

CURRICULUM VITAE
January 2006

FRANK P. PALOUCEK, Pharm.D. DABAT

PERSONAL DATA

Business: Department of Pharmacy Practice, (M/C 886)
833 South Wood Street
Chicago, Illinois 60612
312-996-5328
paloucek@uic.edu

EDUCATION

September 1982 - May 1984 Doctor of Pharmacy,
Philadelphia College of Pharmacy & Sciences

June 1978 - July 1981 Bachelor of Science in Pharmacy
University of Illinois at Chicago

BOARD CERTIFICATION

September 1991 American Board of Applied Toxicology
(recertified October 1996, 2001)

PROFESSIONAL EXPERIENCE

July 1999 - present Director, Residency Programs
University of Illinois College of Pharmacy

July 1996 - present Professional Staff
Great Lakes Center for Occupational and Environmental
Safety and Health
University of Illinois at Chicago School of Public Health

December 1990 - 1999 Adjunct Assistant Professor
Department of Emergency Medicine, UIC

April 1990 - present Attending Toxicologist
Toxikon Consortium

July 1994 - present Clinical Associate Professor
Clinical Toxicology
UIC College of Pharmacy - Voting Member

July 1988 - June 1994 Clinical Assistant Professor
Emergency Medicine/Clinical Toxicology
UIC College of Pharmacy - Voting Member

July 1986 - June 1988 Clinical Assistant Professor
Internal Medicine/Nephrology
UIC College of Pharmacy

July 1985 - July 1986	Research Fellowship in Clinical Pharmacokinetics UIC College of Pharmacy
July 1984 - July 1985	Clinical Pharmacy Resident, University of Illinois Hospital
May 1984 - July 1984	Clinical Pharmacist in Drug Information Hospital of University of Pennsylvania
September 1982 - May 1984	Staff Pharmacist (Part-Time) Thomas Jefferson University Hospital
July 1981 - August 1982	Staff Pharmacist in Drug Information University of Illinois Hospital

TEACHING RESPONSIBILITIES (current)

July 1991-1999	Program Coordinator Specialized Residency/Fellowship in Emergency Medicine/Clinical Toxicology
----------------	---

July 1986 -	Clinical Preceptor PMPR 361 Advanced Medicine Clerkship PMPR 388 Elective Clerkship Course Coordinator PMPR 359 Special Topics - Postgraduate Training (2001-present) PMPR 345 Clinical Toxicology (2000 – present) PMPR 390 Special Topics in Pharmacy Practice (1987- present)
-------------	--

	Section Coordinator PMPR 340 Pharmacotherapeutics I - Hematology (1988-97)
--	--

	Lecturer
PMPR 701	Resident Education
PHARM 401	Principles of Drug Action & Therapeutics I (Clinical Problem Solving, Acid:Base Disorders)
PHARM 403	Principles of Drug Action & Therapeutics III (Volatile Substance Abuse, Medicinal Drug Abuse)
PHARM 405	Principles of Drug Action & Therapeutics III (General Poison Management)
PMPD 423	Adverse Drug Reactions (Nephrotoxins)
PMPR 370	Pharmacy Grand Rounds
PMPR 350	Ambulatory Clerkship Conference - Toxicology
PMPR 371	Ambulatory Care I – Facilitator
BPS 365	Physiology- Acid:Base
EOHS 440	Advanced Special Topics in Environmental Health - Hepatotoxins
BIOS 196	Biology Colloquium – Poisoning
DADM 341	Dental Therapeutics

SCIENTIFIC EXHIBITS AND ABSTRACTS

Rhee JW, Diaz A, Paloucek FP, Erickson TB. Unknown Radioopaque Material Obscuring the Diagnosis of Appendicitis. 2005 Annual NACCT Scientific Meeting, Orlando, FL, September 2005.

Peverly SL, Paloucek FP. A Bridge to Quality: A Multidisciplinary Bioterrorism Curriculum. Poster Session, 2005 AACP Annual Meeting and Seminars, Cincinnati, Oh July, 2005.

“Important pharmacokinetic and pharmacodynamic considerations in the treatment of the overdose patient.” Pharmacokinetic and pharmacodynamic changes in critically ill patients: impact on clinical outcome symposium. Detroit Receiving Hospital and Wayne State University, Detroit MI January 1997.

