PI)**.
- 1991-1992 *Statistical Issues in Drug Prevention Research: Ordinal Outcomes*. University of Illinois at Chicago Prevention Research Center Developmental Project, CDC grant R48/CCR505025, \$8,944 (Direct Costs), **Hedeker, D. (PI)**.
- 1991-1995 *Etiology of Drug Use and Abuse*. National Institute of Drug Abuse, grant DA 06307, \$1,950,000 (Direct Costs), Flay, B.R. (PI), **Hedeker, D. (co-I)**.
- 1990-1995 *Worksite Incentives for becoming a Nonsmoker*. National Heart, Lung, and Blood Institute, grant R18 HL42987, \$1,036,882 (Direct Costs), Jason, L.A. (PI), **Hedeker, D. (co-PI)**.

## **PUBLICATIONS - Journal Articles:**

- Fawcett, J., Clark, D. C., Scheftner, W. A., & **Hedeker, D.** (1983). Differences between anhedonic and normally hedonic depressive states. *American Journal of Psychiatry*, *140*, 1027-1030.
- de Wit, H., Uhlenhuth, E. H., **Hedeker, D.**, McCracken, S. G., & Johanson, C. E. (1986). Lack of preference for diazepam in anxious volunteers. *Archives of General Psychiatry*, *43*, 533-541.
- Janicak, P. G., Davis, J. M., Chan, C., Altman, E., & **Hedeker, D.** (1986). Failure of urinary MHPG levels to predict treatment response in patients with unipolar depression. *American Journal of Psychiatry*, *143*, 1398-1402.
- Fawcett, J., Scheftner, W. A., Clark, D. C., **Hedeker, D.**, Gibbons, R. D., & Coryell, W. (1987). Clinical predictors of suicide in patients with major affective disorders: a controlled prospective study. *American Journal of Psychiatry*, *144*, 35-40.
- Gibbons, R. D., **Hedeker, D.**, & Davis, J. M. (1987). Regression toward the mean: more on the price of beer and the salaries of priests. *Psychoneuroendocrinology*, *12*, 185-192.

#### INVITED PRESENTATIONS & WORKSHOPS:

(2005, April) *An Introduction to Mixed Models for Longitudinal Data Analysis*. Colloquium speaker for the Department of Mathematics and Statistics, Loyola University, Chicago.

(2005, April) *Mixed-Effects Regression Models with Heterogeneous Variance: Analyzing Ecological Momentary Assessment (EMA) Data of Smoking*. Colloquium speaker for the Department of Psychology, Washington University, St. Louis, Missouri.

(2005, February) *Mixed-Effects Models for Ordinal Data with Scaling Terms*. Colloquium speaker for the Division of Biostatistics, Department of Epidemiology and Public Health, Yale University School of Medicine, New Haven, Connecticut.

(2004, December) *Two-day Workshop on Mixed Models for Multilevel and Longitudinal Data*. University of Kansas, Lawrence, Kansas.

(2004, October) *Mixed-Effects Models for Ordinal Data with Scaling Terms*. Colloquium speaker for the Department of Biostatistics and Computational Biology, University of Rochester Medical Center, Rochester, New York.

(2004, July) *Half-day Workshop on Longitudinal Analysis: Growth Modeling*. Part of the Advanced Training Institute on Health Behavior Theory, sponsored by the Behavioral Research Program for the National Cancer Institute, the Society for Behavioral Medicine, and the American Psychological Association, Division 38, San Diego, California.

(2004, June) *One-day Workshop on Mixed Models for Longitudinal Data: An Applied Introduction*. Northeastern Illinois Chapter of the American Statistical Association, Northbrook, Illinois.

