

# THE HEKTOEN INSTITUTE OF MEDICINE SOCIETY OF MEDICAL HISTORY AND HUMANITIES

Presents

## Anatomy of a Revolt: Body Images in Political Cartoons of the Arab Revolt, 1936-1939

This presentation explores and compares body images in Hebrew and Arabic political cartoons during one of the most contentious times in Palestine, the 1936 Arab Revolt.

Analyzing the images of the body in these political cartoons allows us to better understand their sub-textual messages.

**Sandy Sufian, MPH, Ph.D.,**  
Associate Professor of Medical Education, College of Medicine,  
University of Illinois at Chicago

**Wednesday, November 12, 2008**
