

# Family and Children in the Ukraine;

*The challenges of conducting public health research in a country in transition*

*A discussion with...*

*...Dr. Daniel Hryhorczuk*

Professor and Director of the Great Lakes Centers at UIC SPH

*FRIDAY October 30th*

*12:30*

*SPHPI -- 1603 W. Taylor*

*Room 962*

*This series is a unique opportunity for open and candid discussions about cutting edge topics in environmental and occupational epidemiology. This less formal setting allows for a lively exchange of ideas and experiences within our public health*