- (2004, March) *Mixed-Effects Regression Models with Heterogeneous Variance: Analyzing Ecological Momentary Assessment (EMA) Data of Smoking*. Conference on “Modeling Developmental Processes in Ecological Context,” sponsored by the Merrill Advanced Studies Center, the National Science Foundation, and the Society of Multivariate Experimental Psychology, Tempe, Arizona.
- (2003, September) *Mixed-Effects Models for Ordinal Data with Scaling Terms*. Colloquium speaker for the Department of Statistics, University of Illinois, Urbana-Champaign, Illinois.
- (2003, May) *An Introduction to Mixed Models for Longitudinal Data Analysis*. The Center on Outcomes, Research and Education, Evanston Northwestern Healthcare, Evanston, Illinois.
- (2003, April) *Location-Scale Models for Hierarchical Categorical Data*. Annual Meeting of the International Biometric Society, Eastern North American Region, Tampa, Florida.
- (2002, September) *Linear Regression Analysis and Beyond*. A half-day workshop sponsored by the Northeastern Chapter of the American Statistical Association for Local High School Advanced Placement Statistics Teachers, Chicago, Illinois.
- (2002, July) *Two-day Workshop on Multilevel Modeling*. The Pittsburgh Mind-Body Center, Department of Psychiatry, University of Pittsburgh, Pittsburgh, Pennsylvania.
- (2001, December) *Covariate Effects in Mixed Models for Longitudinal Categorical Outcomes*. International Conference on Health Policy Research, Boston, Massachusetts.
- (2001, December) *Multilevel Models for Categorical Outcomes*. Evening Lecture Series, Boston Chapter of the American Statistical Association, Boston, Massachusetts.
- (2001, July) *Mixed Models for Longitudinal Categorical Outcomes*. Annual Graduate Student Summer Methodology Workshop, Population Research Institute, Penn State University, State College, Pennsylvania.
- (2001, May) *One-day Preconference Workshop on Multilevel Analysis for Discrete and Time-to-Event Data in Prevention Research*. Annual Meeting of the Society for Prevention Research, Washington, DC.
- (2001, January) *One-day Preconference Workshop on Mixed Models for Longitudinal Data: An Applied Introduction*. Biennial CDC and ATSDR Symposium on Statistical Methods, Atlanta, Georgia.
- (2001, January) *Mixed-effects Modeling of Longitudinal Nominal Outcomes*. Biennial CDC and ATSDR Symposium on Statistical Methods, Atlanta, Georgia.
- (2001, January) *One-day Workshop on Longitudinal Data Analysis of Categorical Outcomes*. National Development and Research Institutes, New York, New York.
- (2000, June) *Mixed-effects Modeling of Data from Group Randomized Trials*. Annual Meeting of the Society for Prevention Research, Montreal Canada.
- (2000, May) *Two-day Workshop on Mixed-effects Modeling*. Summer Institute on Longitudinal Methods, The Methodology Center, Penn State University, State College, Pennsylvania.
- (2000, February) *One-day Workshop on Longitudinal Data Analysis*. National Development and Research Institutes, New York, New York.

- (1999, December) *Half-day Workshop on Multilevel Analysis*. Annual Meeting of the Maternal, Infant, and Child Health Epidemiology Workshop, Centers for Disease Control, Atlanta, Georgia.
- (1999, November) *A Multilevel Thresholds of Change Model*. Colloquium speaker for the Department of Psychology, University of Illinois, Urbana-Champaign, Illinois.
- (1999, November) *Analysis of Longitudinal Mental Health Data*. Colloquium speaker for the Missouri Institute of Mental Health, St. Louis, Missouri.
- (1999, November) *Mixed-Effects Models for Longitudinal Categorical Data*. Colloquium speaker for the Department of Health Studies, University of Chicago, Chicago, Illinois.
- (1999, November) *Mixed-Effects Models for Longitudinal Categorical Data*. Colloquium speaker for Biostatistics Interest Group, Rush Presbyterian St. Lukes Medical Center, Chicago, Illinois.
- (1999, October) *Mixed-Effects Models for Longitudinal Categorical Data*. Colloquium speaker for the Center for Statistical Sciences, Brown University, Providence, Rhode Island.
- (1999, May) *Reveling in Multilevel Models: An Applied Introduction*. “Multilevel Mayhem” conference, sponsored by the Chicago Chapter of the American Statistical Association, Chicago, Illinois.
- (1999, April) *Analysis of Longitudinal Alcohol and Smoking Outcomes*. Conference on the State-of-the-Art Methodologies in Health Services Research, National Institute on Alcohol Abuse and Alcoholism, Rockville, Maryland.
- (1998, November) *Multilevel Analysis of Ordinal Outcomes*. Colloquium speaker for the Department of Epidemiology, College of Human Medicine, Michigan State University, East Lansing, Michigan.
- (1998, October) *Missing Data in Longitudinal Studies*. Workgroup and Interviewers Meeting, Center for Substance Abuse Treatment, Division of Practice and Systems Development, Systems Development and Integration Branch, New Orleans, Louisiana.
- (1998, July) *Two-day Workshop on Hierarchical Linear Modeling*. Kennedy Center Summer Research Design and Data Analysis Seminar, Vanderbilt University, Nashville, Tennessee.
- (1998, May) *Random-effects Regression Analysis of Correlated Group-Time Survival Data and Application of Random-effects Pattern-Mixture Models for Missing Data*. John Hopkins University Prevention Research Conference on Integrating Statistical Methods with Prevention Research and Programs, Baltimore, Maryland.
- (1998, May) *Two-day Workshop on Longitudinal Data Analysis*. Psychiatric Research Center, Dartmouth College, Lebanon, New Hampshire.
- (1998, April) *Half-day Workshop on Mixed-effects Modeling*. School of Social Service Administration, University of Chicago, Chicago, Illinois.
- (1997, May) *A Generalized Mixed Effects Ordinal Regression Model*. Colloquium speaker for the Department of Preventive Medicine, University of Iowa, Iowa City, Iowa.

