

Robert C. Glowacki, Pharm.D., BCPS

Licensure

Registered pharmacist: IL; 051-039110
Board Certified Pharmacy Specialist (BCPS) - conferred 1995

Education

University of Illinois at Chicago
July 1992 - June 1993
Pharmacy Practice Residency

Creighton University
September 1988 - May 1992
Degree conferred - Pharm.D.

Creighton University, Omaha, NE
September 1985 - May 1988(pre-pharmacy)

Professional Clerkship (residency)

Administration and Orientation
Medicine Intensive Care Unit I & II
General Medicine I, II, & III
Surgery
Drug Information

Infectious Disease
Cardio-Thoracic Care Unit
Transplant
Pediatrics

Professional Clerkships (student)

Community Pharmacy Practice - Omaha, NE
Clinical Pharmacokinetics - Omaha, NE
Internal Medicine I & II - Omaha, NE
Ambulatory Care - Seattle, WA
Hospital Pharmacy Practice - Omaha, NE
Infectious Disease - Harvey, IL
Oncology - Omaha, NE
Skilled Nursing Care - Omaha, NE
Drug Information - Omaha, NE

Professional or Work Experience

John H. Stroger, Jr. Hospital of Cook County

1835 W. Harrison St. Chicago, IL 60612, Mar 1999- present

Clinical Pharmacist – Responsibilities include: providing therapeutic drug monitoring for the inpatient infectious disease team, discharge patient counseling, medication histories, pharmacokinetic and adverse drug monitoring, educating students, nurses, physicians regarding drug therapy, teaching clerkship classes and recitation sections at the University of Illinois at Chicago and Malcolm X, carrying out quality assurance and drug utilization services, and facilitating investigational drug studies.

University of Illinois at Chicago College of Pharmacy and Hospital

833 S. Wood St. Chicago, IL 60612, June 1992- Feb 1999

Clinical Assistant Professor - Responsibilities include: daily rounds with physicians, pharmacokinetic and adverse drug reaction monitoring, patient medication histories and discharge counseling, determining and monitoring patient nutritional needs, pharmacy, physician and nursing inservices, facilitating continuity of care for the HIV/infectious disease service, precepting pharmacy students, teaching clerkship class and recitation sections, carrying out quality assurance and drug utilization services and served on the P&T committee for one year.

St. Luke's Hospital Pharmacy

1227 E. Rusholme Rd. Davenport, IA 52803, May 1990-1992

Pharmacy Intern - Responsibilities include: computer order-entry, filling unit dose carts, preparing IV's, 30-day medication reviews in the skilled nursing unit, antibiotic prophylaxis study, compounding, and writing a flow chart on pharmacy operations.

Johnson's Pharmacy and Home Healthcare

918 E. Pierce St. Council Bluffs, IA 51591, August 1989-1992

Pharmacy Intern - Responsibilities include: filling prescriptions under the supervision of a pharmacist, filling nursing home orders using the OPUS system, verifying nursing home orders, reviewing and updating medication sheets monthly at the nursing home, and counseling patients on medications, blood glucose and blood pressure machines.

Presentations

National Meeting Platforms/Posters:

1. Pulvirenti JJ, Glowacki R, Herrera P, Muppiddi U, Perumal S, Kohl B, Jezisek T. "High Mortality in Urban AIDS Substance Abuse Patients After Hospitalization For Severe Opportunistic Infections", presented at Infectious Diseases Society of America (IDSA), Boston, MA, September 2005
2. Jain R, Schriever C, Danziger L, Franzblau S, Cho S, Glowacki R, Welbel S, Rubinstein I. "Failure to Detect the IS6110 Repetitive DNA Element of Mycobacterium Tuberculosis in Exhaled Breath Condensate of Patients with Active Pulmonary Tuberculosis", presented at European Conference Clinical Microbiology and Infectious Diseases, Prague Czechoslovakia, April 2004
3. Gunderson SM, Glowacki RC, Seeger J, Garey K, Pulvirenti J. "Comparison of Medication Interventions (MI) Made by Clinical Pharmacists (CP) when an HIV Inpatient Service was Changed to an HIV Consult Service", presented at American College of Clinical Pharmacy (ACCP) spring forum, Palm Springs, CA, April 2003