“Overview of emergency services” Ortho-McNeil Hospital Preceptorship Program. Ortho-McNeil and the University of Illinois Department of Pharmacy Practice Section of Pharmacokinetics and pharmacodynamics. Chicago, IL December 1996 and January 1997 (94 programs).

"Pharmacotherapy of acute seizures: traditional therapy and new frontiers". Medical Education Systems, Inc Inservices Programs. St. Francis Hospital Chicago, December 1996, **also** Miami valley Hospital Dayton **and** Faculty Dinner lecture Series, Cleveland , February 1997

"Practical issues in managing poisoned patients: a case-based discussion". Emergency and Critical Care Toxicology Symposium. Metropolitan Chicago Healthcare Council, Chicago, IL December 1996.

"Pharmacokinetic controversies with hemodialysis for lithium toxicity". ABAT Symposium, North American Congress of Clinical Toxicology, Portland, OR, October 1996.

"Toxic alcohols". Medical Grand Rounds, Columbia-Michael Reese Hospital, Chicago, IL September 1996.

"Therapeutic drug levels: Overview, interpretation of levels and case studies" In: Case-oriented approach to emergency toxicology and therapeutic drug monitoring Workshop, 1996 Annual Meeting American Association of Clinical Chemistry, Chicago, IL July 1996.

"Update of toxicology for Internal medicine". St Francis Hospital Professional Lecture CME Series. Evanston, IL May 1996.

"Controversies in Poisoning" Internal Medicine Grand Rounds University of Illinois College of Medicine and the West Side Veterans Administration Hospital, April 1996.

"Toxic Tours" Kappi Psi Annual Meeting CE Program. Chicago, IL March 1996.

"Emergency services" In: Fosphenytoin preceptor programs, Physicians World Communications Group, Chicago, IL November 1995.

"Toxic Tours: Pharmacy Care Maps". Focus on Pharmacy Practice CE Seminars, University of Illinois College of Pharmacy, Oak Brook, November 1995.

"The occult side of toxicology", Internal Medicine Grand Rounds, Rush Presbyterian St. Lukes's Hospital, Chicago, IL, November, 1994.

"Pharmaceutical care of the poisoned patient". 1994 Annual meeting, Idaho Society of Hospital Pharmacists, Sun valley, Idaho, October 1994.

"Emergency Medicine and Toxicology", Internal Medicine Board Review, Osler Institute, Naperville, IL June 1994 and April, May, June, July and August 1995.

"A Taste of Poison", Dik Drug Educational Expo and The Continuing Education Office of The University of Illinois College of Pharmacy, Willowbrook, IL, May 1994.

"Theophylline and beta-agonist poisonings". Symposium on toxicology, Center for Advanced Medical Education, Chicago, April 1994.

"Pharmaceutical care of the poisoned patient". Updating Pharmaceutical Care in

Illinois Conference, Illinois College Clinical Pharmacy, Chicago, January 1994.

"Theophylline toxicity". Symposium on toxicology, Center for Advanced Medical Education, Chicago, June 1993.

"Antidote update". Louis Gdalmann Toxicology Lecture Series. Rush-Presbyterian-St. Luke's Medical Center, Chicago, March 1993.

"Neurological issues in the poisoned patient". 1st Annual Critical Care Conference, Meriter Hospital, Madison, February 1993.

"What's new in emergency drugs". Annual Scientific and Educational Meeting, Emergency Nurses Association, Orlando, October 1992.

"Mastering critical care pharmacology". Annual Scientific and Educational Meeting, Emergency Nurses Association, Orlando, October 1992.

"What's new in emergency drugs". Emergency and Trauma Nursing Conference, Contemporary Forums, Chicago, June 1992.

"Greatest Fears Workshop - Toxicology". Pharmacotherapy Exam Preparation Course, ACCP, Chicago, May 1992.

"Pharmacy practice in the emergency center: management of the poisoning patient". Therapeutic Update, 1992, New drugs and current trends, The Toledo Hospital, Toledo, April 1992.

"Cyclic antidepressant arrhythmias, do we really know what we are treating?". State of the Art Review, Rush-Presbyterian's-St. Luke's Medical Center, Chicago, March 1992.

"Current trends/controversies in management of poisonings". Annual Meeting South Carolina Society of Hospital Pharmacists, Greenville, South Carolina, November, 1991.

