Teaching Experience

Chicago State University College of Pharmacy

PHAR 6222

Literature evaluation and evidence-based medicine

Course Coordinator 2009

Lecture 2009-present

Topics:

- pregnancy/lactation
- PubMed/IPA
- primary literature
- writing skills/plagiarism
- clinical trial design
- evaluation of a clinical trial
- evidence-based medicine
- drug policy development
- journal club the next level

University of Illinois at Chicago College of Pharmacy

PHAR 355/455

Drug information and statistics

Course Coordinator 2004-2006

Lecturer 2000-present

Topics:

- clinical trial design
- descriptive statistics
- writing skills/plagiarism
- meta-analysis
- evidence-based medicine
- drug policy development
- ethical and legal concerns for drug information
- randomization and sampling

PMPR 385/357

Plasma-derived and recombinant therapeutics

Course Coordinator 2003-2005

Lecturer 2003-present

Topics:

- crystalloids and colloids
- fluid resuscitation and shock

Recitation facilitator

PHAR 402, PHAR 352, PHAR 354, PMPR 341

Facilitator for various therapeutics courses

Preceptor

Doctor of Pharmacy Candidates

Drug Information Rotation

1999-present

Pharmacy Practice Residents
UIC residents, Cardinal residents
2005-2009

Academic advising

Academic Advisor Pharmacy students
1999-present

Faculty advisor for Phi Delta Chi Fraternity
2002-present

Peer Review

The Annals of Pharmacotherapy, Harvey Whitney Books Company, Cincinnati, Ohio.
Doody Publishing Book Review Service, Oak Park, IL.
Journal of the American Pharmacists Association, Washington D.C.