- (1997, April) *Multilevel Analysis of Categorical Outcomes*. One-day course, as part of the Amsterdam Conference on Multilevel Analysis, Amsterdam, The Netherlands.
- (1997, April) *A Partial Proportional Odds Model for Multilevel Ordinal Responses*. Amsterdam Conference on Multilevel Analysis, Amsterdam, The Netherlands.
- (1997, January) *A Generalized Mixed Effects Ordinal Regression Model*. Colloquium speaker for the Department of Biostatistics, School of Public Health, University of Michigan, Ann Arbor, MI.
- (1997, January) *Application of Random-Effects Pattern-Mixture Models for Missing Data in Longitudinal Studies*. Colloquium speaker for The Methodology Center and The Center for the Study of Prevention Through Innovative Methodology, Penn State University, University Park, PA.
- (1997, January) *A Generalized Mixed Effects Ordinal Regression Model*. Colloquium speaker for the Department of Statistics, Penn State University, University Park, PA.
- (1997, January) *Multilevel Models: An Applied Introduction*. Monthly meeting of the Chicago Chapter of the American Statistical Association, Chicago, IL.
- (1996, July) *Two-day Workshop on Longitudinal Data Analysis*. Homeless Research Project, San Diego State University, San Diego, California.
- (1996, April) *Random Effects Models in Longitudinal Data with Ordinal Outcomes*. Annual Conference sponsored by The Delaware Chapter of the American Statistical Association, University of Delaware, Newark, DE.
- (1996, January) *Two-day Workshop on Longitudinal Data Analysis*. Medical University of South Carolina, Charleston, SC.
- (1995, November) *One-day Workshop on Longitudinal Data Analysis*. Medical University of South Carolina, Charleston, SC.
- (1995, October) *Invited Speaker for Two-day Workshop on Data Analysis Issues*. Centers for Disease Control, Division of Adolescent and School Health, Atlanta, GA.
- (1995, September) *Random-effects models for ordinal and dichotomous response data*. Speaker for the One-day Workshop “Missing Data in the Social Sciences,” jointly sponsored by the Departments of Statistics and Operations Research, Psychology, Sociology, and Teaching and Learning, New York University, New York, NY.
- (1995, August) *Two-day Workshop on Longitudinal Data Analysis*. Sponsored by The National Association of State Mental Health Program Directors Research Institute, Inc. in collaboration with Mental Health Policy Workgroup, John F. Kennedy School of Government, Harvard University, Boston, MA.
- (1995, May) *One-day Workshop on Longitudinal Data Analysis*. Schizophrenic Disorders Program, Department of Psychiatry and Behavioral Sciences, Emory University School of Medicine, Atlanta, GA.
- (1995, May) *One-day Workshop on Longitudinal Data Analysis*. Department of Medical Affairs, Medical Center, West Haven, CT.