"Managing complex iv drugs and drips". 19th Annual Trauma and Critical Care Symposium, Chicago, IL, October, 1991.

"What's new in emergency drugs". 19th Annual Trauma and Critical Care Symposium, Chicago, IL, October, 1991.

"What's new in emergency drug therapy" 1990 Annual Emergency Nurses Association Meeting, Chicago, IL, October 1990.

"Decision analysis and serum acetaminophen sampling in an emergency room". Second Annual ICCP Research Forum, Illinois College of Clinical Pharmacy, Chicago, Illinois, October 1990.

"The role of theophylline in the emergency management of asthma". Chicagoland Hospitals Emergency Pediatricians Meeting. Michael Reese Hospital and Medical Center, Chicago, Illinois, April 1990.

"Treatment of urgent hypertension". Cook County Hospital, Chicago, Illinois, December, 1989.

"Theophylline toxicity and management". The Third Annual Louis Gdalmann Toxicology Lecture Series. Rush-Presbyterian-St.Luke's Medical Center, Chicago, Illinois, November 1989.

"The role of activated charcoal in poisonings" Round Table Discussions Sessions. Annual Meeting, American College of Clinical Pharmacy, Kansas City, Missouri, August 1989.

"Evaluation of Theophylline Overdoses and Toxicities." Northern Illinois Society of Hospital Pharmacists, Chicago, Illinois March 1986; and Cook County Hospital: Emergency Medicine Grand Rounds, Chicago, Illinois, February 1986;

"Treatment of Supraventricular Tachycardia." University of Illinois Critical Care Nurses Association, Chicago, Illinois, August 1985.

GRANTS and AWARDS

Finnegan P, et al. Preparing America's Health Care Professionals for Bioterrorism. Health Resources and Services Administration. Applied for \$2,855,040 (Paloucek FP as consultant faculty time applied for ~20,000)

Erickson TB, et al. Bioterrorism Curricula Enhancement – University of Illinois. Health Resources and Services Administration. Applied for \$362,988. (Paloucek FP as Pharmacy Liaison ~ 12,000)

Paloucek FP. Awardee - Leadership Center of Excellence for Bioterrorism Preparedness- Pharmacy Education. Chicago Department of Public Health. \$12, 000, April 2003.

Tillman DJ, Poddig BE, Watanabe MD, Paloucek FP. Sodium polystyrene sulfonate versus polyethylene glycol solution in the reduction of serum lithium levels, \$500 Upjohn Research Award and \$1500 Annual American Academy of Clinical Toxicology Research Award.

Paloucek FP. Clinical comparison of commercial oral activated charcoal products in the treatment of poisonings. Jones Medical Industries, \$9,700, March 1992

Fisher J, Paloucek FP, Dela Cruz F, Sloan E. Intravenous fosphenytoin in the treatment of status epilepticus. Warner-Lambert, \$35,000. February, 1992.

Fisher J, Paloucek FP, Dela Cruz F, Turnbull T. Double-blinded study of loading doses of iv fosphenytoin versus Dilantin. Warner-Lambert, \$35,000. February, 1992.

Pau AK, Paloucek FP, Dela Cruz F. Emergency Department Visits Related to Drug Misadventures: A Pilot Study. \$30,756. Glaxo Inc., June 1990.

McCollam P, Paloucek FP, Bauman JB, Harriman R. Phenytoin prophylaxis for tricyclic antidepressant arrhythmias.

Leikin J, Donnelly A, Paloucek FP. Flumazenil in the Treatment of Benzodiazepine Overdosage. \$60,672. Hoffmann-LaRoche, Inc., November 1987.

Kushner MS, Schrader BS, Paloucek FP, Wiener S. Evaluation of Efficacy and Safety of Cilazapril (Inhibace^R) in Combination with Hydrochlorothiazide in Patients with Essential Hypertension. \$61,120. Hoffman-LaRoche, Inc., February 1987.

Rodvold KA, Batenhorst RL, Jung DT, Paloucek FP, Kiani R. Effect of Cimetidine and Ranitidine on Procainamide Kinetics

Rodvold KA, Riff LJ, Fischer JH, Paloucek FP. Ceftazidime-Piperacillin vs. Amikacin-Piperacillin in Severe Life-Threatening Infections. \$37,125. Eli Lilly Company, August 1985.