4. Gunderson SM, Glowacki RC. “Key Contributions by Clinical Pharmacists on an Inpatient HIV Consult Team”, presented at the XIV International AIDS Conference, Barcelona, Spain, July 2002
5. Pulvirenti J, Vekataraman P, Shastri J, Sarazine J, Gail C, Glowacki R. “HIV Patients on HAART: Why are they Still Admitted to the Hospital?”, Poster , presented at 9th Conference on Retroviruses and Opportunistic Infections (CROI), Seattle, WA, February, 2002
6. Glowacki RC, Schwartz DN, Itokazu GS, Weinstein RA. “Prospective Intervention to Reduce the Use of Antibiotic Combinations with Redundant Antimicrobial Spectra”, Poster, presented at 41ST Interscience Conference on Antimicrobial Agents and Chemotherapy (ICAAC), Chicago, IL, December 2001
7. Zagorski BM, Trick W, Schwartz DN, Glowacki RC, et al. “Evaluation of Confounding by Serum Creatinine: Comparison of Two Antimicrobial Utilization Measurements”, presented at 41st ICAAC, Chicago, IL, December, 2001
8. Falusi O, Pulvirenti J, Sarazine J, Shastri P, Gail C, Glowacki R. “HIV Infected Inpatients in the HAART Era; Impact of Hepatitis C Virus”, Poster, presented at 41st ICAAC, Chicago, IL, December, 2001
9. Herrera P, Pulvirenti J, Shastri P, Glowacki B, et al. “How do Hispanic HIV Inpatients Differ from Other Ethnic Groups? A Study from an Inner City Inpatient HIV Unit”, Poster, presented at Infectious Diseases Society of America (IDSA), San Francisco, CA, October, 2001
10. Glowacki RC, Garey K, Pai A. “Interventions Performed by a Clinical Pharmacy Team on Hospitalized Patients with HIV”, Poster, presented at ACCP spring forum, Salt Lake City, UT, April 2001.
11. Glowacki RC, Pulvirenti J. “Assessing the Appropriateness of Discharge Prescriptions for Hospitalized HIV Patients”, Poster, presented at ACCP spring forum, Salt Lake City, UT, April 2001
12. Glowacki RC, Schwartz DN, Itokazu GS, Weinstein RA. “Point Prevalence Survey of Antimicrobial Duplication in an Urban Teaching Hospital”, Platform presentation, presented at Society of Healthcare Epidemiologists of America (SHEA), Toronto, Canada, April 2001
13. Schwartz DN, Itokazu GS, Glowacki RC, Wisniewski M, Weinstein RA. Prospective Comparison of Bedside Observation and Nurse’s Medication Records for the Administration of Intravenous Antibiotics, Poster, presented at Infectious Diseases Society of America (IDSA), New Orleans, LA, October 2000.
14. Chin K, Glowacki RC, et al. “Education of pharmacy clerkship students within a new model

for the provision of pharmaceutical care“, Poster, presented at ACCP spring forum, Panama City, FL, April 1997.

15. Glowacki RC, Chin K, et al. "Optimizing the Provision of Pharmaceutical Care in a University Hospital Setting", Poster, presented at American Society of Healthcare Pharmacists (ASHP) mid-year meeting, New Orleans, LA, December 1996.
16. Glowacki RC, Chin K, et al. "Pharmacy-Facilitated Discharge Planning", Poster, presented at the ASHP mid-year meeting, New Orleans, LA, December 1996.
17. Glowacki RC, et al. "Continuity of Care with an Inpatient/Outpatient HIV Service", Poster, presented at ACCP annual meeting, Washington, DC, August 1995.
18. Glowacki RC. "Challenging Cases in Infectious Disease", Platform, presented at ACCP annual meeting, Washington, DC, August 1995.
19. Glowacki RC. "Infections in Diabetics", Platform, presented at Illinois Council of Hospital Pharmacists (IHP) mid-year meeting, Bloomington, IL, September 1994.
20. Glowacki RC, Shinn B. "Surgical Antimicrobial Prophylaxis in a Midwest Teaching Institution", Poster, presented at ASHP mid-year meeting, New Orleans, LA, December 1991.