- (1995, April) *Panelist, Two-day Workshop on New Directions in Psychosocial Intervention Research in Geriatric Mental Health*. Cosponsored by the NIMH Mental Disorders of the Aging Research Branch and the MacArthur Foundation Research Network for Psychopathology and Development, Washington, D.C.
- (1994, December) *Half-day Workshop on Longitudinal Data Analysis*. Psychiatric Research Center, Dartmouth College, Lebanon, NH.
- (1994, October) *Half-day Workshop on Longitudinal Data Analysis*. National Association of State Mental Health Program Directors Research Fellows' Meeting, Grand Lake, CO.
- (1994, May) *One-day Workshop on Longitudinal Data Analysis*. State of Connecticut Department of Mental Health Research Division, Middletown, CT.
- (1994, July) *Statistical Approaches to Longitudinal Analysis of Psychiatric Data*. Presentation and workshop, University of Limburg, Maastricht, The Netherlands.
- (1993, October) *Longitudinal Analysis of Mental Health Data: Some Recent Statistical Advances*. National Conference on State Mental Health Agency Services Research and Program Evaluation. Annapolis, MD.
- (1993, June) *Multilevel Regression Models*. International Meeting of the Society for Psychotherapy Research, Pittsburgh, PA.
- (1993, March) *One-day Workshop on Multilevel Data Analysis*. Center for Urban Affairs and Policy Research, Northwestern University.
- (1993, March) *One-day Workshop on Multilevel Data Analysis*. Department of Psychology, Memphis State University.
- (1993, February) *Multilevel Analysis of Ordinal Data*. Centers for Disease Control and Prevention Annual Conference for National Prevention Centers, Tucson, AZ.
- (1993, January) *Multilevel Analysis using Random-effects Models: Applications to Relapse Research*. National Institute on Alcohol Abuse and Alcoholism Division of Clinical and Prevention Research Treatment Research Branch, Methodologies for Relapse Research Workshop, Santa Fe, NM.
- (1992, September) *Uses of Random Regression Models in Psychiatry*. MacArthur Foundation Research Network on the Psychobiology of Depression and Other Affective Disorders: Random Regression Workshop, Chicago, IL.
- (1991, November) *Random Regression Models for Clustered Data*. National Institute of Mental Health and American Public Health Association Continuing Education Institute, Atlanta, GA.

#### REVIEW ACTIVITIES:

- Member, Interventions Research Review Committee, National Institute of Mental Health, 1999-2003.

- Member, Clinical Centers and Special Projects Review Committee, National Institute of Mental Health, 1997-1998.
- Ad-hoc Grant Reviewer for National Heart, Lung, and Blood Institute, 1990-1997.
- Ad-hoc Grant Reviewer for National Institute of Mental Health, 1996, 1999, 2003-2005.
- Grant Reviewer for The Dutch Social Science Research Council of the Netherlands Organisation for Scientific Research, 2003.
- Grant Reviewer for the Research Council of the Katholieke Universiteit Leuven, 2004.
- Grant Reviewer for The Wellcome Trust, United Kingdom, 1997.
- Member, University Scholars Review Committee, University of Illinois at Chicago, 2002.
- Panel Member, National Institutes of Health Consensus Development Conference on Effective Medical Treatment of Heroin Addiction, November 1997.
- Member, Scientific Advisory Committee, Healthy Passages: A Community-based Longitudinal Study of Adolescent Health, Centers for Disease Control, 2002 to present.
- Member, External Study Group, Community Intervention Trial for Youth, Centers for Disease Control, 2000-2003.
- Member, Data and Safety Monitoring Board, Improving Functioning in Peripheral Arterial Disease, Northwestern University, 2004 to present.
- Member, Data and Safety Monitoring Board, Chicago Initiative to Raise Asthma Health Equity, Northwestern University, 2003 to present.
- Member, Data and Safety Monitoring Board, A Randomized Clinical Trial of Cognitive-Behavioral Treatment for PTSD in Women, Department of Veteran Affairs, 2002 to 2005.
- Member, Expert Panel, National Survey of Knowledge, Attitudes and Beliefs Regarding the Anthrax Vaccine Among Military Personnel, Centers for Disease Control, 2001-2002.
- Member, External Advisory Committee, San Francisco Treatment Research Center, Department of Psychiatry, University of California, San Francisco, 2005.
- Associate Editor, Journal of Educational and Behavioral Statistics, 1994 to 2001.
- Consulting Editor for Statistics, Bipolar Disorders, 1998 to present.
- Manuscript Reviewer and/or Book Reviewer:
  - American Journal of Psychiatry, Applied Statistics, Archives of General Psychiatry, Biometrics, Biostatistics, Bipolar Disorders, British Journal of Mathematical and Statistical Psychology, Communications in Statistics, Computational Statistics and Data Analysis, Health Psychology, Health Services and Outcomes Research Methodology, Journal of the American Statistical Association, Journal of Consulting and Clinical Psychology, Journal of Educational and Behavioral Statistics, Journal of Family Psychology, Journal of the Royal Statistical Society, Journal of Statistical

Computation and Simulation, Multivariate Behavioral Research, Psychological Bulletin, Psychological Methods, Psychometrika, Statistical Methods in Medical Research, Statistical Modelling, Statistics in Medicine, Survey Methodology, Tobacco Control.