Rodvold KA, Fischer JH, Riff LJ, Paloucek FP. Pharmacokinetics of Intravenous Vancomycin: A Large Multicenter Study in Elderly Patients and Patients with Moderate Renal Impairment. \$75,000. Eli Lilly Company, July 1985.

West D, Fischer JH, Aronson IK, Paloucek FP. Bioavailability Evaluation of Topically Administered 0.75% Metronidazole Gel. \$25,450. Curatek Pharmaceuticals, May 1985.

Fischer JH, Dorociak JV, Barr A, Paloucek FP, Spunt A. Effect of Meals on Absorption of Enteric Coated Valproic Acid.

EXTERNALLY FUNDED POST-GRADUATE TRAINING PROGRAMS

Nima M. Patel, Pharm.D. Specialized Residency in Pharmaceutical Outcomes. In collaboration with the Department of Veterans Affairs Pharmaceutical Benefits Management and Health Strategic Outcomes Office. TAP Pharmaceuticals, \$45,599. 2001-2002.

Brian E Jahns, B.S. Pharm.D. Fellowship in Clinical Toxicology and Emergency Medicine. Chicago Community Trust - Toxicon Consortium, \$24,000. 1992-1993.

Kevin O. Rynn, B.S., Pharm.D. Advanced Residency in Clinical Toxicology and Emergency Medicine. Chicago Community Trust - Toxicon Consortium, \$24,000. 1992-1993.

Donald Tillman, Pharm.D. Advanced Residency in Emergency Medicine and Clinical Toxicology. Chicago Community Trust - Toxicon Consortium, \$24,000. 1992-1993.

Susan E. Gorman, B.S., Pharm.D. Advanced Residency in Emergency Medicine and Clinical Toxicology. Chicago Community Trust - Toxicon Consortium, \$23,000. 1991-1992.

Educational Grants

Paloucek FP. Restricted educational grant for pharmacy resident education. \$5000
Aventis Pharmaceuticals February 2003.

Paloucek FP. Restricted educational grant for pharmacy resident education. \$3000
Pfizer-Pharmacia Pharmaceuticals September 2002.

Paloucek FP. Restricted educational grant for pharmacy resident education. \$1000
McNeil Pharmaceutical. October 2001.

Paloucek FP. Restricted educational grant for pharmacy resident education. \$3000
Pfizer Pharmaceuticals October 2000.

CONSULTATIONS

Editor-in-Chief	<u>PEPID PDC</u>
Editor:	<u>The Poison Review</u>
Editor:	<u>Annals of Pharmacotherapy</u> , Forensic Medicine
Referee:	<u>Annals of Pharmacotherapy</u>
Reviewer:	<u>Handbook of Nonprescription Drugs</u> (12 and 13 th eds)
Reviewer:	<u>American Journal of Hospital Pharmacy</u>
Reviewer	<u>Critical Care Medicine</u>
Reviewer	Scientific Abstracts - Practice and Research Forums, ACCP
Reviewer	ASHP Foundation Student Research and Education Award

PROFESSIONAL AFFILIATIONS

American Society of Hospital Pharmacists - Member 1981 #591777
American College of Clinical Pharmacy - Full Member
Illinois College of Clinical Pharmacy
American Academy of Clinical Toxicology - Member 1990
American Board of Applied Toxicology
Diplomate 1991
Board of Directors 1994-7 and 2000-2003
Residency/Fellowship Committee
Scientific Affairs Committee (Chairman 1997-8)
Honors College, University of Illinois at Chicago - Fellow 1994

Awards

May 1989 -	Class of 1989 Teacher of the Year Award
May 1991 -	Class of 1992 Teacher of the Year Award
March 1998	AACC Outstanding Speaker Award for 1997

Committees

1990 - present	Residents Advisory Committee
1990 - present	Toxicon Steering Committee
1991 - 1998	Faculty Advisory Committee
1994 - 1997	Senator, College of Pharmacy, University of Illinois at Chicago

1995 - 1997	Clinical Practices Functional Lead Team - member
1997 -	Community Drug Education Committee - Faculty Advisor
1997 - 1998	American Osteopathic Board of Emergency Medicine Medical Toxicology Examination Committee - member and item writer
1997-2005	Scholarship and Awards Committee
