

**GET CONNECTED WITH A MENTOR FROM THE
COOK COUNTY STATE'S ATTORNEY'S OFFICE!**

UIC students who are interested in law have a great new opportunity – to participate in a mentorship program where you will be matched with an attorney from the Cook County Assistant State's Attorney's Office! Over 40 Assistant State's Attorneys (ASAs) have agreed to serve as mentors to UIC students. These ASAs have a wide ranging set of assignments, and therefore, they have a wide-ranging set of interests and expertise. Most are recently graduated from law school, and can give you interesting perspectives on the experience.

If you are interested in a career related to law, you will benefit from participating in this mentorship program, so do not hesitate to sign up! In return, you will be assigned to a specific ASA who will spend some of his or her valuable time discussing law-related issues with you. Specifically, you will be in contact with this person via email or telephone, and you will have the opportunity to meet your mentor in person.