Formal Lectures:

1. "Use of Antifungals in HIV Patients", Lecture, presented to the medical staff, Michael Reese Hospital, Chicago, IL, May 1993.
2. "The use of PCA's to Treat Post-op Pain", Seminar, presented to physicians, pharmacists, and other healthcare professionals, University of Illinois at Chicago, Chicago, IL, February 21, 1993.
3. "Endotracheal Administration of Drugs During Cardiovascular Emergencies", Seminar, presented to physicians, pharmacists, and other healthcare professionals, Michael Reese Hospital, Chicago, IL, September 1992.
4. "Treatment of Drug-Induced Agranulocytosis with GM-CSF", Lecture, presented to faculty and students, Creighton University, Omaha, NE, April 1992.
5. "Treatment of Acute Myocardial Infarction", Lecture, presented to faculty and students, Creighton University, Omaha, NE, March 1992.
6. "Treatment of Squamous Cell Lung Cancer", Lecture, presented to faculty and students, Creighton University, Omaha, NE, January 1992.

7. "Treatment of Acyclovir-Resistant Herpes in an AIDS Patient", Seminar, presented to physicians, pharmacists, and other healthcare professionals, Ingalls Memorial Hospital, Harvey, IL, November 1991.
8. "Streptococcus Pneumonia", Case Presentation and Lecture, presented to faculty and students, Creighton University, Omaha, NE, August 1991.
9. "Once a Day Dosing of Aminoglycosides", Lecture, presented to faculty and students, Creighton University, Omaha, NE, July 1991.

Inservices to pharmacists and other healthcare professionals on various topics is done on a monthly basis.

Research and Professional Projects

Research:

1. Sub-investigator – CAROT, 2004 – ongoing. A CDC funded study comparing 3 methods of antibiotic controls to determine which method best controls inappropriate antimicrobial prescribing.
2. Coordinator Drug Study – “A Phase 3, Multicenter, Randomized, Open-Label Comparative Study to Assess the Safety and Efficacy of Daptomycin Compared to Conventional Therapy in the Treatment of Subjects with Infective Endocarditis or Bacteremia due to *Staphylococcus aureus*”, Protocol # (DAP-IE-01-02), 2003-4
3. Sub-Investigator - “Using Exhaled Breath Condensate to Assess Inflammation”, 2002-4.
4. Sub-investigator - Chicago Antimicrobial Resistance Project (CARP) funded by the Centers for Disease Control and Prevention (#U50/CCU15853), 1999-2003.
5. Co-Coordinator Drug Study – “Linezolid for the Treatment of Vancomycin resistant Enterococcal Infections: A Double Blind Trial Comparing 600mg Linezolid Every 12 hours with 200mg Linezolid Every 12 Hours”, Protocol # M/1260/0054, 1999
4. Administration Project - "The impact of clinical pharmacy interventions in an outpatient AID's clinic." Michael Reese Hospital, Chicago IL, 1992.
5. Drug Usage Evaluation (DUE) - "Coumadin Use." Michael Reese Hospital, Chicago, IL, 1993.

6. DUE - "Surgical Antimicrobial Prophylaxis." St. Joseph's Hospital, Omaha, NE, 1991, and St. Luke's Hospital, Davenport, IA, 1989.
7. DUE - "Use of ketorolac for pain control." Immanuel Hospital, Omaha, NE, 1991.
8. DUE - "Use of thrombolytics for treatment of acute myocardial infarction." Immanuel Hospital, Omaha, NE, 1991.

Committees

1. Pharmacy and Therapeutics Committee member, University of Illinois at Chicago, 1996-1999.
2. Anti-infective Committee member, John H. Stroger Jr., Hospital of Cook County, 1999 – present.
3. Inpatient HIV/Infectious Diseases Quality Assurance Floor Committee member, John H. Stroger Jr., Hospital of Cook County, 1999 – present.
4. Cerner Implementation Committee member, John H. Stroger Jr., Hospital of Cook County, 2000 – present.

Honors and Awards

Upjohn Research Award, April 1992.
 Kappa Psi Scholastic Honor Certificate, 1989-1992.

Professional Affiliations/Positions Held

American College of Clinical Pharmacists, 1995-present.
 American Society of Hospital Pharmacists, 1991-present.
 Phi Lambda Sigma Leadership Society, 1991-present.
 Rho Chi Honor Society, 1990-present.
position held: Pharmacy Allied Health Student Government (PASG)
 Representative.
 Academy of Students of Pharmacy, 1988-1992.

 Kappa Psi Pharmaceutical Fraternity, 1988-present.
positions held: Sergeant at Arms, Second Vice-Regent, PSAG
 Representative.

Community Service

Blood Cholesterol Screening, Hy-Vee Drugtown, Davenport, IA, July 1990.

Blood Glucose Diabetes Screening, Walgreens, Omaha, NE, November 1990.
